On December 21, 2006, the Zoning Board of Adjustment conducted their final meeting. The Board of County Commission adopted amendments to the Unified Land Development Code earlier this year to transfer the duties of this board to both the Zoning Commission and Variance Meeting. Mr. MacGillis, Zoning Director, expressed the County's appreciation for their many years of service and dedication to the County and presented each member with a service award. Also, county staff members who supported this Board were recognized for their dedication by both Ms. Chelle Konyk, Chair and Mr. MacGillis.
