*Assisting voters  
with the PBC  
Home Rule Charter*

# *Palm Beach County Charter*

## **PREFACE**

The purpose of this publication is to assist voters in understanding the Palm Beach County Home Rule Charter. Although not a verbatim transcription, it provides a reference for better comprehension of the document. Pursuant to state law, the Board of County Commissioners placed a home rule charter option before the voters of Palm Beach County. During the Nov. 6, 1984 general election, voters approved the option: 152,495 in favor and 92,776 opposed.

The four main changes to county government are that the charter:

1. establishes true home rule;\*
2. provides initiative procedures that allow voters to create new local laws and modify or amend local laws;
3. provides a process to modify or amend the charter itself;
4. provides voters with a process to recall county commissioners.

The charter allows Palm Beach County voters, through their elected officials, to have greater independence in determining how their government will function and what services it will provide. Previously, many changes to county government required the approval of the Florida Legislature.

\*True home rule gives the Board of County Commissioners the ability to create local laws, through a local public hearing ordinance procedure, that are not in conflict with or specifically prohibited by state general law or the state constitution. This process is done without going to the Florida Legislature to request special legislation to create these laws.

**Note:** The Palm Beach County Charter, promulgated by Ordinance No. 84-8, adopted Sept. 11, 1984, and approved by the voters on Nov. 6, 1984, is set out essentially as enacted with only minor stylistic changes made for purposes of consistency. Charter amendments will be identified by a history note following the amended section. Absence of such a note indicates the section is derived from the original charter.

# **CHARTER OF PALM BEACH COUNTY, FLORIDA**

## **PREAMBLE**

WE, the voters of Palm Beach County, Florida, believing that governmental decisions affecting local interests should be made locally rather than by the state, and, in order to bring to our county the full home rule benefits of more responsive and efficient county government and improved cooperation between the municipalities and the county, do ordain and establish this home rule charter for Palm Beach County, Florida.

## **ARTICLE I**

### **CREATION, POWERS AND ORDINANCES OF HOME RULE CHARTER GOVERNMENT**

#### **Sec. 1.1 Creation and General Powers of Home Rule Charter Government**

Palm Beach County shall be a home rule charter county, and, except as may be limited by this home rule charter, shall have all powers of county self-government, granted now or in the future, by the constitution and laws of the state of Florida.

#### **Sec. 1.2 Conflict with State Law**

Nothing in this home rule charter shall override or conflict with state law or the state constitution.

#### **Sec. 1.3 Scope of County Ordinances; Conflict with Municipal Ordinances**

Municipal ordinances shall prevail over county ordinances to the extent of any conflict, regardless of the time of passage of the municipal ordinances, except that the county ordinances shall prevail over conflicting municipal ordinances:

(1) In matters relating to the protection of wells and well fields within the parameters set forth in Section 3.3 of this charter.

(2) In matters relating to school, county-owned beaches, district parks and regional parks, solid waste disposal, county law enforcement, and impact fees collected for county road programs and public buildings; and in matters related to county fire-rescue impact fees and county library impact fees in those municipalities whose properties are taxed by the county for library and/or fire-rescue services, respectively. This subsection shall not be construed as preempting or limiting in any way the enactment of municipal impact fee ordinances for those capital facilities provided exclusively by municipalities. Palm Beach County shall provide a credit toward the payment of county impact fees for properties within those municipalities which provide like capital facilities. This section shall not be construed as a transfer of functions or powers related to municipal services.

(3) For the adoption and amendment of the countywide land use element adopted in accordance with Article VII of this charter (Countywide Planning Council).

(4) In matters relating to the establishment of levels of service for collector and arterial roads which are not the responsibility of any municipality, and the restriction of the issuance of development orders which would add traffic to such roads which have traffic exceeding the adopted level of service, provided that such ordinance is adopted and amended by a majority of the Board of County Commissioners.

(5) In matters related to voluntary annexation.

(6) In matters related to the ethics regulation in accordance with Article VIII of this charter: The Palm Beach County Code of Ethics, the Palm Beach County Commission on Ethics and the Office of Inspector General in municipalities where the charter amendment is approved by a majority of voters in that municipality voting in the referendum as set forth in Sec. 6.3 of this charter.

The administrative code shall include an affirmative action plan.

### **Sec. 2.5 Noninterference Clause**

Ordinances providing for implementation and funding of Article VIII, Ethics Regulation, of the Palm Beach County Charter shall be prepared, adopted, and amended in the following manner:

If the Board of County Commissioners desires to change any recommended ordinance, the board shall refer all proposed changes to the initial ordinance drafting committee, which shall either modify the recommended ordinance to include a proposed change or recommend that a proposed change not be adopted. Adoption of any change to a recommended ordinance requires an affirmative vote of five (5) members of the Board of County Commissioners. If the initial ordinance drafting committee fails to submit the recommended ordinance to the Board of County Commissioners within 90 days of effective date of this charter amendment or fails to take action on a proposed change within 30 days of receipt of such change from the board, the Board of County Commissioners may take action to adopt the ordinance by an affirmative vote of four (4) members.
