Palm Beach County 2018 Guide to County Services

Palm Beach County Government Mission:

To continually improve, in the most cost-effective manner, the services to our customers; protection of the overall public good, as guided by the policies of the Board of County Commissioners; and to achieve a recognized high level of public satisfaction for costs and quality of service. We will accomplish our mission by taking a leadership role in developing and presenting sound policy alternatives to the Board of County Commissioners, focusing continually on our customers’ needs and expectations, recognizing limitations in resources, exploring creative and equitable revenue alternatives, responding capably and swiftly to changing priorities, investing in the behavioral and intellectual enhancement of our workforce, and providing appropriate acknowledgement and rewards for superior performance.

Court Administration. The Alternative Dispute Resolution Office (ADR) utilizes trained, neutral and certified mediators who assist parties in negotiating a reasonable solution. The effectiveness of such mediation programs has resulted in substantial savings of court time and resources, savings in attorney’s fees for the litigants, and improved public trust and confidence in the courts.

EMERGENCY: 561-233-1200, EXT. 0
Public Safety. The Animal Care & Control (ACC) Division is the agency responsible for enforcement of animal laws and the safety and welfare of animals and the public. ACC’s mission is to encourage responsibility and humane treatment of animals, enforcement of county, state and federal animal laws, help unite lost pets with owners, encourage early spaying or neutering, and to provide safe shelter and veterinary care for lost, abandoned or unwanted animals. The shelter offers emergency response calls on sick and injured stray domestic animals 24 hours a day, 7 days per week. ACC offers low-cost services or free spay/neuter services for dogs and cats, call 561-233-1261. For additional information about injured wildlife call the Florida Fish and Wildlife Conservation Commission at 625-5122 or Busch Wildlife at 575-3399.

Animal Rescue League 686-3663
www.peggyadams.org
Peggy Adams Animal Rescue League
3100-3200 N. Military Trail, WPB 33409
Our mission is to provide shelter to lost, homeless and unwanted animals; to furnish medical and other services for the care of companion animals; to care for, protect, and find quality homes for homeless and neglected animals.

Animals: Bites 233-1215
Public Safety. Animal Care & Control (ACC) handles rabies surveillance covering 2,300 sq. miles and 38 municipalities. When a person has been bitten by an animal and the skin has been scratched or punctured drawing blood, the ACC must be notified immediately. The County Health Unit will require unvaccinated animals to be quarantined at ACC or a veterinary hospital for rabies observation. The owner must pay for all quarantine and medical expenses.

Animals: Boarding, Grooming and/or Selling 233-1209 or 233-1227 or 233-1243
Public Safety. Persons who breed cats or dogs, or operate pet shops, kennels,
stables, grooming parlors and/or any animal related business are required to obtain a permit from ACC. The permits include a fee, and special operating requirements. Businesses are responsible for assuring compliance with any zoning or code ordinances. Periodic inspections may apply.

Animals: Breeder Permit

233-1209 or 233-1227 or 233-1243

Public Safety. Breeding of dogs and cats is regulated by ACC and is prohibited without a valid permit. The permit is issued by the Division and is valid for one year. A hobby breeder must obtain an unaltered license tag for each unaltered dog or cat covered under the hobby breeder permit. Intentional or unintentional breeding requires a permit. Failure to obtain permits may result in citations and fines.

Animals: Losing or Found Pets

Public Safety. Animal Care & Control (ACC) offers an online service for reporting lost or found pets, www.pbcgov.com/snap. Pet owners should visit all animal shelters every few days to visually look for their lost pet. Photos of lost/found pets at the shelter are available on the website. Pets found by the public must be reported immediately to ACC by using the website above.

Animals: Nuisance

233-1213

Public Safety. The owner of an animal that is a nuisance may be in violation of county law. The county Animal Care & Control Division investigates alleged violations when at least two notarized affidavits are received from neighbors residing at different addresses. Pet owners are responsible for removing waste deposited by their animals in public areas or on the private property of others.

Public Safety. PBC offers low-cost spay and neuter services for dogs and cats belonging to county residents for a low fee and free to individuals on public assistance. The program targets “at-risk” animals for euthanasia in our community: pit bull-type dogs and cats. Call 561-233-1261 or 561-924-5657 for information and to schedule an appointment. No person may own, keep, or harbor a dog or cat six (6) months of age or older that has not been spayed or neutered without an unaltered license tag for each unaltered dog or cat, or unless the dog or cat is otherwise exempt. Exemptions are listed in the PBC Ordinance 98-22 Section 28, www.pbcgov.com/animal.

Animals: Volunteer Program and Community Service

233-1281

Public Safety. Volunteers and/or community service workers are always needed at the Division of Animal Care & Control. Foster programs for orphaned kittens and puppies too young to survive without help are offered along with a need for volunteers to assist with dog walking, grooming, lost and found and other jobs.

Public Safety. Qualified citizen-defendants with pending felony (or misdemeanor) drug charges may voluntarily enter into Palm Beach County's Drug Court program. Citizen-defendants who do so will take part in a minimum year-long period of intensive addiction rehabilitation closely supervised the entire time by the Drug Court Judge and Drug Court Staff. The program may last longer than a year if a participant encounters problems in complying along the way.

This program is open to all people who have pending felony (or misdemeanor) drug charges other than trafficking or sales, so long as they have no crimes of violence on their prior criminal record (including no convictions for misdemeanor domestic battery), and no prior convictions for trafficking in illegal drugs of any nature. Unlike many Drug Courts, Palm Beach County's is open not just to first offenders but also to people with multiple prior convictions so long as none of those prior convictions were for any of the disqualifying types of offenses listed above.

Youth Services. Gang Resistance Education And Training (GREAT) is an evidence-based and effective gang and violence prevention program built around school-based, law enforcement officer-instructed classroom curricula. The program is intended as an immunization against delinquency, youth violence, and gang membership for children in the years immediately before the prime ages for introduction into gangs and delinquent behavior. The goal of the GREAT Program is to help youth develop positive life skills that will help them avoid gang involvement, violent behavior and how to deal with bullying. GREAT uses a communitywide approach to combat the risk factors associated with youth involvement in gang-related behaviors. Outreach and Community Programming, coordinates and supports the provision of GREAT for county law enforcement. Efforts are supported throughout the county’s 38 municipalities, 139 elementary and middle schools, and numerous community centers.

Parks & Recreation. John Prince Golf Learning Center is a state-of-the art, comprehensive golf learning and practice facility. It showcases 55 hitting stations with two covered hitting areas, a lighted driving range with multiple target greens, a practice greenside bunker, three regulation practice holes (a par four and two par threes) and offers 16,000 square feet of practice putting and chipping greens.

Okeeeheelee Golf Course offers 27 holes of championship golf. Extensive practice facilities include a driving range, 30,000 square feet of putting green, chipping, pitching, and bunker practice areas.

Osprey Point Golf Course, the newest PBC golf course opened on November 6, 2010. The 27-hole golf course features “Environmental Turf Grass” (Seashore Paspalum) on greens, tees, and fairways, 2 practice putting greens, 2 practice chipping greens, and a full-length double-ended range.

Park Ridge Golf Course - By creating an 18-hole golf course on the closed Lantana Landfill, Palm Beach County and the Solid Waste Authority turned a useless piece of property into a popular community asset. The golf course, which was opened to the public in March of 2007, has received engineering and environmental awards, and topping 85 feet at its highest point it just may be the highest golf experience in the county.

Southwinds Golf Course offers an 18-hole championship course, driving range and full practice facilities, including a bunker and putting green. A new clubhouse with restaurant & bar opened in 2010.
Palm Beach County Golf is proud to participate in the Audubon Cooperative Sanctuary Program for golf courses (ACSP), and is committed to environmental stewardship. All five golf facilities have been certified. In addition to being great courses to play, these courses, through careful management, protect our drinking water, improve the water quality of our lakes, and support a variety of plants and wildlife. Osprey Point Golf Course has been designated as a certified Audubon International Classic Sanctuary. This is the first designation of this kind in the state of Florida, the second in the United States and the fifth in the world.

Court Administration. The primary function of the division is to research, design, and implement best practices relating to enhancing court processes and services for individuals within the court system with mental health and substance abuse issues. In addition to three probate and guardianship case managers, the division has two mental health case managers who track felony and juvenile competency cases to ensure that expert reports meet statutory requirements and are timely filed. This ensures that experts who contract to work with the Fifteenth Judicial Circuit will complete evaluations as accurately and timely as possible due to a “checks and balance” system. The case managers also monitor cases to ensure they are moving through the criminal justice system as expeditiously as possible.

The TDC oversees the marketing of Palm Beach County as a tourism destination and serves as an advisory group to the Board of County Commissioners in the area of tourism. The TDC works with four nonprofit agencies, Discover the Palm Beaches, the Cultural Council of Palm Beach County, the PBC Film and Television Commission, and the PBC Sports Commission, along with the PBC Environmental Resources Management’s Beaches and Shores program and the Palm Beach County Convention Center. Each of the agencies markets PBC as a tourism destination in their area of specialty both to increase visitation to the area and to attract programs, conventions and meetings, and events which in turn attract more visitation.

Tourist Development Tax 355-3547
Online only at www.pbctax.com.
Tourist Development Tax, or “Bed Tax,” is collected on any unit rented or leased for 6 months or less, as well as on licenses granted to rent or lease a unit for 6 months or less. Property owners must register and file a Tourist Development Tax return on the 20th of every month. For more information about Tourist Development Tax requirements or to file a return online, please visit www.pbctax.com/tdt.

Conservation of our Natural Treasures...
An Overview of County Government

Charter Government
The voter-approved Palm Beach County Home Rule Charter became effective in 1985. True home rule gives the Board of County Commissioners the ability to create, through a local public hearing ordinance procedure, local laws that are not in conflict with or specifically prohibited by state general law or the Florida Constitution. This process is done without having to go to the Florida Legislature to request special legislation to create these laws.

Legislative Branch
Palm Beach County is governed by the seven-member Board of County Commissioners (BCC). Board members are elected to staggered four-year terms by registered voters in the district in which the commissioners reside. Commissioners are sworn into office two weeks after being elected in the November general election and may not serve more than two consecutive four-year terms. The BCC elects a mayor to preside over commission meetings and serve as the ceremonial head of Palm Beach County government. A vice mayor is also selected to assume these duties in the absence of the mayor.

Your Commission
The Palm Beach County Charter and Chapter 125.01 of the Florida Statutes establish the specific duties and powers of the Board of County Commissioners. The BCC adopts ordinances (local laws) and resolutions to establish policies and programs aimed at protecting the health, safety and general welfare of Palm Beach County residents. The BCC works to resolve major problems facing local government and guides growth and development throughout the county to be consistent with the public interest. Following are some of the specific duties undertaken by the BCC:

- Provide law enforcement and fire-rescue protection and disaster relief services;
- Construct and maintain county-owned buildings, roads and bridges, and utility systems;
- Provide programs for housing, community redevelopment, land conservation, flood and beach erosion control, and air-pollution control;
- Adopt and enforce building and housing codes and regulations;
- Prepare, enforce and periodically review the Palm Beach County Comprehensive Plan for the development of unincorporated areas of the county;
- Construct and operate cultural, recreational and library facilities and programs.

In addition, the Board of County Commissioners may enter into agreements with other governmental agencies for joint performance of duties.

Commission Meetings
The BCC usually meets on the first and third Tuesdays of each month in the Jane M. Thompson Memorial Chambers located on the sixth floor of the Robert Weisman Palm Beach County Governmental Center, 301 North Olive Avenue, West Palm Beach. Workshops usually are held on the fourth Tuesday of each month. The BCC also sits as the Zoning Board, which usually meets on the fourth Thursday of the month. Additionally, the BCC serves as the Solid Waste Authority Governing Board, the Child Care Facilities Board, and the Environmental Control Hearing Board.

Public Comment
Citizens may offer comments on regular agenda items, items listed for public hearings and during Matters by the Public, which is usually held on the first Tuesday of the month. During Matters by the Public, citizens are welcome to address any issues under the jurisdiction of the board.

Anyone wishing to speak is requested to complete a comment card (available in the chambers) and give it to the Public Affairs assistant at the staff table to ensure their turn at the appropriate time. There is generally a three-minute time limit, but the mayor may reduce the allotted time if there are many people wishing to speak.

BCC meetings are business meetings and as such the board retains the right to limit discussion on any issue. Citizens should verify meeting schedules in advance by contacting the agenda coordinator at 355-3229 or by going to pbcgov.com and clicking on Agenda.

Administrative Branch
The BCC appoints a county administrator who is assigned the executive responsibilities and powers to implement the board's policies. Under the county administrator’s direction, more than 30 departments, divisions and offices provide residents with needed services and programs.

Advisory Boards, Committees and Councils
The BCC appoints residents to voluntarily serve on various advisory boards, commissions, committees and councils. Some of these advisory panels are required by state law; others are formed to address special needs and to help solve challenging issues. The Directory of Boards and Committees available at pbcgov.com provides details about each panel along with contact information.

Funding County Government
Palm Beach County’s financial operations are budgeted on a fiscal year that begins October 1. The Board of County Commissioners approves the operating budget and sets the property tax (millage) rate. Prior to the beginning of each fiscal year, a proposed budget is submitted by the county administrator, and two public hearings are held to obtain comments and feedback on the planned spending package. Once this budget review process is completed, the board advertises its intent to adopt the final budget along with a resolution to provide county government with operating and capital funds. Throughout the year, the BCC may review and amend the budget using this review process.

Accountability and Transparency
The Office of Inspector General (OIG) provides independent oversight of county operations and is authorized to conduct audits and investigations of and receive full and unrestricted access to the records of all county offices. The OIG promotes accountability, integrity and efficiency in county government by detecting misconduct involving abuse, corruption, fraud, waste and mismanagement by elected and appointed county officials and employees, county agencies, vendors, contractors, and other parties doing business with Palm Beach County and/or receiving county funds. The inspector general shall be notified in writing prior to any meeting of a selection committee where any matter relating to the procurement of goods or services by the county is to be discussed.

Ethics
The independent five-member Commission on Ethics (COE) receives and investigates complaints and is charged with enforcement of the Palm Beach County Code of Ethics, lobbyist registration and postemployment ordinances. The panel, chosen by various civic, educational and professional organizations within Palm Beach County, issues advisory opinions to county officials, employees and others subject to its jurisdiction, including county vendors, lobbyists and their employers. The COE seeks to foster integrity in public services and prevent conflicts between private interests and public duties. This is accomplished through ongoing educational programs and community outreach, offering clear and timely advice, and by enforcing conflict of interest and financial disclosure laws in a fair and impartial manner. In doing so, the COE is guided by the principles of fairness, clarity, and common sense. In November 2010, a majority of voters in each of the county’s 38 municipalities opted to have their locally elected municipal officials and employees fall under the jurisdiction of the Office of Inspector General and the Commission on Ethics.

Constitutional Officers/Judiciary
Constitutional officers and members of the Judiciary (judges) are the only Palm Beach County government officials other than county commissioners who are elected by voters. There are seven constitutional officers: the Clerk & Comptroller, Property Appraiser, Public Defender, Sheriff, State Attorney, Supervisor of Elections and Tax Collector. Each is elected to serve four-year terms, but unlike county commissioners, constitutional officers are elected countywide (at large) and are not subject to term limits. Constitutional officers establish the budgets for their offices independent of the operating budget set by the Board of County Commissioners. Although they operate independently, constitutional officers work in cooperation with the BCC in order to serve the public efficiently and cost effectively.
Independent Taxing Districts
There are a number of independent entities and special taxing districts in Palm Beach County whose assessments may appear on your tax bill. The Board of County Commissioners has no jurisdiction over these entities or their budgets. Examples include the Palm Beach County School District, the South Florida Water Management District, the Children’s Services Council, the Palm Beach County Health Care District, the Library District, the Port of Palm Beach District, and various improvement, water control, drainage and inlet districts. Local municipal governments also are empowered to impose their own ad valorem taxes over which the BCC has no jurisdiction.

Entertainment and Leisure
Palm Beach County offers a multitude of cultural attractions such as classical concerts, live theater, opera and ballet. Venues include the Delray Beach Playhouse, Watson B. Duncan Theater, Dolly Hand Cultural Arts Center, Florida Ballet and the Palm Beach Opera. The Raymond F. Kravis Center for the Performing Arts in West Palm Beach provides some of the finest professional cultural productions anywhere in South Florida, while the Perfect Vodka Amphitheatre draws big-name pop, rock and country performers. Major League spring training and minor league baseball games are played at Roger Dean Stadium in Jupiter and the Ballpark of the Palm Beaches in West Palm Beach. Four Major League teams train in Palm Beach County: the Miami Marlins and St. Louis Cardinals in Jupiter and the Houston Astros and Washington Nationals in West Palm Beach.

History buffs will enjoy touring the many museums and gardens located throughout Palm Beach County, including the:
- Bink Glisson Historical Museum

Hurricane Information

The Atlantic Hurricane Season runs from June 1 through November 30.

Storm Terms:

Hurricane: Formed when sustained winds in a system with cyclonic circulation reach 74 mph.

Tropical Storm: Formed when sustained winds reach 39 mph.

Tropical Depression: Formed when a tropical wave develops sustained winds up to 38 mph.

Tropical Disturbance, Tropical Wave, or Easterly Wave: This is a cluster of clouds and thunderstorms with no cyclonic circulation moving through the tropics.

Storm Surge: A wall of water or abnormal rise in sea level accompanying a hurricane or other intense storm.

A Hurricane Watch means hurricane conditions are a possible threat within 48 hours.

A Hurricane Warning means hurricane conditions are expected within 36 hours.

Saffir-Simpson Hurricane Categories:
Category 1: maximum sustained winds of 74-95 mph
Category 2: maximum sustained winds of 96-110 mph
Category 3: maximum sustained winds of 111-130 mph
Category 4: maximum sustained winds of 131-155 mph
Category 5: maximum sustained winds of 156+ mph

My Family Plan

Answer the following questions:
- Do I live in an Evacuation Zone?
- Have I made pre-evacuation arrangements for where I will go?
- Does my employer provide a special shelter for me and my family?
- Does a member of my family qualify for Special Needs Shelter? (Pre-registration required; call 712-6400.)
- How will I care for my pet during a hurricane?
- How do I protect my boat during a hurricane?

If I stay at home:
- Do I have window protection?
- Did I copy important papers and place them in a Ziploc bag in a waterproof, safe place?
- Have I identified a safe room in my house?
- Do I have a prepared hurricane survival kit?

What To Bring To A Hurricane Shelter

A hurricane evacuation shelter is a refuge of last resort; a place to go if you can't stay at home or with a relative, friend, or co-worker or nearby hotel. While shelters are set up in schools, the timing of their opening and locations can change due to the circumstances of the storm. Not all shelters are opened for every storm. Monitor local media for current shelter openings and locations.

Palm Beach County and Palm Beach County Schools manage public shelters. Shelters provide simple meals and beverages; if you have special dietary needs or want snacks, you must bring your own. Shelters provide basic first aid only; cots and medical care are not provided. You can't bring weapons, illegal drugs, or alcohol into shelters, but here is what you should bring:

- Three-day supply of water per person (i.e., three-gallons per person)
- Prescription medicines and emergency medications; you must be able to take all medications by yourself
- Special-diet foods (e.g., snacks and juices for those with dietary restrictions or allergies)
- Basic snacks
- Bedding materials (e.g., pillows, blankets, sleeping bags, cots, air mattresses, etc.) – cots will not be provided
- Comfortable clothing (at least two changes)
- Collapsible/folding beach chair or camp chair
- Baby food, formula, bottles, diapers, blankets, & clothes
- Flashlight, extra batteries
- Cellphone, with a battery-operated charger
- Radio with extra batteries and headphones
- Important documents (e.g., identification, medical records, insurance information, deeds or leases, birth certificates and utility bills showing your home address) – these documents are not required but will be helpful after an emergency
- Photocopies of valuable documents
- Eyeglasses, hearing aids, dentures
- Toiletries and personal hygiene items (e.g., washcloth and/or towelettes, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper, etc.)
- Quiet games, books, playing cards, favorite toys, or other items for entertainment
- Special items for family members who are elderly or disabled
- Chargers/cables for any electronic devices you bring with you – functional electric outlets are limited in shelters

You may want to put these supplies in a water tight storage bin(s) or large duffel bag for ease of movement.

Pets are not allowed in evacuation shelters (except service animals); pet shelters may be available (visit www.ReadyPBC.com for more information).
