Bills and Policy

SB 582 - Write-in Candidate Qualifying by Sen. Kevin Rader codifies the 2016 Florida Supreme Court decision in *Brinkmann v. Francois*, by repealing the statute that requires a write-in candidate to reside in the district that he or she seeks to represent at the time of qualifying. The bill passed favorably out of the Senate Ethics and Elections Committee on Tuesday and is now in the Senate Community Affairs Committee.

The Senate Health Policy Committee heard SB 1364 - Public Records/Substance Abuse Service Providers by Sen. Kevin Rader Tuesday. The bill amends s. 119.071, F.S., to exempt from public records laws certain personal identifying information of current and former directors, managers, supervisors, nurses, and clinical employees of a substance abuse service provider licensed under part II of ch. 397, F.S., as well as certain personal identifying and location information of their spouses and children. The bill provides in its statement of public necessity as justification for the exemption that the public records exemption is needed as the release of this information may place these employees and their families at risk of harm from hostile persons based on the actions of the employees. The bill was found favorable with a committee substitute and is now in the Senate Governmental Oversight and Accountability Committee.

On Tuesday, the House Government Operations & Technology Appropriations Subcommittee heard HB 227 - Workers' Compensation Benefits for First Responders by Rep. Matt Willhite. The House Appropriations Committee heard HB 217 - Payment of Health Care Claims by Rep. Bill Hager on Wednesday. The bill amends ss. 627.6131 and 641.3155, F.S., to prohibit a health insurer or health maintenance organization (HMO) from retroactively denying a claim at any time because of insured ineligibility, if the insurer or HMO verified the eligibility of the patient at the time of treatment and provided an authorization number. The bill prohibits a person from operating an airboat to carry passengers for hire on waters of the state unless he or she has specified documents on board the airboat while carrying passengers for hire. A person who violates the airboat operating provisions commits a noncriminal infraction, punishable by up to a \$500 fine. It was

found favorable with a committee substitute and is now in the Senate Appropriations Committee. HB 1211 - Airboat Regulation by Rep. Joseph Abruzzo is the House sponsored version.

The bill expands the statutory findings on who may benefit from living in a recovery residence to include not only those individuals who have completed treatment, but also those who are continuing to receive substance abuse treatment. The bill allows for licensed service providers to accept referrals from a noncertified recovery residence if it is determined the individual would benefit from the service and no recovery residence employees/owners directly or indirectly benefit from the referral.
