Affirmative Action Employer"*

## Unified Land Development Code Temporary Signage Code Amendments

The Zoning Division is proposing amendments to the Palm Beach County Unified Land Development Code (ULDC) Sign provisions to address freestanding signs damaged during a natural disaster. The proposed language will allow the applicant to receive a Temporary Sign Certificate to install a Temporary Sign or modify the damaged Sign. The Temporary Sign Certificate will be issued in conjunction with the applicant submitting a permit to repair the permanent sign.

This amendment is a result of on-going meetings in 2006 with the Sign Industry and concerned non-residential property owners who identified there are currently no code provisions to address this matter.

This language will be presented to the Land Development Regulation Advisory Board (LDRAB) on **April 26, 2006 at 2:00 P.M.** The meeting will be held at the Planning, Zoning & Building Department, 4th Floor Conference Room, 100 Australian Avenue, West Palm Beach. If you have questions, please contact Barbara P. Nau, Principal Planner, at 561-233-5232.
