

# LIHEAP WEATHER-RELATED FUNDING

## Requirements:

- All assistance must be energy and storm related.
- Maximum of \$1,000 in emergency energy-related benefits per household for expenses incurred as a result of the storm between September 4, 2017 and December 2, 2017
- Weather-Related Benefits may not be combined with regular home energy benefits and crisis benefits to pay a large bill.
- Preference will be given to households with seniors, young children, and persons with disabilities.

## Applicants:

- Total household income must be at or below 150% of FPLG
- Must provide current proof of income
- Provide proof that current crisis situation (past due bill) is directly related to hurricane Irma.
- Must reside in Palm Beach County
- Bill usage dates must be between September 4, 2017 and December 2, 2017.
