

## **Emmett J. Crockett**

### **Director of Transit Planning**

[ecrockett@pbcgov.org](mailto:ecrockett@pbcgov.org)

Emmett J. Crockett is our new Director of Transit Planning. Crockett joins Palm Tran with more than 40 years of experience in the transportation sector. He has worked in various senior and management roles at several transit agencies, to include agencies such as the Washington Metropolitan Area Transit Authority (WMATA), the Metropolitan Atlanta Rapid Transit Authority (MARTA) and the Central Ohio Transit Authority (COTA). Crockett's most recent role was the Director of Transit Development at the Capital Area Transit System (CATS) in Baton Rouge, LA where he oversaw transit service planning and development, among various other responsibilities.

Crockett's educational background includes a Master of Science in Urban Planning from Trinity University and a Bachelor of Arts in Political Science from Southern University. Further, Crockett is a member of various transit industry organizations such as the Conference of Minority Transit Officials (COMTO) and the American Public Transportation Association (APTA).
