**Purpose Areas**

The Improving Criminal Justice Responses Program includes 22 purpose areas. For the convenience of applicants, the following categories illustrate the types of activities that fall within these purpose areas:

2. Targeted responses to sexual assault, including sexual assault response teams (SARTs), evidence collection and testing, and specialized policies, protocols, and training (see purpose areas 11, 13, 17, 18, 19, 20, and 21).
3. Coordinated community responses, including multidisciplinary teams, comprehensive victim services and support centers (co-located services), and interdisciplinary policy development (see purpose areas 4, 5, 8, 10, 11, 15, 16, 19, 21, and 22).
4. Enhanced prosecution responses, including centralized units, specialized training, and policy and protocol development (see purpose areas 3, 4, 7, 8, 9, 11, 14, 15, and 19).

8. To develop or strengthen policies and training for police, prosecutors, and the judiciary in recognizing, investigating, and prosecuting instances of domestic violence, dating violence, sexual assault, and stalking against older individuals (as defined in section 3002 of title 42) and individuals with disabilities (as defined in section 12102(2) of title 42).

9. To develop state, tribal, territorial, or local policies, procedures, and protocols for preventing dual arrests and prosecution in cases of domestic violence, dating violence, sexual assault, and stalking, and to develop effective methods for identifying the pattern and history of abuse that indicates which party is the actual perpetrator of abuse.

10. To plan, develop and establish comprehensive victim service and support centers, such as family justice centers, designed to bring together victim advocates from victim service providers, staff from population specific organizations, law enforcement officers, prosecutors, probation officers, governmental victim assistants, forensic medical professionals, civil legal attorneys, chaplains, legal advocates, representatives from community-based organizations and other relevant public or private agencies or organizations into one centralized location, in order to improve safety, access to services, and confidentiality for victims and families. Although funds may be used to support the colocation of project partners under this paragraph, funds may not support construction or major renovation expenses or activities that fall outside of the scope of the other statutory purpose areas.

11. To develop and implement policies and training for police, prosecutors, probation and parole officers, and the judiciary in recognizing, investigating, and prosecuting instances of sexual assault, with an emphasis on recognizing the threat to the community for repeat crime perpetration by such individuals.

12. To develop, enhance, and maintain protection order registries.

13. To develop human immunodeficiency virus (HIV) testing programs for sexual assault perpetrators and notification and counseling protocols.

14. To develop and implement training programs for prosecutors and other prosecution-related personnel regarding best practices to ensure offender accountability, victim safety, and victim consultation in cases involving domestic violence, dating violence, sexual assault, and stalking.
15. To develop or strengthen policies, protocols, and training for law enforcement, prosecutors, and the judiciary in recognizing, investigating, and prosecuting instances of domestic violence, dating violence, sexual assault, and stalking against immigrant victims, including the appropriate use of applications for nonimmigrant status under subparagraphs (T) and (U) of section 1101(a)(15) of title 8.

18. To develop, implement, or enhance Sexual Assault Response Teams or similar coordinated community responses to sexual assault.

19. To develop and strengthen policies, protocols, and training for law enforcement officers and prosecutors regarding the investigation and prosecution of sexual assault cases and the appropriate treatment of victims.

20. To provide human immunodeficiency virus testing programs, counseling, and prophylaxis for victims of sexual assault.

   b. identifying and managing high-risk offenders.
   c. providing ongoing victim advocacy and referrals to comprehensive services including legal, housing, health care, and economic assistance.

Because the majority of the statutory purpose areas listed above include functions and/or activities that are inherently governmental, coalitions and victim service providers applying as the lead applicant may seek funding to address only purpose areas 5, 10, and 17 above.

Note: In an effort to distribute funds across the country, applicants applying to address purpose area 10, to establish a new family justice center or to co-locate services, will be given priority over applicants that have been funded two or more times. Beginning in FY 2020, OVW is limiting funding under this purpose area to two funding cycles. This means that FY 2020 will be the final funding opportunity for continuation applicants to purpose area 10 that have received one or more awards to address purpose area 10 previously.

Given the intensive nature of implementing purpose area 22, the only purpose areas that can be combined with it are purpose areas 3 and 16.
OVW Priority Areas
In FY 2020, OVW is interested in supporting one or more of the priority areas identified below. Applications proposing activities in one or more of the following areas will be given special consideration or receive additional points as detailed below.

1. Reduce violent crime against women and promote victim safety through investing in law enforcement and increasing prosecution.

OVW will give special consideration to applications that meaningfully address one or more of the following statutory purpose areas: 1 (proarrest programs and policies), 3 (specialized units), 6 (improving judicial handling of cases), 8 (developing policies and trainings for working with older individuals and individuals with disabilities), 10 (co-located services/FJC), 11 (developing policies and training for recognizing, investigating or prosecuting instances of sexual assault), 14 (training for prosecutors), 19 (improving investigation or prosecution of sexual assault cases), and/or 22 (reducing domestic and dating violence homicides).

To demonstrate that an application meaningfully addresses purpose areas 1, 3, 6, 8, 10, 11, 14, 19, and/or 22, no less than 50 percent of proposed goals, objectives, activities, and budget must support law enforcement, prosecution, and/or court entities. Funding can support salaries, fringe benefits, officer overtime, supplies, equipment, training, and travel costs. Applications that meet these requirements will receive a 10-point addition during the recommendation process.

2. Address the specific challenges that rural communities face in responding to domestic violence, dating violence, sexual assault, and stalking.

OVW will give special consideration to applications proposing activities in rural communities that seek to improve the investigation and prosecution of domestic violence, dating violence, sexual assault, and stalking by supporting law enforcement, prosecution, and victim services. Applications must clearly identify how project activities will address specific challenges in rural communities.

Program-Specific Priority Area
Pursuant to 34 U.S.C. § 10461(g), no less than 25 percent of the total amount appropriated for the ICJR Program “shall be available for projects that address sexual assault, including stranger rape, acquaintance rape, alcohol or drug facilitated rape, and rape within the context of an intimate partner relationship.”

OVW will give priority to applications that meaningfully address sexual assault. To qualify for this priority, the application must address purpose areas 11 (developing policies and training for recognizing, investigating or prosecuting instances of sexual assault) and 19 (improving investigation or prosecution of sexual assault cases) and may also address purpose areas 3 (specialized units), 17 (developing a SANE/SAFE program), and/or 18 (developing a SART).

Statutory Priority
Pursuant to 34 U.S.C. § 10462(b), when making Improving Criminal Justice Responses Program awards, OVW must give priority to applicants that:
• Do not currently provide for centralized handling of cases involving domestic violence, dating violence, sexual assault, or stalking by police, prosecutors, and courts;
• Demonstrate a commitment to strong enforcement of laws, and prosecution or cases, involving domestic violence, dating violence, sexual assault, or stalking, including the enforcement of protection orders from other states and jurisdictions, including tribal jurisdictions;
• Have established cooperative agreements or can demonstrate effective ongoing collaborative arrangements with neighboring jurisdictions to facilitate the enforcement of protection orders from other states and jurisdictions, including tribal jurisdictions; and
• Intend to utilize grant funds to develop and install data collection and communication systems, including computerized systems, and training on how to use these systems effectively to link police, prosecutors, courts, and tribal jurisdictions for the purpose of identifying and tracking protection orders and violations of protection orders, in those jurisdictions where such systems do not exist or are not fully effective.

In FY 2020, applications submitted by states, Indian tribal governments, state and local courts (including juvenile courts), and units of local government addressing one or more statutory priority(ies) above will receive one additional point during the recommendation process.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability
OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration entirely. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the Solicitation Companion Guide.

Out-of-Scope Activities
The activities listed below are out of the program scope, and they will not be supported by this program’s funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. **Research projects.** (This does not include assessments conducted only for internal improvement purposes (up to three percent of the award). For information on distinguishing between research and assessments, see the heading on this topic in the Funding Restrictions section of this solicitation and the Solicitation Companion Guide.)
2. **Direct legal representation.** Grant funds may only be used to provide legal representation to victims of domestic violence, dating violence, sexual assault, and stalking in the limited context of protection order proceedings.
3. **Family Law.** Grant funds may not be used for family law matters including, but not limited to, divorce, custody, visitation, and/or child support.
4. **Prevention activities.** Grant funds may not be used for prevention activities. Grantees are only permitted to engage in outreach activities to inform potential victims about the availability of services.
5. **Family violence services.** Grant funds may not be used to address child abuse or other family violence issues, such as violence perpetrated by a child against a parent or violence perpetrated by a sibling against another sibling.
6. **Services for children.** Grant funds may not be used to investigate or prosecute child physical or sexual abuse cases. Grant funds may be used to investigate, prosecute, and provide services in cases involving victims age 11 and older. Grant funds may be used to provide direct services to individuals 10 and under only where such services are an ancillary part of providing services to the individual’s parent who is a victim of domestic violence, dating violence, sexual assault, or stalking (such as providing child care services while the parent-victim receives services).

7. **Sex offender registry.** Grant funds may not be used to create sex offender registries.

Applications that propose activities that are deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration entirely.

**Activities Requiring Prior Approval**

Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the Solicitation Companion Guide for more information).

**B. Federal Award Information**

**Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2020 funding, depending on the merits of the applications and the availability of funding.

**Award Period and Amounts**

Applicants proposing to address **purpose areas 1-21**: The award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. OVW anticipates the award period will start on October 1, 2020.

Applicants proposing to address **purpose area 22**: The award period is 48 months. Budgets must reflect 48 months of project activity, and the total “estimated funding” on the SF-424 must reflect 48 months. OVW anticipates the award period will start on October 1, 2020.

OVW estimates that it will make up to 45 awards for an estimated $30,000,000. No more than 25% of available funding will be awarded for applications where the lead applicant is a victim service provider or coalition.

**Funding levels under this program for FY 2020 are:**

1. For applicants addressing purpose areas 1-21:
   - $500,000 for projects with a service area population of up to 400,000.
   - $750,000 for projects with a service area population of 400,001 to 700,000.
   - $1,000,000 for projects with a service area population of 700,001 and above.
   - $1,000,000 for statewide projects, regardless of service area population.
2. For applicants addressing purpose area 22:
   - $750,000 for projects with a service area population of up to 400,000.
   - $1,000,000 for projects with a service area population of 400,001 to 700,000.
   - $1,250,000 for projects with a service area population of 700,001 and above.
   - $1,250,000 for statewide projects, regardless of service area population.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Awards will be made as grants.

Types of Applications
In FY 2020, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under this program or whose previous Improving Criminal Justice Responses funding expired more than 12 months ago.

Continuation: Applicants that have an existing or recently closed (within the last 12 months) award under this program. Continuation funding is not guaranteed.

Recipients of an FY 2018 or FY 2019 award under this program are NOT eligible to apply as the lead applicant on an FY 2020 proposal.

Note: OVW will not fund the same entity, as either a lead recipient or partner/subrecipient, on more than two discretionary awards in FY 2020, absent extenuating circumstances. This award limit applies across all OVW programs but does not include awards made for nationwide projects, such as those made under OVW’s Training and Technical Assistance Initiative.

Additionally, current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2020 without adequate justification may not be considered for funding, or may receive a reduced award amount if selected for funding in FY 2020.

Mandatory Program Requirements
Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored training and technical assistance.
2. An OVW-sponsored assessment or program evaluation, if applicable.
3. New grantee orientation (unless exempted by OVW).
4. Recipients addressing purpose area 22: engage in a 12-month planning phase before implementing project activities. During the 12-month planning phase, recipients will work with OVW and the Improving Criminal Justice Responses Technical Assistance providers to conduct a community assessment that will inform which domestic violence risk or lethality tool is most appropriate for the service area. At the end of the planning phase, the grantee will submit a 36-month implementation plan. OVW must approve the implementation plan prior to the start of phase two activities.
5. Submit HIV certification documentation as detailed below.
Pursuant to 34 U.S.C. § 10461(d), states and units of local government that receive Improving Criminal Justice Responses Program funding shall not be entitled to 5 percent of their total award unless the state or unit of local government:

1. certifies that it has a law, policy, or regulation that requires –
   a. the state or unit of local government at the request of a victim to administer to a defendant, against whom an information or indictment is presented for a crime in which by force or threat of force the perpetrator compels the victim to engage in sexual activity, testing for the immunodeficiency virus (HIV) not later than 48 hours after the date on which the information or indictment is presented and the defendant is in custody or has been served with the information or indictment;
   b. as soon as practicable notification to the victim, or parent and guardian of the victim, and the defendant of the testing results; and
   c. follow-up tests for HIV as may be medically appropriate, and that as soon as practicable after each such test the results be made available in accordance with b; or
2. gives the Attorney General assurance that its laws and regulations will be in compliance with requirements of paragraph (1) within the period ending on the date on which the next session of the state legislature ends.

All state and local government applicants must submit either a certification that they are in compliance with the above requirement along with a copy of the relevant law, regulation, or policy, or an assurance attesting that the applicant will meet the requirement by the end of the next legislative session from the date of application. The certification or assurance must be in the form of a letter, on government letterhead, signed and dated by the authorized representative. A special condition withholding five percent of funds will be added to all awards to states and units of local governments that submit assurances or do not provide a compliant law, regulation, or policy with the certification.

Pursuant to 28 U.S.C. § 90.64, in the event that a unit of local government does not have authority to prosecute “crime[s] in which by force or threat of force the perpetrator compels the victim to engage in sexual activity[,]” the unit of local government may submit a letter from an appropriate legal authority in the jurisdiction certifying that the jurisdiction does not have authority to prosecute “crime[s] in which by force or threat of force the perpetrator compels the victim to engage in sexual activity” and that therefore the certification is not relevant to the unit of local government in question.

The signed HIV Certification, HIV Assurance, or HIV Exemption letter must be uploaded as a separate attachment in Grants.gov.

Cost Sharing or Matching
This program has no match or cost sharing requirement.

Other Program Eligibility Requirements
In addition to meeting the eligible entity requirements outlined above, applicants for this program must also meet the following requirements:

1. Certification of Eligibility.
2. Required Partnership.

The certification of eligibility must take the form of a letter, on government letterhead, signed and dated by the chief executive officer\(^7\) of the state, Indian tribal government, unit of local government, or court. Failure to provide a certification of eligibility letter will disqualify an application from further consideration. The signed certification of eligibility letter must be uploaded as a separate attachment in Grants.gov. Sample certification of eligibility letters can be found on the OVW website at https://www.justice.gov/ovw/resources-applicants.

Certification of Eligibility
Under 34 U.S.C. § 10461(c):

1. State, Unit of Local Government, and Tribal Government Applicants must:
   a. certify that their laws or official policies:

e. certify that, their laws, policies, or practices will ensure that –
i. no law enforcement officer, prosecuting officer or other government official shall ask or require an adult, youth, or child victim of a sex offense as defined under federal, tribal, state, territorial, or local law to submit to a polygraph examination or other truth telling device as a condition for proceeding with the investigation of, trial of, or sentencing for such an offense; and
ii. the refusal of a victim to submit to an examination described in clause (i) shall not prevent the investigation of, trial of, or sentencing for the offense.

2. **Court Applicants** must certify that:
   a. their laws, policies, or practices prohibit issuance of mutual restraining orders of protection except in cases where both parties file a claim and the court makes detailed findings of fact indicating that both parties acted primarily as aggressors and that neither party acted primarily in self-defense;

3. **Coalition and Victim Service Provider Applicants**
Coalition and victim service provider applicants must partner with a state, Indian tribal government, or unit of local government, and must submit with their application a Certification of Eligibility as described above signed by the chief executive officer of the government partner on government agency letterhead. A coalition or victim service provider applicant with only a court partner is not eligible and therefore cannot submit a Certification of Eligibility from a court partner.
Required Partnerships
All applications to the Improving Criminal Justice Responses Program must include formal partnerships as described below based on lead applicant type. Applicants that fail to include the mandatory partner will be removed from further consideration.

- **State, Indian Tribal Government, Unit of Local Government and Court Applicants:** Applicants that are states, units of local governments, tribal governments, or courts are required to enter into a formal partnership with: 1) one or more victim service provider(s) that have a documented history of serving victims of domestic violence, dating violence, sexual assault, and/or stalking, and 2) other governmental organizations that are necessary for the implementation of the proposed project. A victim service provider must be involved in the development and implementation of the project. Victim service provider partners must provide direct services to victims of domestic violence, dating violence, sexual assault, or stalking as one of their primary purposes and have a demonstrated history of effective work in this field.

- **Coalition or Victim Service Provider Applicants:** Lead applicants that are victim service providers, including coalitions, are required to enter into a formal partnership with: 1) a state, Indian tribal government, unit of local government, or court appropriate to the service area, and 2) any specific governmental organizations that are necessary for the implementation of the proposed project. All partners must be involved in the development and implementation of the project.

All formal partnerships must be documented in the form of a Memorandum of Understanding (MOU) or Letter(s) of Commitment (LOC). LOC(s) can only be submitted in place of an MOU when the lead applicant is a court and the court is precluded from entering into an MOU. In that situation, the court applicant may submit an LOC in lieu of an MOU, stating how the court is precluded from entering into an MOU, and the project partners may also submit LOCs in lieu of an MOU. See “Memorandum of Understanding” section for additional information on MOU requirements.

**Limit on Number of Applications**
OVW will consider only one application per organization for the same service area. In addition, if an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

Applicants must not summarize past accomplishments in this section. The Proposal Abstract must be uploaded as a separate attachment in Grants.gov.

Project Narrative (65 Points Total)
The Project Narrative may not exceed 20 pages, double-spaced. The Project Narrative must include the following 3 sections:

Budget Detail Worksheet and Narrative (15 Points)

All applications must include a detailed budget and budget narrative. See the sample Budget Detail Worksheet and the Creating a Budget webinar available on the OVW website at https://www.justice.gov/ovw/resources-applicants. Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

Budgets for applications proposing to address purpose areas 1-21 should cover a project period of 36 months, or three years, starting on October 1, 2020 and ending on September 30, 2023. Budget requests must not exceed:

- $500,000 for projects with a service area population up to 400,000.
- $750,000 for projects with a service area population 400,001 to 700,000.
- $1,000,000 for projects with a service area population 700,001 and above.
- $1,000,000 for statewide projects, regardless of service area population.
Budgets for applications proposing to address purpose area 22 should cover a project period of 48 months, or four years, starting on October 1, 2020 and ending on September 30, 2024. Budget requests must not exceed:

- $750,000 for projects with a service area population up to 400,000.
- $1,000,000 for projects with a service area population 400,001 to 700,000.
- $1,250,000 for projects with a service area population 700,001 and above.
- $1,250,000 for statewide projects, regardless of service area population.

The budget and budget narrative will be reviewed separately from the proposed project narrative. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget must not contain items that are not supported by the project narrative.
2. Include funds to attend OVW-sponsored training and technical assistance in the amount of $10,000 for applicants located in the 48 contiguous states and $15,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 to 48 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
3. Include funds for project partners to attend OVW-sponsored training and technical assistance in the amount of $10,000 for applicants located in the 48 contiguous states and $15,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 to 48 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
4. Include funds or describe other resources available to the applicant to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See Accessibility under Federal Award Administration Information for more information.
5. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU/LOC(s). For more information on compensating project partners, see the sample Budget Detail Worksheet on the OVW website at https://www.justice.gov/ovw/resources-applicants.
6. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient’s documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.331, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the...

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the DOJ Financial Guide, which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, go to the Funding Restrictions section of this solicitation and the sample Budget Detail Worksheet on the OVW website at https://www.justice.gov/ovw/resources-applicants.

Memorandum of Understanding (MOU) (15 Points Total)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.331). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship.
2. State the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being fully compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
4. Demonstrate a meaningful partnership among all signing parties.
5. Identify which project partners would receive funds if awarded.
6. Specify the extent of each partner’s participation in developing the application.
7. Identify the people who will be responsible for developing and implementing project activities and describe how they will work together and with project staff.
8. Demonstrate the commitment of each project partner to work together to achieve stated project goals.
9. Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training).
10. State that any partners identified in the budget are able to receive funds from the lead applicant.

If a court is unable to enter into an MOU, the court may submit an LOC in lieu of entering into an MOU as described below.
• If the court is the lead applicant and unable to enter into an MOU, all project partners should submit LOCs and no MOU is required.
• If the court is a project partner and unable to enter into an MOU, the lead applicant must submit an MOU signed by the applicant and any other non-court partners and an LOC signed by the court partner.

**Note:** LOCs submitted in lieu of an MOU under circumstances other than those defined above will not be accepted.

Each LOC must:

1. Be printed on official letterhead signed by the appropriate official.
2. Clearly identify the name of the organization and provide a brief description of the collaborative relationship with the applicant.
3. Highlight the expertise of the individual or organization’s staff who will be affiliated with this project.
4. Clearly state the roles and responsibilities the organization or agency would assume to ensure the success of the proposed project.
5. Demonstrate a commitment to work with the applicant and its partners to achieve the stated project goals.
6. Clearly state that the organization has reviewed the budget and is aware of the total amount being requested and the funding being requested for each project partner.
7. Specify the extent of the agency or organization’s participation in developing the application.
8. State how the court is precluded from entering into an MOU.
9. Describe the resources that would be contributed to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training).

**Additional Required Information**

The following documents will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some documents will be generated during the application submission process while other documents will be uploaded and attached to the application.

*The following documents will be generated and completed during the application submission process:*

**Application for Federal Assistance (SF-424)**

Applicants must complete the SF-424. The SF-424 is generated when the applicant begins the submission process. For “Type of Applicant,” do not select “other.” The amount of federal funding requested in the “Estimated Funding” section of this form must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for the Applicant line should be zero. The individual who is listed as “Authorized Representative” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

*Intergovernmental Review:* This solicitation (“funding opportunity”) is subject to Executive Order (E.O.) 12372. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) at the following website: [https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_Review_SPOC_01_2018_OFFM.pdf](https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_Review_SPOC_01_2018_OFFM.pdf). If the state
appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state’s process under E.O. 12372. In completing the SF-424, an applicant whose state appears on the SPOC list is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. (An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the response that the “Program is subject to E.O. 12372 but has not been selected by the state for review.”)

Assurances and Disclosure of Lobbying Activities
Review the assurances and disclosure forms online. Applicants will be prompted to compile these forms online during the application submission process. All applicants must complete both the Assurances – Non-Construction Programs (SF-424B) form and the Disclosure of Lobbying Activities (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

The following documents must be uploaded and attached separately to the application:

Applicant Financial Capability Questionnaire (if applicable)
All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire. In addition, applicants may be required to submit their current year’s audit report at a later time. The questionnaire can be found at https://www.justice.gov/ovw/file/866126/download.

Confidentiality Notice Form
All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must submit the acknowledgement form available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf. This form must be signed by the Authorized Representative.

Disclosure of Process Related to Executive Compensation (if applicable)
An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization’s managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization’s compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to
determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(16)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website at https://www.justice.gov/ovw/resources-applicants.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Pre-Award Risk Assessment
Each applicant must respond to the questions below. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item. This section of the application should be no more than four pages.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant’s policies and procedures that ensure funds will be tracked appropriately.

2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant’s policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.

3. Is the applicant’s financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization’s process for tracking expenditures, including tracking budgeted versus actual amounts.

4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant’s policy for requesting payments for grant awards.

5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant’s
internal controls that will provide reasonable assurance that the award funds will be managed properly.

6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. §§ 200.333-200.337.

7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. § 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.

8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual’s qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. §§ 200.330-200.332)? Provide a brief description of the organization’s policies and procedures on subrecipient management and monitoring.

10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees’ salaries among federal awards or other activities (2 C.F.R. § 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization’s established timekeeping policies and procedures.

Indirect Cost Rate Agreement (if applicable)
Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally-approved indirect cost rate agreement. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than $35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Letter of Nonsupplanting
Applicants must submit a letter to OVW’s Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available at https://www.justice.gov/ovw/resources-applicants.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)
As noted under Eligible Applicants, an entity that is eligible for the Improving Criminal Justice Responses Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from
taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

**Unique Entity Identifier (DUNS Number), System for Award Management (SAM), and Grants.gov Registration**

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) number to submit an application. A DUNS number is a unique, nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS number should be available within two business days.

Federal regulations require that an applicant (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with these requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant. See 2 C.F.R. §§ 25.200, 25.205.

SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited. OVW strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes. To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have obtained a DUNS number and registered online with the SAM and with Grants.gov no later than January 10, 2020.

**Submission Dates and Times**

It is the applicant’s responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

**Failure to begin the registration or application submission by the deadlines stated in the chart below is not an acceptable reason for late submission.**

The AOR should receive a minimum of two emails from [Grants.gov](https://www.grants.gov). One will confirm receipt of the application package. The other will contain either a notice that the application was successfully submitted or a notice that there was an error with the application submission.

OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the applicant’s responsibility to notify OVW of any problems with the application submission process.

**OVW Policy on Late Submissions**

Applications submitted after **11:59 p.m. E.T.** on January 27, 2020 will not be considered for funding, unless the applicant receives OVW permission to submit a late application. In limited circumstances, OVW will approve a request to submit an application after the due date. The charts below provide a description of the circumstances under which OVW will consider such requests. Approval of a late submission request is not an indication of the application’s final
disposition. Applications approved for late submission are still subject to all of the review process and criteria described in this solicitation.

To ensure fairness for all applicants, OVW requires that applicants requesting late submission adhere to the following:

2. Maintain documentation of when registration began, any issues related to registration, and all communication with technical support.  
3. Notify OVW as soon as the applicant becomes aware of a problem with registration but no later than 14 days before the application due date. | Failure to begin the SAM or Grants.gov registration process in sufficient time (i.e., by the date identified in this solicitation) is not an acceptable reason for late submission. |
| Unforeseeable Technical Difficulties During the Application Submission Process | 1. Contact Grants.gov for technical support at least 24 hours prior to the application deadline.  
2. Maintain documentation of all communication with Grants.gov Applicant Support.  
3. Prior to the application deadline, contact the POC for this program, via email at OVW.ICJR@usdoj.gov indicating that the applicant is experiencing technical difficulties and would like permission to submit a late application. The email must include the following:  
   - A detailed description of the difficulty that the applicant is experiencing.  
   - The contact information (name, telephone, and email) for the individual making the late submission request.  
   - The complete application packet (Project Narrative, Budget and Budget Narrative, MOU, and Certification of Eligibility letter.  
4. Within 24 hours after the application deadline, the applicant must email the POC for this program at OVW.ICJR@usdoj.gov the following information:  
   - Applicant’s DUNS number.  
   - Grants.gov Applicant Support Line tracking numbers.  
   - Other relevant documentation.                                                                 | Common foreseeable technical difficulties for which OVW will not approve a late submission request include:  
   a. Using an outdated version of Adobe Acrobat.  
   b. Attachment rejection. (To ensure that attachments are not rejected, attachment names should only include allowable characters. See “Other Submission Requirements”).  
Through Grants.gov, OVW can confirm when submission began. Applicants that start the submission process less than 24 hours before the deadline will not be considered for late submission. By beginning the application submission
process 24-48 hours before the deadline, applicants should have sufficient time to receive notice of problems with their submissions and make necessary corrections.

<td>1. Contact the POC for this program at <a href="mailto:OVW.ICJR@usdoj.gov">OVW.ICJR@usdoj.gov</a> as soon as the applicant is aware of severe weather or a natural or manmade disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or manmade disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners’ ability to submit the application by the deadline (e.g., without power for “x” days, office closed for “x” days). If the application is complete and ready for submission at the time the applicant notifies the POC, it should be included with the email. 2. Submission of the required documents to the POC is not an approval of a late application submission request. OVW will review the information provided, consider the request, and inform the applicant of its decision within 30 days of the request.

**Funding Restrictions**
The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

**Unallowable Costs**
The costs associated with the activities listed below are unallowable and must not be included in applicants’ budgets.

1. Lobbying except with explicit statutory authorization.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.
Food and Beverage/Costs for Refreshments and Meals
Generally, food and beverage costs are not allowable. OVW may approve the use of grant funds to provide a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant’s budget narrative, and grantees may only use funds to purchase food and/or beverages if OVW approves the specific expenditures in advance. For additional information on restrictions on food and beverage expenditures go to https://www.justice.gov/ovw/conference-planning.

Conference Planning and Expenditure Limitations
Applicants’ budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at https://www.justice.gov/ovw/conference-planning. This includes requirements pertaining to:

2. Cost of Programmatic Conference Planning.
4. Prohibition on Trinkets at Conferences.
5. Prohibition on Entertainment at Conferences.
6. Food and Beverages at Conferences.
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences.
8. Conference Reporting.

Research and Assessments
Grantees under this program are prohibited from using OVW funds to conduct research, which is defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out of scope.

However, grantees may use funds (up to three percent of the award) to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community, or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as
human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

Pre-Agreement Cost Approval
OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the DOJ Financial Guide for more information on pre-award costs.

Other Submission Requirements
As discussed in the Submission Dates and Times section above, applications must be submitted electronically via Grants.gov. Applicants that are unable to submit electronically must follow the instructions in that section.

After applicants obtain their DUNS number and register with SAM, they can begin the Grants.gov registration process. The applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with Grants.gov. The E-Biz POC oversees the applicant’s Grants.gov transactions and assigns the AOR. The AOR submits the application to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for the applicant. Complete instructions can be found at Grants.gov.

This registration process generally takes between three and five business days and may take as long as four weeks if all steps are not completed in a timely manner. The application process can move forward once the applicant successfully registers with Grants.gov. Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the Grants.gov Applicant Support Line at 1-(800)-518-4726.

Note: Grants.gov limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. Grants.gov is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Submitting a Grant Application
In 2017, Grants.gov updated its application tool. The legacy PDF application package was phased out and retired as of December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. Applicants should familiarize themselves with the Workspace format. For complete information and instructions on using Workspace (and other
changes), go to the Workspace Overview page at https://www.grants.gov/web/grants/applicants/workspace-overview.html.

Grants.gov Applicant Support Line can be reached at 1-(800)-518-4726 and is available 24/7, except federal holidays.

E. Application Review Information

Criteria
Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element must be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Improving Criminal Justice Responses Program, scoring will be as follows:

1. Summary data sheet: (5) points.
2. Proposal abstract: (5) points.
3. Project narrative: (60) points, of which:
   A. Purpose of the project: (10) points.
   B. What will be done: (40) points.
   C. Who will implement: (10) points.
4. Budget detail worksheet and narrative: (15) points.
5. MOU (and/or Letters of Commitment): (15) points.
6. OVW Priority Area: (10) points.
7. Improving Criminal Justice Responses Program Statutory Priority: (1) point.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process
Applications will be subject to a peer review and a programmatic review.

Peer Review
OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review
All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program’s scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to add 10 points to applications meaningfully addressing the OVW priority area to “reduce violent crime against women and promote victim safety through investing in law enforcement and increasing prosecution.” OVW reserves the right to add 1 point to applications submitted by states, Indian tribal governments, state and local courts (including juvenile courts), and units of local government addressing one or more of the...
statutory priority(ies). OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 10 points).
2. Out-of-scope and unallowable activities (deduct up to 10 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application’s peer review score.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas.
3. Adherence to all special conditions of existing grant award(s) from OVW.
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports.
5. Completion of close-out of prior awards in a timely manner.
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award.
7. Receipt of financial clearances on all current or recent grants from OVW.
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit.
9. Adherence to the Office of Management and Budget single-audit requirement.
10. Timely expenditure of grant funds.
11. Adherence to the requirements of the DOJ Financial Guide.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM (currently FAPIIS). Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant’s comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.205.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.
High-Risk Grantees
Based on DOJ’s assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated “high risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates
It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2020.

F. Federal Award Administration Information

Federal Award Notices
Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not Grants.gov). This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the Authorized Representative, scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.

Administrative and National Policy Requirements
Information for All Federal Award Recipients
Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the Solicitation Companion Guide entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available at https://www.justice.gov/ovw/award-conditions. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision
The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility
Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these
programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the Solicitation Companion Guide under “Civil Rights Compliance.”

**Reporting**

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

**G. Federal Awarding Agency Contact(s)**

For assistance with the requirements of this solicitation, contact the following: for programmatic questions, contact the POC for this program at (202)-307-6026 or OVW.ICJR@usdoj.gov, for financial questions, contact 1-(888)-514-8556 or OVW.GFMD@usdoj.gov, and for technical support, contact 1-(800)-518-4726 for the Grants.gov Applicant Support Line.

**H. Other Information**

**Application Checklist**

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant’s responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

**Public Reporting Burden - Paperwork Reduction Act Notice**
Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

CONTRACT FOR

This Contract is made as of the _______________ day of ______________, 20___, by and between Palm Beach County, a Political Subdivision of the State of Florida, by and through its Board of Commissioners, hereinafter referred to as the COUNTY, and ____________,
a ________________, authorized to do business in the State of Florida, hereinafter referred to as the ENTITY (including but not limited to consultant, vendor, contractor, sub-recipient), whose Federal I.D. is_______________________.

In consideration of the mutual promises contained herein, the COUNTY and the ENTITY agree as follows:

ARTICLE 1 - SERVICES

The ENTITY’S responsibility under this Contract is to provide ________________, as more specifically set forth in the Scope of Work detailed in Exhibit "A".

The COUNTY’S representative/liaison during the performance of this Contract shall be ________________, telephone no. ___________________.

The ENTITY’S representative/liaison during the performance of this Contract shall be ________________, telephone no. ___________________.

ARTICLE 2 - SCHEDULE

The ENTITY shall commence services on _______________ and complete all services by _______________. The Parties agree that the ENTITY will be entitled to payment for services rendered beginning on _______________, notwithstanding the date the contract is executed by the Board of County Commissioners.

Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Exhibit "A".

ARTICLE 3 - PAYMENTS TO ENTITY

A. The total amount to be paid by the COUNTY under this Contract for all services and materials including, if applicable, "out of pocket" expenses (specified in paragraph C below) shall not exceed a total contract amount of
Dollars ($__________). The ENTITY shall notify the COUNTY’s representative in writing when 90% of the "not to exceed amount" has been reached. The ENTITY will bill the COUNTY on a monthly basis, or as otherwise provided, at the amounts set forth in Exhibit "B" for services rendered toward the completion of the Scope of Work. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date.

B. Invoices received from the ENTITY pursuant to this Contract will be reviewed and approved by the COUNTY’s representative, to verify that services have been rendered in conformity with the Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative's approval.

C. "Out-of-pocket" expenses will be reimbursed up to an amount not to exceed Dollars ($_______), and in accordance with the list of the types and amounts of expenditures eligible for reimbursement as set forth in Exhibit "B". All requests for payment of "out-of-pocket" expenses eligible for reimbursement under the terms of this Contract shall include copies of paid receipts, invoices, or other documentation acceptable to the Palm Beach County Finance Department. Such documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance of the Scope of Work described in this Contract. Any travel, per diem, mileage, meals, or lodging expenses which may be reimbursable under the terms of this Contract will be paid in accordance with the rates and conditions set forth in Section ll2.06i, Florida Statutes.

D. Final Invoice: In order for both parties herein to close their books and records, the ENTITY will clearly state "final invoice" on the ENTITY’S final/last billing to the COUNTY. This shall constitute ENTITY’S certification that all services have been properly performed and all charges and costs have been invoiced to Palm Beach County. Any other charges not properly included on this final invoice are waived by the ENTITY.

E. In order to do business with Palm Beach County, ENTITY’S are required to create a Vendor Registration Account OR activate an existing Vendor Registration Account through the Purchasing Department’s Vendor Self Service (VSS) system, which can be accessed at https://pbc.vssp.co.palm-beach.fl.us/webapp/vssp/AltSelfService. If ENTITY intends to use subcontractors, ENTITY must also ensure that all sub-contractors are registered as subcontractors in VSS. All subcontractor agreements must include a contractual provision requiring that the subcontractor register in VSS. COUNTY will not finalize a contract award until the COUNTY has verified that the ENTITY and all of its sub-contractors are registered in VSS.

**ARTICLE 4 - TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the ENTITY shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the ENTITY’S most favored customer for the same or
substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside ENTITY’S. The COUNTY shall exercise its rights under this Article 4 within three (3) years following final payment.

ARTICLE 5 - TERMINATION

This Contract may be terminated by the ENTITY upon sixty (60) days' prior written notice to the COUNTY in the event of substantial failure by the COUNTY to perform in accordance with the terms of this Contract through no fault of the ENTITY. It may also be terminated, in whole or in part, by the COUNTY, with cause upon five (5) business days written notice to the ENTITY or without cause upon ten (10) business days written notice to the ENTITY. Unless the ENTITY is in breach of this Contract, the ENTITY shall be paid for services rendered to the COUNTY’S satisfaction through the date of termination. After receipt of a Termination Notice, except as otherwise directed by the COUNTY, in writing, the ENTITY shall:

A. Stop work on the date and to the extent specified.

B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.

C. Transfer all work in process, completed work, and other materials related to the terminated work to the COUNTY.

D. Continue and complete all parts of the work that have not been terminated.

ARTICLE 6 - PERSONNEL

The ENTITY represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Contract. Such personnel shall not be employees of or have any contractual relationship with the COUNTY.

All of the services required herein under shall be performed by the ENTITY or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

Any changes or substitutions in the ENTITY’S key personnel, as may be listed in Exhibit "A", must be made known to the COUNTY’S representative and written approval must be granted by the COUNTY’S representative before said change or substitution can become effective.

The ENTITY warrants that all services shall be performed by skilled and competent personnel to the highest professional standards in the field.

All of the ENTITY’S personnel (and all Subcontractors), while on County premises, will comply with all COUNTY requirements governing conduct, safety and security.
ARTICLE 7 - SUBCONTRACTING

The COUNTY reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractors in order to make a determination as to the capability of the subcontractor to perform properly under this Contract. The ENTITY is encouraged to seek additional small business enterprises for participation in subcontracting opportunities. If the ENTITY uses any subcontractors on this project the following provisions of this Article shall apply:

If a subcontractor fails to perform or make progress, as required by this Contract, and it is necessary to replace the subcontractor to complete the work in a timely fashion, the ENTITY shall promptly do so, subject to acceptance of the new subcontractor by the COUNTY.

ARTICLE 8 - FEDERAL AND STATE TAX

The COUNTY is exempt from payment of Florida State Sales and Use Taxes. The COUNTY will sign an exemption certificate submitted by the ENTITY. The ENTITY shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the COUNTY, nor is the ENTITY authorized to use the COUNTY’S Tax Exemption Number in securing such materials.

The ENTITY shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this contract.

ARTICLE 9 - AVAILABILITY OF FUNDS

The COUNTY’S performance and obligation to pay under this contract for subsequent fiscal years are contingent upon annual appropriations for its purpose by the Board of County Commissioners.

ARTICLE 10 - INSURANCE

A. ENTITY shall, at its sole expense, agree to maintain in full force and effect at all times during the life of this Contract, insurance coverages and limits (including endorsements), as described herein. ENTITY shall agree to provide the COUNTY with at least ten (10) day prior notice of any cancellation, non-renewal or material change to the insurance coverages. The requirements contained herein, as well as COUNTY’S review or acceptance of insurance maintained by ENTITY are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by ENTITY under the contract.

B. Commercial General Liability ENTITY shall maintain Commercial General Liability at a limit of liability not less than $500,000 Each Occurrence. Coverage shall not contain any endorsement excluding Contractual Liability or Cross Liability unless granted in writing by County’s Risk Management Department. ENTITY shall provide this coverage on a primary basis.
C. **Business Automobile Liability** ENTITY shall maintain Business Automobile Liability at a limit of liability not less than **$500,000** Each Accident for all owned, non-owned and hired automobiles. In the event ENTITY doesn’t own any automobiles, the Business Auto Liability requirement shall be amended allowing ENTITY to agree to maintain only Hired & Non-Owned Auto Liability. This amended requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto coverage form. ENTITY shall provide this coverage on a primary basis.
