2019 LOCAL NEW & RENEWAL PROJECTS REVIEW PROCESS

STATEMENT OF POLICY:

While all decisions about the Palm Beach County Continuum of Care (CoC) Program project review process are subject to review and approval by the Homeless and Housing Alliance (HHA), our community values public input and community discussion around all aspects of the CoC. In the event of requirements or policy directives in the U.S. Department of Housing and Urban Development (HUD) CoC Program Notice of Funding Availability (NOFA) that necessitate changes to the scoring process, Palm Beach County Department of Community Services (CSD), Division Human and Veteran Services (DHVS) staff will endeavor to provide a public process for discussion and community input.

- If an agency who is submitting a renewal project application has not met the minimum qualifications set by the HHA, i.e. attendance, subcommittee participation, etc., the HHA Executive Committee will reallocate the renewal funding for agency's project(s) to another eligible agency and project.
- DHVS collects and reviews Annual Performance Reviews (APRs) or equivalent, Data Quality Reports or equivalent and supplemental information, as needed, and prepares project evaluations.
- New and Renewal CoC Program Project Applicants will be invited to complete their application on eSnaps once the portal is available by the application deadline date. Note that these applications will be viewed by the NCG Review Committee to rank and rate so final submission to HUD is not required at this time.
- New and Renewal CoC Program Project Applicants will print and submit their eSnaps project applications to DHVS, along with required local application materials and match documentation. All documents must be delivered to the DHVS offices by the deadline date per application instructions.
 - Late applications will not be accepted.
 - Incomplete applications cannot be cured for Non-Conflict Grant (NCG) Review Committee. If an application is incomplete, the application will not move forward in the rating and ranking process.
- All documents must be delivered to the HS offices at 810 Datura Street, Second Floor West, by the deadline date as stated in the application instructions.
- Projects receive preliminary scores based on the agency's HMIS data using their project evaluations and are invited to provide a narrative response to be considered by the NCG Review Committee.
- New and Renewal CoC Program Project Applications will sent to the HHA email distribution list, placed on the HHA website and announced at the monthly HHA meeting.
- HHA will hold a Technical Assistance Meeting to New and Renewal CoC Program Project Applicants.
- DHVS staff recruits NCG Review Committee members, prioritizing members who have served on the Committee in the past or who have other relevant experience and are approved by the HHA Executive Committee. NCG Review Committee members will sign "no conflict of interest" and confidentiality statements.
- DHVS staff will review all submitted project applications and determine if projects meet local and HUD thresholds requirements.
- NCG Review Committee members are trained, as appropriate, and receive submitted applications. Committee members review, but not score, applications prior to Scoring Meeting.
- NCG Review Committee holds a Scoring Meeting to review and discuss project applications and finalize individual scores. NCG Review Committee scores are added and applications are ranked and

placed into either Tier 1 or Tier 2.

- Renewal projects that do not yet have performance data for a full year of operation will be held harmless and awarded full points on all scoring factors that cannot be evaluated. Second-time or older renewal projects that do not have performance data for a full year of operation will be required to submit an explanation as to why they have not started spending out project funds and provide a plan for doing so within the HUD-mandated period. In extreme cases where community funding is at risk, NCG Review Committee members may exercise discretion, including recommending reallocation or placement into Tier 2.
 - Due to the nature of the programs, renewal domestic violence projects will be held harmless for the following questions as these items processes are different for DV programs: new, increased and earned income; and on coordinated entry (CE). DV program will be awarded full points for questions regarding program participants' assessment score.
 - Due to the nature of the programs, youth projects will be held harmless for questions regarding homeless category as the processes are different for youth projects.
 - If the HUD tier rules allow for projects to "straddle" the tiers, i.e. to fall partially in Tier 1 and partially in Tier 2, then the top-scoring non-HMIS, non-Coordinated Entry project in Tier 2 will be moved to straddle the tiers.
 - New projects will be scored and ranked based on the New Project Scoring Tool.
 - **HHA prioritizes projects with established track records in enhancing system performance. New projects must promote system performance by increasing housing stability, preventing returns to homelessness and shortening episodes of homelessness.**
- Preliminary scoring results are emailed to each applicant and contain language regarding the appeals process.
 - Appeals, if any, are reviewed by three appointed members of the HHA Executive Committee.
 - HHA Executive Committee meets to consider and approve a final recommended CoC Program ranked funding list. If any renewal project does not apply for funding or is identified by the NCG Review Committee as in need of reallocation, that funding may be reallocated to a new project.
 - All project documents must be submitted electronically through eSnaps for HUD final review by the deadline date per application instructions.
 - **The HHA Executive Committee's final recommendations for CoC project ranking and funding amounts will be presented to the Palm Beach County Board of County Commissioners (BCC) for final application signature.**
 - If funding becomes available after approval of the final ranked list, through reallocation or budget corrections, the HHA Executive Committee will offer the excess funding to new project applicants in order of project ranking.
 - Projects will submit copies of letters or documentation for all match resources listed in their application.
 - All renewal project applications must be submitted 30 days prior to the application deadline established by HUD in the CoC NOFA.
 - Applications are submitted along with the DHVS's (the Collaborative Applicant) application to HUD.

The process is welcoming and PBC, DHVS and HHA do not discriminate on the basis of race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or expression, or genetic information. If you need any accommodations, please contact Sonya McNair, SMcNair@pbcgov.org, 561.355.9901.

2019 APPEALS POLICY AND PROCESS

Grievances must be submitted on the HHA CoC Program Grievance Notice Form. All notices of appeal must be based on the information submitted by the application due date. No new or additional information will be considered. Omissions to the application cannot be appealed. The decision of the HHA Appeals Committee is final.

The HHA Appeals Committee consists of three (3) members of the HHA Executive Committee, CSD Director, DHVS Director and one non-voting representative from the NCG Review Committee. The voting members will not have participated on the original NCG Review Committee or have a conflict of interest with any of the agencies applying for CoC Program funding. The role of the HHA Appeals Committee is to read and review only those areas of the application that are being appealed.

PROCESS

- All notices of appeal must be submitted electronically to Wendy Tippet at wtippet@pbcgov.org.
- The notice of appeal must include a written statement specifying in detail each and every one of the grounds asserted for the appeal. The appeal must be signed by an individual authorized to represent the appealing applicant (i.e., Executive Director, CEO, CFO) and must include (highlight and/or cite) the specific sections of the application on which the appeal is based. The appealing applicant must specify facts and evidence sufficient for the HHA Appeal Committee to determine the validity of the appeal. That is, the notice of appeal must have attached the specific areas of the application being appealed and must also clearly explain why the information provided is adequate to gain additional points. The HHA Appeal Committee may take notice of the fact that issues are being raised that could and should have been raised in final submissions and may use their discretion in reviewing those and other factors during the Appeals Process.
- The HHA Appeals Committee will review and evaluate all notices of appeal and decide whether or not the appeal has any validity based on the appeal policy.
- All valid appeals will be read, reviewed and evaluated by the HHA Appeals Committee.
- HHA Appeals Committee deliberates and votes electronically.
- Appealing Applicants will receive, in writing, the decision of the HHA Appeals Committee within two (2) business days.
- **HHA Appeal Committee List is submitted for consideration and approval by the HHA Executive Committee.**
