Those Who Care

Palm Beach County works with and supports a number of nonprofit organizations to help meet the needs of residents. PBC TV and the PBC Community Services Department profiles these critically important agencies in a series of "Those Who Care" programs. All this month you'll learn if one of the groups offers a service or program that benefits you or someone you know.

Behind The Star

On this month's episode of "Behind the Star," we look at the new technology being used by the Palm Beach County Sheriff's Office to find a missing person. The equipment is called "Project Lifesaver" and it can be used to track a wandering juvenile, a senior citizen with Alzheimer's or anyone who is missing. We also continue to honor Women's History Month, by putting the spotlight on the only woman deputy in the Mounted Unit. Meet this outstanding employee who is a testament of strength and leadership within PBSO.
