

OBJECTIVE 1.5 Concentrations of Affordable Housing

The County shall make adequate provisions to enable the public, private and not-for-profit sectors to provide affordable housing, and shall support the distribution of housing for very low, low, moderate and middle income households, to avoid undue concentrations of very low and low income housing throughout the County through the Workforce Housing Program and the Affordable Housing Program.

Policy 1.5-i: The County shall establish a Affordable Housing Program to allow new residential developments within the Urban/Suburban Tier only, the opportunity to provide housing units for households with incomes at 60% of area median income and below, as a means to meet affordable housing needs and to disperse that needed housing in unincorporated Palm Beach County. Incentives shall be offered that will generally mirror the benefits of the Workforce Housing program criteria. Density bonus units will be allowed only when consistent with Housing Element Objective 1.5 to discourage the undue concentration of very low and low income housing in the County.

Consideration will be given to specific proposals that target households with incomes that crossover both the Workforce Housing and the Affordable Housing Programs. The Agricultural Reserve Tier is exempt from this Program.
