A certified copy of the recorded Notice of Commencement (NOC) must be submitted to the Building Division, prior to the first inspection. In lieu of the certified copy, a notarized statement that the NOC has been filed for recording, along with a copy thereof may be submitted. In the absence of the filing of a certified copy of the recorded NOC, the Building Division or a private provider performing inspection services may not perform or
approve inspections, subsequent to the first inspection, until the applicant files with the Building Division, by mail, facsimile, hand delivery, or any other means, such certified copy.

The Official Notice of Commencement (NOC) document is authored by the Clerk of the Courts. Copies of the NOC are to be provided to the public as a courtesy, and should always be created from the Official Notice of Commencement document available from the Clerk of the Courts.
