

Sean K. Smith

Director of Operations

Mr. Smith is an accomplished transit leader and comes to us from Durham, North Carolina where he has lead the Durham City Transit System as its General Manager/CEO for the past 7 years. Having started his transit career with Greyhound as a Dispatcher, he held several different transit management positions as his 25 year career progressed.

Under Palm Tran's new organizational structure, Mr. Smith will have oversight over its largest division, Operations. The Operations Division includes Fixed Route Bus, Paratransit Operations, Maintenance and Safety and Compliance. He is also responsible for more than 530 employees and a nearly \$80 million budget. This is a highly responsible role which reports directly to the Executive Director and is responsible for the timely, safe and cost-effective delivery of fixed route and paratransit services.

Mr. Smith holds several certifications and a Bachelor of Science degree in Business Management from the University of Phoenix.
