

RAILROAD SAFETY

- 1. Palm Tran's policy is to stop at all active railroad crossings.**
- 2. Rock and Roll in your seats to see around your blind spots.**
- 3. Trains may be closer than they appear.**
- 4. Never stop on the tracks**
- 5. Do not cross tracks when arms are down, red lights are flashing or both.**
- 6. Only cross tracks when there is enough room to clear the tracks.**
