1. Staff recommends motion to adopt: a Resolution to approve Amendment Number 1 to the Joint Participation Agreement (JPA), R2009-0823, between the Florida Department of Transportation (FDOT) and Palm Beach County (County) for the operation and maintenance of the Traffic Management Center (TMC) at the Vista Center. SUMMARY: Approval of this Amendment will increase the frequency of invoicing by the County from one (1) to two (2) per year, for the remainder of the term through June 30, 2029. Change of invoicing terms from annual to bi-annual will not have any effect on the total remaining funds. K. WATER UTILITIES

1. Staff recommends motion to receive and file: one (1) Agreement for Emergency Generator Purchase, Operation and Maintenance with The Club at Indian Lakes Homeowners’ Association, Inc. SUMMARY: On March 14, 2006, the Board of County Commissioners delegated the authority to execute Emergency Generator Purchase, Operation and Maintenance Agreements (Agreements) to the County Administrator or his designee. The County Administrator has delegated this approval to the Palm Beach County Water Utilities Department Director. These agreements provide property owners with the ability to fund the purchase of emergency generators for lift stations located within their community. The Department will assign the community its generator(s), locate the generator(s) on-site during hurricane season, and operate and maintain the generator(s) during emergencies. By executing such agreements, the Department is able to expedite its goal of providing a higher level of emergency response service throughout its service area. Power outages that occur during hurricanes and other emergencies require the Department to operate a system of emergency generators at wastewater pump stations to prevent wastewater from backing up into streets, swales, and residents’ homes. Due to the great number of lift stations and limited staffing resources, the Department is not able to place an emergency generator at every lift station. These agreements will increase the number of generators available to the Department during emergencies. District 5 (MJ)

B. COMMISSION ON ETHICS

1. **Staff recommends motion to approve:** an Interlocal Agreement with the Town of Lantana to engage the services of the Palm Beach County Commission on Ethics. **SUMMARY:** The Lantana Town Council adopted an ordinance subjecting the Town to the jurisdiction and authority of the Palm Beach County Commission on Ethics. This Interlocal Agreement will allow the Town to engage the services of the Commission on Ethics and its Executive Director. This action addresses the Town’s desire to subject itself to the County’s ethics regulations prior to consideration of a Charter amendment this November. The Charter amendment, if approved by voters, will allow the County to adopt ethics regulations applicable in each municipality that voted in favor of the amendment. District 3 (LB)

2. **Staff recommends motion to approve:** an Interlocal Agreement with the City of Boynton Beach to engage the services of the Palm Beach County Commission on Ethics. **SUMMARY:** The Boynton Beach City Commission adopted an ordinance subjecting the City to the jurisdiction and authority of the Palm Beach County Commission on Ethics. C. FACILITIES DEVELOPMENT & OPERATIONS

1. **Staff recommends motion to approve:** the original August 17, 2010 recommendation to select the Transit Village proposal for the “wedge” property conditioned on satisfactory results from a traffic study and negotiation of a development agreement, or provide alternative direction including: 1) reject the proposal and terminate the RFP process, or 2) give Transit Village time to try to arrange/pay for required pre-selection study(s). **SUMMARY:** On August 17, the Board considered Staff’s recommendation to select the proposal submitted by Transit Village LLC. The Board indicated its desire to have traffic and market studies performed up front by the County prior to selection, and directed Staff to inquire of the City/CRA whether they would be willing to pay for the studies. The City/CRA responded that they are not willing to fund these studies, as they normally require the private sector proposers to fund them. Multiple owners of adjacent properties have now expressed concerns regarding the effect of this proposed development upon the depressed office building market and traffic impacts on Clearwater Drive. Staff does not think that a market study will provide definitive answers that can be relied on in making this determination. Details of land cost, estimated present value and equivalent compensation to be paid by Transit Village is provided in the September 2, 2010 attachment. (PREM) *Countywide* (HJF)

C. FACILITIES DEVELOPMENT & OPERATIONS (Cont’d)

2. Staff recommends motion to approve:

   A) Amendment Number Two to Lease Agreement (R2001-0483) with Regions Financial Tower, LLLP, extending the term of the lease of office space for the Tourist Development Council (TDC) for three (3) years;

   B) a Waiver of the prohibited contractual relationship with E. Llwyd Ecclestone, Jr., who controls the management of Regions Financial Tower and is a member of the County’s Aviation and Airports Advisory Board; and

   C) a Waiver of the prohibited contractual relationship with E. Llwyd Ecclestone, III, who holds a 25% interest in Regions Financial Tower and is an advisory board member of the County’s Impact Fee Review Committee.

SUMMARY: Since 1992, the County has leased office space on behalf of TDC in the Regions Financial Tower on Palm Beach Lakes Boulevard in West Palm Beach. The current Lease expires July 31, 2011. This Amendment Number Two: reduces the leased premises by 3,885 square feet effective as of October 1; extends the term for three (3) years until July 31, 2014; reduces the rent payable during the extension from $32.80/sf to $24.54/sf; eliminates annual rental increases and reduces the per space charge for reserved parking spaces during the extension from $28.46 to $20. The extension of this Lease will provide additional time to develop and implement a program to relocate TDC into County-owned space. Section 2-443(c) of the Code of Ethics prohibits contractual relationships between the County and an advisory board member or the advisory board member’s outside employer or business. Section 2-443(d) provides that the prohibited relationship may be waived upon the affirmative vote of five (5) members of the Board. Staff recommends the waiver as this is an extension of a pre-existing lease and these advisory boards have no input on general County real estate transactions. (PREM) District 7 (HJF)

D. RISK MANAGEMENT

1. Staff recommends motion to approve:

   A) Fourth annual option to renew the Amended and Restated Administrative Services Only Agreement (R2006-2287; dated October 17, 2006) with Connecticut General Life Insurance Company (CIGNA) for claims administration services for the County’s self-funded triple option (HMO, POS, PPO) health insurance plan for the period January 1, 2011, through December 31, 2011;

   B) CIGNA’s proposed administrative fees and specific stop loss premiums and risk retention level for plan year 2011; and

   C) Changes to certain copayments and rate contributions paid by employees and their eligible dependents for plan year 2011.

SUMMARY: Staff recommends Board approval for the fourth annual option to renew the Administrative Services Only Agreement with CIGNA for the period January 1, 2011, through December 31, 2011. For plan year 2011, projected Board premiums for the County’s self-funded health plans reflect an increase in employee cost sharing for both plan copayments and monthly premiums. The recommended employee cost sharing increases, estimated to total approximately $7,000,000 for the 2011 plan year, are necessary to offset the increasing cost of the health plans and to meet the Board’s budgetary objectives. The total plan cost projected for 2011 is $61,357,242, a $1,504,901 increase over the projected cost for the expiring plan year. Included within this amount is $2,779,124 in administrative and stop-loss insurance costs for the renewing contract with CIGNA. The increase in employee cost sharing, coupled with a fund balance accumulation due to less than expected claims experience in prior plan years, will negate a need to increase the Board’s level of funding for coming year. Eligible employees of Palm Tran, Inc. and the Supervisor of Elections will continue to participate in the health insurance plans along with the eligible employees of the Palm Beach County Board of County Commissioners. Sufficient funds have been budgeted to fund the program. Countywide (TKF)

The home contains 1,617 square feet with three (3) bedrooms and two (3.1) baths. Total cost for this residential purchase and repair is $152,708.67. The appraised “as is” value is $150,000. The total applicant contribution is $2,708.67 which includes mandatory 1% down payment of $1,230. Palm Beach County will provide a first mortgage loan of $70,000 for 30 years at four percent (4%) interest, a second mortgage of $80,000. The second mortgage requires no repayment if Ms. Jean Louis lives in the home as her principal place of residence for 30 years. These are federal funds which require no local match. District 6 (TKF)
