

## County Contractors License Renewal Deadline Extension

Please be advised that the Palm Beach County Construction Industry Licensing Board (CILB) by Resolution No. R2017-0001 is granting an extension to the 9/30/17 deadline for County Contractors to renew their county licenses to 10/31/17. In addition, the October late fee of \$25 is waived. A copy of the Resolution is attached for your reference.

This extension is being granted to accommodate county contractors due to the impacts of Hurricane Irma and in support of the emergency declaration of the State of Florida Governor's Executive Order Number 17-235 of September 4, 2017 and the emergency order of the State of Florida Department of Business and Professional Regulation of September 15, 2017.

Please continue to file your license renewal as soon as possible and do not wait until the new deadline as no additional extensions will be granted.

You now have the option to renew your contractor license at our new online Portal. Please register now at: <https://www.pbcgov.org/ePZB.Admin.WebSPA/>

Thank you.

\* This email is **only** for County Contractors and **not** for State Contractors (DBPR).

**NOTE:** Failure to renew your certificate on time may result in its expiration preventing you from applying for building permits and/or scheduling inspections. Additionally, should you enter into a contract with an expired certificate or hold yourself out as a licensed contractor; you may be subject to citations, fines, disciplinary proceedings and criminal prosecution.
