5. **Comments from the Palm Tran Service Board Chair**

   Chair Mattingly welcomed everyone to the PTSB meeting, discussed the process for submitting comment cards and filling them out so that it can be documented. He expressed the
importance of reaching out to the public and letting them know that this is their forum to express concerns on action the board is taking.

Chair Mattingly reviewed the follow-up letters to public comments made at the last meeting, he referenced page 8 in the agenda where the letters began.

Mr. Nicky Brown was thanked for his suggestion to add benches at the West Palm Beach Intermodal, benches will be installed no later than May 30th, and staff was commended on the great turn around.

Mr. London’s concerns regarding the interconnection of Broward County and Boca Town Center will be discussed and addressed during the Route Performance Maximization (RPM) project.

Regarding Mr. London’s concerns about air conditioning being too cold onboard buses, maintenance responded that the temperature is set to 68 degrees and drivers can only turn the air conditioning on or off. The operators cannot adjust the temperature.

Regarding Mr. London’s mention of the wraps on the buses and the lack of vision, staff is reviewing the current advertising contract to evaluate options to make the outside more visible for passenger onboard buses.

Mr. McDonald brought up the question of wheelchair priority, and requested Palm Tran to mirror Broward County. While Palm Tran is abiding by all state and federal laws regarding wheelchair boarding policy, staff will continue to encourage operators to assist customers in wheelchairs.

Keith Porges was thanked for his compliments and commendations on Connection service.

Eric Rupard compliments and commendations for Connection were acknowledged and appreciated. His suggestion for evaluating North County routes will also be conducted during the Route Performance Maximization process.

Charles Frazier, Director of Support Services, noted that we are making a concerted effort to respond formally and research concerns from the public and board members in a timely manner.

Chair Mattingly noted that some board members made suggestions or comments that were responded to immediately it is greatly appreciated by the board.

6. Safety Message – Jafari Bowden, Safety and Training Officer

Mr. Bowden presented the Defensive Driving Tips message:

1. PRACTICE SAFETY
   Ensure you get enough rest, always wear your seat belt, adjust your seats, mirrors, and climate controls before putting bus in gear.

2. DRIVE DEFENSIVELY
   Be aware of what other drivers around you are doing, and expect the unexpected.

3. LOOK AHEAD
   Look 15 seconds ahead to get the BIG picture.

4. WHEN THE TRAFFIC LIGHT TURNS GREEN, YOU SHOULD ALWAYS...
   a) Look for pedestrians in the crosswalk.
   b) Look left, right and left again for traffic on the cross street before entering intersection.
Board member Terry Brown inquired about the maximum hours an operator can legally work. Mr. Bowden referred to rule 1490 in the operator rulebook for Florida; he gave explanation on hours operators are allowed to work.

7. **Palm Tran Executive Director's Comments - Clinton B. Forbes**

Mr. Forbes commented as Follows:

The Board was advised that the fiscal year 2018 budget process has started and is in the development stage. Staff will provide a budget update at the May 25, 2017 meeting.

Board member Weinroth was congratulated on becoming the Chair of the the Local Coordinating Board (LCB). It was also voted unanimously for Palm Tran to continue as the Community Transportation Coordinator (CTC). Palm Tran's vision and the service board's involvement will be discussed in one-on-one meetings with the Executive Director and individual board members in the next several months.

Lastly, on March 17, 2017, “National Bus Driver Appreciation Day” we celebrated our hard-working bus drivers. The Management Leadership Team went to various transfer bus locations in Palm Beach County and personally shook hands and thanked the drivers for their service.

Public Comments (General)

Customers commented on the continued improvement with our services, however there were some concerns that were voiced. Specifically, one customer gave his opinion about the farebox and complained that it does not provide change. Another customer was concerned that he was not able to back his wheelchair onto the fixed route buses. Staff speaks with each customer during the meeting and then works with the appropriate division/section to make sure that we follow-up appropriately.

Board Member Comments

Board member Rothman voiced his concerns for the narratives and cost per trip, he gave recommendations and agreed to meet with staff to discuss. He also mentioned the Connection phone "on hold" metric not being added. He also requested more details on complaints and an explanation on the fare box narrative. Mr. Forbes responded that the Board will receive high level reporting but that staff is always willing to meet with a board for further explanation and/or discussion on any issue or concern with the performance report.

Board member Cadogan gave a positive message on the performance report. Board member Weinroth voice his concerns on the performance measures in the report. He also requested that all board members receive the same statistics that Stanley Voice receives. Board member Templeton commented on bus bays --how many there were and how they work. Board member Rothman commended Lou Ferri, Connection Operations Manager, for a job well done. Mr. Rothman commended First Transit for a job well done when a tire blew out they were very professional. Chair Mattingly commented on the need for improvement in the paratransit call center as well as the on-time performance on the fixed route side.
