## Pain Management Clinics Zoning in Progress

The Board of County Commissioners declared Zoning in Progress at a public hearing on December 8, 2009. Zoning in Progress is being implemented in order to support a Moratorium that the BCC intends to adopt. These actions have been taken in an effort to address the proliferation of Pain Management Clinics in unincorporated Palm Beach County. In order for the BCC to evaluate the use and implement new regulations, notice is being given that Zoning applications and all applicable requests for Zoning approvals for Pain Management Clinics will not be approved until the evaluation and implementation of amended regulations occurs.
