This program has helped individuals/families to gain marketable skills to become employed. Together we change lives to make people self-sufficient. Our successes include nurses, bookkeepers, teachers, medical assistants, and insurance billers.

The details of financial need determination are specified in Chapter 1 of the Division’s Policies and Procedures Manual. Copies can be made available as needed.
Division of Human Services Goal
To enter successful partnerships with individuals/families to access resources which result in increased self-esteem, greater economic stability and the highest level of self-sufficiency.

Description
Human Services is a Division within the Community Services Department that assists eligible individuals/families to attain Economic stability and Self-Sufficiency through Case Management services and provision of Support Services. The Support Services and Case Management services are planned and coordinated through an Individual Service Plan, which lists goals, objectives, services and expected time frames.

SELF-SUFFICIENCY PROGRAM

Our Best Kept Secret
(When emergency Services aren’t enough or aren’t appropriate for a particular individual/family)

How we work (in partnership with individuals or families and/or other agencies) to change lives . . .

Self-Sufficiency
Services are provided to individuals/families who need assistance to enable them to maximize their ability to gain, regain, and/or maintain self-sufficiency. Using Case Management, Social Workers direct individuals/families to services and resources that remove and/or remediate barriers that prevent the achievement of economic self-sufficiency.

Services Provided
Specific services are provided to address the following areas:
- Housing: rent, mortgage assistance (current, not past due)
- Utilities (current, not past due)
- Hunger
- Lack of transportation to access services
- A variety of services as needed to temporarily assist an individual/family to become self-sufficient (e.g. licenses, car repairs, child care, classes, books, condo maintenance fees)

Eligibility Conditions
- Financial need: up to 150% of FPLG
- Service need
- Palm beach County residency and legal status
- Alcohol/drug screening results and agreement to enter treatment if results are positive
- Expressed desire for intervention and coordination of services for a minimum of 12 months
- Physical Exam
- Only current bills are considered

Common Misconception
1. We just provide emergency services
2. Services are the same for everyone (I can get ongoing services the same as my friend or neighbor)

The Facts
1. We have an expanded service delivery system depending on identified service needs
2. Services are provided on a case by case basis
Common Misconceptions / The Facts

1. **Misconception:** Housing - We locate housing or have placements available.
   **Fact:** We provide delinquent rent / mortgage payments for eligible individuals/families.

2. **Misconception:** Commitment for services will be made on the day of application.
   **Fact:** Services are not provided until eligibility determination is completed.

3. **Misconception:** Assistance for any/all services (except for indigent burial/cremation) is ongoing or subsidized.
   **Fact:** We provide emergency services one time only every 12 months.

4. **Misconception:** If help is needed with rent/mortgage or utilities we will pay.
   **Fact:** If an individual/family can’t show how they will maintain, we don’t get involved.

5. **Misconception:** Payment for any one service is unlimited.
   **Fact:** Rent/mortgage payment is capped at 1 month at $525; utility payment is $200 combined.

6. **Misconception:** Medicaid eligible individuals are automatically eligible for services.
   **Fact:** All services are based on income eligibility for the last 3 months.

7. **Misconception:** Social Security and/or Workers Compensation payments are not considered to be income.
   **Fact:** All earned and unearned income is considered in determining eligibility.

8. **Misconception:** Anyone in economic distress is eligible.
   **Fact:** The last 3 months of income and assets are considered in determining eligibility.

9. **Misconception:** All individuals/families with income of 110% or less of FPLG are eligible
   **Fact:** If there is evidence that adequate income/resources to meet current obligations were otherwise expended, the individual/family may not be eligible.

10. **Misconception:** We just pay bills.
    **Fact:** All individuals/families are case managed for 3 months or more; if needed, individuals/families are transitioned to other program components.

11. **Misconception:** Emergency shelter/housing is available.
    **Fact:** Emergency shelter is no longer available. For individuals who agree to program requirements, we can provide up to 30 days of emergency placement.

12. **Misconception:** Anyone is eligible for emergency placement regardless of physical or mental condition.
    **Fact:** Individuals in emergency placement must be capable of self care and be able to work.

13. **Misconception:** We provide emergency ALF placement.
    **Fact:** An eligibility process must be completed first.

14. **Misconception:** The County will pay the difference if there is an insurance policy or if the family has provided funds for the cost of burial/cremation services.
    **Fact:** If there are any insurance policies or money has been exchanged between the family and the funeral home, the County will not assist.
**Economic Stability Program**

**Objective:** To use Case Management and Support Services to stabilize individuals/families.

**Program Intent:** To transition individuals/families from the Emergency Services Program (or comparable program) to economic stability. Exception: ALF clients go directly into Economic Stability.

**Emergency Services Program**

**Objective:** To use Case Management and Support Services to prevent homelessness (or continued homelessness), to keep families together, to assist individuals/families to meet basic needs, and to maintain sanitary living conditions.

**Program Intent:** To address the presenting emergency, while, at the same time, identify and assess the circumstance that provokes the need for Emergency Services. Case Management services assess the best way to solve the presenting emergency in order to provide services leading to the achievement of the Division Goal.

**Services Provided**
Specific services are provided to address the following areas:
- Housing: rent, mortgage assistance
- Utilities
- Homelessness
- Hunger
- Lack of transportation to access services
- Indigent Burial/Cremation

**Basic Eligibility Conditions**
Specific eligibility requirements include the following:
- Financial need (see income guidelines below)
- Service need
- Palm Beach County residency and legal status
- Drug free or agreement to enter treatment for services beyond 30 days
- No prior Emergency Service provision by the Division in the previous twelve months
- Expressed desire for intervention and coordination of services for a minimum of twelve (12) months

The details of financial need determination are specified in Chapter 1 of the Division’s Policies and Procedures Manual. Copies can be made available as needed.

**Hours of Operation**
Although our offices are open from 8 AM to 5 PM, applications for services are taken from 8 AM to 4 PM only. Clients are not accepted until 8:00 AM. Referrals scattered throughout the day would allow clients to be seen with less waiting time.
