Transfer of Development Rights Zoning in Progress

The Board of County Commissioners declared Zoning in Progress at a public hearing on September 29, 2009. Zoning in Progress is being implemented in order to support a Moratorium that the BCC intends to adopt. Transfer of Development Rights and the prices charged for them are discretionary. In order for the BCC to evaluate the program and costs of TDR's and implement amended regulations and costs, notice is being given that no applications for TDR's will be accepted until the evaluation and implementation of amended regulations and/or costs occurs.

If you have any questions, contact Patrick Rutter, Chief Planner at 561-233-5359.
