

TYPE 7 VIOLATIONS
APPLICATION SUFFICIENCY CHECKLIST*
(102 & 106 P.B.C. Amendments to the Florida Building Code 2004
and Palm Beach County Unified Land Development Code)

Note: MUST check with other agencies for their specific requirements. Failure to do so, could result in significant delay to your permit.

Type 7 Permits are Violations, varying in character and description. The applicant should refer to the "Permit Types" table to find the permit type for the specific scope of work proposed, and utilize the appropriate Application Sufficiency Checklist as a guideline to submittal. Additional permitting requirements will be determined during plan review, based on the characteristics of the individual case.
