PBC Board of County Commissioners Meetings are presented live on 1st & 3rd Tuesdays.
PBC Planning Commission Meetings are presented on the 2nd Fridays, presenting regular programming on those days.
PBC Zoning Meetings are presented live on the 1st and 4th Thursdays, presenting regular programming on those days.
PBC Commission on Ethics Meetings are presented live on 1st Thursdays, presenting regular programming on those days.
Palm Beach County School District Board Meetings and Workshops are presented live on Wednesdays, presenting regular programming.

Storm Watch 2018
If you are not sure your home will survive a storm or you live in an evacuation zone, we want to make sure you know what to do. PBC TV and Palm Beach County Emergency Managers have a message for you about deciding to seek shelter and if you go to a shelter, what you should bring with you to survive the storm.

Air Mondays at 6:30pm, Tuesdays at 8:00am, Wednesdays at 7:30pm, Thursdays at 8:30pm, Fridays at 9:30am, Saturdays at 2:00pm and Sundays at 1:00pm

Safety Matters

When you need help, you know to call 9-1-1. However, will first responders be able to find you quickly when minutes can mean the difference between life and death? On this month’s Safety Matters program, we will teach you important tips to make your house numbers more visible, so emergency responders can get to your location quickly. And this year, you will see kindness in action as Palm Beach County firefighters make heartfelt memories with some delightful campers at the MDA Summer Camp.

Air Mondays and Wednesdays at 6:00pm, Tuesdays and Thursdays at 9:00am, Fridays at 9:00pm, Saturdays at 9:30am and Sundays at 4:30pm

COUNTY CONNECTION

Would you feel confident and comfortable stepping in to calm a potentially violent situation? Palm Beach County’s Victim Services Division has a program in place with a priority to help prevent violence. The Green Dot program aims to educate individuals to recognize high-risk situations that may result in violence. See how the program teaches bystanders the skills to assess a situation and intervene in a safe and effective manner.

Air Mondays and Wednesdays at 6:00pm, Tuesdays and Thursdays at 9:00am, Fridays at 9:00pm, Saturdays at 9:30am and Sundays at 4:30pm

Hooked on the Palm Beaches

Tune in and catch another fun and exciting program that highlights all the great fishing locations up and down the coast of the Palm Beaches. You too can witness and experience the perfect conditions of our local fishing hotspots and waterways. Watch PBC TV and you will be amazed by what’s reeled in during this month’s edition of Hooked On The Palm Beaches.

Air Mondays and Tuesdays at 6:00pm, Wednesdays at 9:00am, Thursdays at 3:00pm, Saturdays at 3:30pm and Sundays at 9:30am

Government Websites

Palm Beach County has several resources for obtaining accurate and important information. The Division of Emergency Management administers the www.ReadyPBC.com website.

Visit us for information on:

- How to make a plan and build a disaster supply kit
- Status of shelters, stores, and gas stations near you
- Tools to help you Know Your Zone
- Business and road closures/openings
- Evacuations
- News Briefings
- PBI Airport Information
- Shelters
- Hurricane tracking chart
- Boil water notices
- Curfews
- FPL Info - power restoration
- Garbage pickup
- Public Transportation
- Waste/Sewer systems
- And much more!
Advice for Older Adults

People who are elderly, frail, or disabled (either mentally or physically) may need special assistance from family members, friends or social service agencies. Excessive stress and anxiety can contribute to increased episodes of illness, particularly for persons with heart disease and other conditions.

If an older adult lives in a nursing home, adult congregate living facility (ACLF) or boarding home, contact the administrator to learn about the facility's evacuation plan. If eligible, individuals may register for Special Needs Shelters, see page 6 for more information.

Home Health Care and Home-Bound Patients

- Notify your health agency where you will be during a hurricane and when care can be re-established.
- If you require oxygen, check with your supplier about emergency plans.
- If you evacuate, remember to take medications, written instructions regarding your care, your bedding and your walker, wheelchair, cane or any other special equipment.
- If you require hospitalization, you must make prior arrangements through your physician.
- Determine if and when you would have to evacuate. REMEMBER: All mobile/manufactured and sub-standard home residents must evacuate, regardless of location.
- Decide NOW where you would go if ordered to evacuate (a friend or relative, a hotel, or as a last resort if you are going to leave the region. Determine your route and leave as early as possible.
- Keep your home in good repair.
- Obtain assistance as necessary.

Special Needs Residents

Palm Beach County has established a Special Needs Shelter Program to provide for citizens with certain medical conditions during a major emergency. The Special Needs Shelter is a facility with physicians and nurses on staff. It has auxiliary electrical power, is wind resistant, and not flood-prone. The shelter is not a medical facility and provides limited services. The shelter does not provide medication, dialysis, oxygen or oxygen concentrators. General food is provided.

Space at these shelters is limited and is based on need and established criteria.

You MUST apply in advance by completing the form online at: http://discover.pbcgov.org/publicsafety/dem/Pages/Special-Needs.aspx
Or mail it to the Special Needs Coordinator at:
20 South Military Trail, West Palm Beach, FL 33415

You may be eligible if:

- You are dependent upon electricity for oxygen.
- You have minor health/medical conditions that require professional assistance.
- You need medications and/or vital sign monitoring, and are unable to do so without professional assistance.
- You are immobile and/or have a chronic but stable illness.
- You are bedridden and require custodial care. Caregivers must accompany their patients.

If accepted, you will be notified and provided transportation to the shelters if needed. You will be provided additional information upon acceptance to the shelter.

NOTES:

- No pets are allowed in the Special Care Units. Make pet shelter arrangements in advance.
- If you are unable to return home, assistance will be provided for you.
- Food is provided. Please make your own arrangements for any special dietary needs.

For further information about the Special Needs Program, call 561-712-6400 and ask to speak to the Special Needs Coordinator.
Special Needs Residents (cont’d)

If you are disabled and live in a hurricane evacuation zone and only require transportation assistance in reaching a shelter call Palm Tran Connection for the Special Transportation Assistance Program by calling 561-649-9848 or 877-870-9849 (toll-free).

If you do not qualify for the Special Needs Program and need transportation ONLY to a shelter, the county will provide transportation but you MUST be pre-registered and live in an evacuation zone or mobile/manufactured/sub-standard home, be physically handicapped or have no other means of transportation. Call Palm Tran Connection to register at 561-649-9838.

Pet Safety Plan

Risk Shelters cannot accept pets because of health and safety regulations. Service animals for people with disabilities are an exception.

If You Can Stay, Shelter-In-Place If You Must Evacuate

Have a plan for your pets if you are evacuating and not taking them with you. Have them stay with friends or family who are not evacuating, or board them with a local facility or your veterinarian.

Arrange for a neighbor to check on and take care of your pets care if a storm occurs while you are away.

Plan ahead for a friend or relative outside the affected area to shelter your animals, if necessary.

Make arrangements for your pet to be housed at a pet boarding facility or call motels/hotels in advance for reservations. Most hotels take pets during a hurricane evacuation. A deposit is usually required.

Keep your pet’s ID and rabies license tags up to date. Call 561-233-1271 to update records.

Make sure your pet has a collar with a contact name and phone number.

Pet-Friendly Shelter Requirements

The Pet Friendly Shelter is located inside the West Boynton Recreational Center at 6000 Northtree Blvd., Lake Worth, FL 33463 and is only available to Palm Beach County residents who reside in a mandatory evacuation zone, in a mobile home, or in sub-standard housing. Proof of residency will be required.

All pets must be accompanied by only one owner who will stay inside the Pet Friendly Shelter. All other family members will need to stay at the adjacent human shelter, Park Vista High School. Pets will be housed in a separate area away from where people are sheltered; livestock and reptiles will not be accepted.

Space is limited and all food will be provided, so please limit personal belongings to only those essential items that you will need during your stay.

Pre-registration with Animal Care and Control, is required. For more information visit: www.pbcgov.com/animal
**Mandatory Evacuation Homes**

All residents living in a manufactured/mobile home or sub-standard housing must evacuate in a hurricane warning.

**Sub-standard housing:** Buildings that do **NOT** meet one of the following requirements:
1. Permitted and inspected after March 1, 2002 under the Florida Building Code, or;
2. Permitted and inspected under prior codes, constructed of solidly filled reinforced masonry; or
3. Of wood frame construction that has been evaluated and retrofitted as needed to resist hurricane force winds; in either case, such structures must also have been retrofitted with impact protection on all glazed openings.

Even tropical storm-force winds can topple these types of homes. Residents in low-lying areas and on barrier islands may be required to evacuate depending upon the storm’s projected path and flooding potential. When a storm threatens, do what you can to secure your home, then take refuge with friends, relatives, or at an applicable shelter.

**Before you leave, take the following precautions**

- Pack breakables in boxes and put them on the floor.
- Remove mirrors and tape them. Wrap mirrors and lamps in blankets and place them in the bathtub or shower.
- Install hurricane shutters or pre-cut plywood on all windows.
- Shut off utilities and disconnect electricity, sewer and water lines. Shut off propane tanks and leave them outside after anchoring them securely.
- Store awnings, folding furniture, trash cans and other loose outdoor objects.
- Anchor the mobile/manufactured home with over-the-top or frame ties.
- Inspect tie-downs and anchors annually.

For more information visit: [www.fema.gov/manufactured-mobile-home](http://www.fema.gov/manufactured-mobile-home).

---

**If You Can Stay, Shelter-In-Place**

Self-evacuating is stressful and can cause more harm than good, it is also expensive. If you live in a structurally sound home and are not located in a mandatory evacuation zone, Shelter-In-Place in your pre-identified, stocked safe room and take the following precautions:

- Finish putting up shutters (do not attempt to go buy plywood at this point).
- Offer your home as shelter to friends or relatives who live in vulnerable areas or mobile homes.
- Leave radio or TV on an emergency information station.
- Do laundry.
- Move vehicles into a garage or next to the building; avoid trees and utility poles.
- Freeze water jugs and fill ice chest.
- Turn refrigerator to lowest setting and lower A/C (turn circuit breakers off after power goes out).
- Recharge batteries.
- Place flashlights and batteries throughout the house and keep one with you (DO NOT use candles).
- Secure all doors and windows.
- Double-check safe room and Disaster Supply Kit.

---

**If You Must Evacuate**

Do not travel until told it is safe to do so from officials. Don’t panic. Move at a steady pace and ensure you leave enough time to get to where you will weather the storm. **DO NOT** take chances with your life by staying at home or waiting until it’s too late!

- Notify your host home and family members that you are evacuating.
- Bring along your pre-assembled evacuation kit (water, snacks, cash, medications and important items/documents such as your driver license, photo ID, proof of address, insurance policies, family photos, and a list of important contacts).
- Fill up your vehicle and bring extra gas, if possible (gas stations run out of fuel along evacuation routes).
- Secure patio/yard furniture.
- Secure all doors and windows.
- Have a plan for your pets if you are not taking them with you.
- Allow at least twice the usual travel time.
- Avoid flooded roads and beware of washed out bridges and canals.
- Go to your predetermined host home or Risk/Special Needs Shelter, if applicable.
- Notify your prearranged family contact when you arrive at your storm-safe location.
Evacuating to a Shelter

There are 15 Hurricane Evacuation Risk Shelters for the general population in Palm Beach County. In addition, there are two Special Needs Shelters, and one Pet Friendly Shelter. All hurricane evacuation shelters meet current ARC 4496 design standards to withstand hurricane force winds, including window strength and protection, wind and debris exposure, and storm surge inundation.

These shelters are a refuge of last resort; a place to go if you can’t stay at home or with a relative, friend, co-worker or nearby hotel. While shelters are set up in schools, the timing of their opening and locations will be chosen based on the circumstances of the storm. Not all shelters are opened for every storm. Monitor local media for current shelter openings and locations.

Shelters provide simple meals and beverages; if you have special dietary needs or want snacks, you must bring your own. Shelters provide basic first aid only; cots and medical care are not provided.

NOTE:

NO smoking, alcohol, firearms, or pets are allowed in Risk Shelters.

Each person is given 20 square feet of room. To learn more visit:

http://discover.pbcgov.org/publicsafety/dem/Pages/Shelters.aspx

If you go to a shelter, here’s what to bring:

- Three-day supply of water per person (i.e., three-gallons per person).
- Prescription and emergency medications; you must be able to take all medications by yourself.
- Special-diet foods (e.g., snacks and juices for those with dietary restrictions or allergies).
- Basic snacks.
- Bedding materials (e.g., pillows, blankets, sleeping bags, cots, air mattresses, etc.).
- Comfortable clothing (at least two changes).
- Collapsible/folding beach chair or camp chair.
- Baby food, formula, bottles, diapers, blankets, & clothes.
- Flashlight, extra batteries.
- Cellphone, with a battery-operated charger.
- Radio with extra batteries and headphones.
- Important documents (identification, medical records, insurance information, deeds or leases, birth certificates and utility bills showing your home address).
- Photocopies of valuable documents.
- Eyeglasses, hearing aids, dentures.
- Toiletries and personal hygiene items.
- Quiet games and personal hygiene items.
- Special items for family members who are elderly or disabled.
- Chargers/cables for any electronic devices you bring with you – electrical outlets are limited.
