V. Old Business

- a. There was a general discussion about the first community event that will be held on June 22nd at the Village Academy in Delray Beach. The committee decided to use Jeannette Marshall's event as a model in which they viewed an episode of Blackish and had a discussion afterwards. Mrs. Marshall noted that it is important to determine your audience. Their event targeted families about 110-120 attended and a separate room was provided by Community Partners for young children. They also used an idea board and a survey after the event. She will provide copies of their survey to CJC staff.
- b. Kristina Henson, CJC Executive Director, provided an update on the MacArthur Safety and Justice Challenge. Jail population data and a court notification system was discussed. She also noted that staff are working on an application that is due by next Thursday.
