Curbstoners usually park and display their vehicles for sale in high traffic locations. Often these locations are on rights of ways, utility or pipeline easements, at gas stations, at convenience stores, at supermarket parking lots, at public parking lots or other locations with high volumes of traffic.

(a) It is unlawful for any person to park a motor vehicle, as defined in Section 320.01, Florida Statutes, upon a public street or highway, a public parking lot, or other public property, or upon private property where the public has the right to travel by motor vehicle, for the principal purpose and intent of displaying the motor vehicle thereon for sale, hire, or rental unless the sale, hire, or rental of the motor vehicle is specifically authorized on such property by law and the person is in compliance with all state and county licensing regulations.

(b) A vehicle displayed for sale by a licensed dealer at any location other than the dealer’s licensed location or off premises location for which a supplemental license has been issued is subject to immediate removal without warning.

(c) It is unlawful to offer a vehicle for sale if the vehicle identification number has been destroyed, removed, covered, altered, or defaced. A vehicle found in violation of this subsection is subject to immediate removal without warning.

(d) It is unlawful to knowingly attach to any motor vehicle registration that was not assigned or lawfully transferred to the vehicle. A vehicle found in violation of this subsection is subject to immediate removal without warning.

(e) It is unlawful to display or offer for sale a vehicle that does not have a valid registration. A vehicle found in violation of this subsection is subject to immediate removal without warning. This subsection does not apply to vehicles and recreational vehicles being
offered for sale through motor vehicle auctions.

(f) A vehicle is subject to immediate removal without warning if it bears a telephone number that has been displayed on three or more vehicles offered for sale within a 12-month period.

(g) This Ordinance shall not be construed to prohibit a person from parking his or her own motor vehicle on any private real property that the person owns or leases or on the public street immediately adjacent thereto for the principal purpose and intent of sale, hire or rental.

The owner of the motor vehicle shall be assessed a penalty of $500.00 by the County and shall be responsible for all towing and storage fees reasonably necessitated by removal and storage of the motor vehicle. A motor vehicle removed under this section shall not be released from an impound or towing and storage facility until the penalty has been paid to the County, a release form prescribed by the County has been completed and all towing and storage fees have been paid. However, the owner may pay the towing and storage fees to the towing and storage facility before payment of the penalty or before the release form has been completed.

(b) A violation of this section is a noncriminal traffic infraction, punishable as a nonmoving violation as provided in Chapter 318, Florida Statutes.
