Amend Engineering Condition 8 to read as follows:

8. ...is hereby amended to read:

this fill material. (DATE-MONITORING-Eng)

The property owner shall:

8.a. Prior to December 31, 2013 or within ninety (90) days of written notification by the County Engineer, whichever shall occur first, convey to PBC sufficient road drainage easement(s) through the project's internal drainage system, as required by and approved by the County Engineer (CE), to provide legal positive outfall (LPO) for runoff from those segments of Sims Road along the property frontage; and a max. of 800 feet of these adjacent roadway(s). The limits of this additional 800 feet and final location of the easement of drainage shall be determined by the CE. Said easements shall be no less than 20 feet in width. Portions of such system not included within roadways or waterways dedicated for drainage purposes will be specifically encumbered by said minimum 20 foot drainage easement from the point of origin, to the point of LPO. In the event of a determination of contamination which requires remediation or clean up on the property now owned by the Grantor, the Grantor agrees to hold the Grantee harmless and shall be responsible for all costs of such clean up, including but not limited to, all applicable permit fees, Engineering or other expert witness fees including Attorney's fees as well as the actual cost of the clean up. The drainage system within the project shall have sufficient retention/detention. Compensating storage within this projects retention system as required by all permitting agencies, and conveyance capacity to meet the storm water discharge and treatment requirements of Palm Beach County and the applicable Drainage District, as well as the SFWMD, for the combined runoff from the project to accommodate the ultimate Thoroughfare Plan Road Section(s) of the included segment. If required and approved by the CE the property owner shall construct within the proposed drainage easements a minimum of 24 inch closed piping system and appropriate wingwall or other structures as required by and approved by the CE. Elevation and location of the entire drainage system shall be approved by the CE. Any and all excess fill material from excavation by PBC within said easements shall become the property of PBC which at its discretion may use this fill material. (DATE/ONGOING-MONITORING-Eng)

8.b. Prior to issuance of the first Certificate of Occupancy, design, permit, construct and receive a satisfactory final inspection from PBC for the ultimate roadway drainage system within the right of way of Sims Road, along the project frontage, as required by the County Engineer. (CO-MONITORING-Eng)

8.c As an alternate to 8.b, the property owner may provide a payment to the Palm Beach County Land Development Division in the amount of 110% of an acceptable Cost Estimate certified by the property owner's engineer to cover the County's costs for design, permitting, construction and inspection of the ultimate roadway drainage system within the right of way of Sims Road. If this option is chosen, payment shall be made prior to issuance of the first Certificate of Occupancy. (CO-MONITORING-Eng)

L. OTHER ITEMS

19. Title: Capital Improvements Annual Tables Update

The proposed ordinance is the annual update of the capital improvements tables, as required by Florida Statute. The tables reflect the County's five-year Capital Improvement Program, and the ordinance is proceeding separately from the 11-2 Round of Comprehensive Plan amendments that were heard in October.

Pages: 395 - 441

MOTION: To adopt an Ordinance to update the five-year capital improvements schedule tables.
20. **TITLE:** Five Year Road Program Ordinance

**SUMMARY:** In accordance with Traffic Performance Standards, Article 12, Chapter N, Section 5 of the present Unified Land Development Code requires that concurrent with the adoption of the annual Program, the Board of County Commissioners (Board) must determine that the Findings of Fact (Findings) have been made. The Findings have been made and are defined in Attachment -1-. This is the annual update of the County's Program which is required to be considered each year by the Program Ordinance. On November 15, 2011, the Board continued the approval of this Ordinance. Exhibit -A- to the Ordinance contains the road projects to be undertaken by the County in the next five years.

**MOTION:**

A) determine that Palm Beach County (County) has adhered to and implemented its Five Year Road Program (Program) based on substantial evidence that the funding for the current fiscal year and the addition of the new fifth year are as contemplated in the Comprehensive Plan (Plan) and that fewer than 20% of the FY 2010 construction projects are more than 12 months behind schedule as defined in Attachment -1-; and

B) adopt a Ordinance amending Ordinance No. 85-40, as amended, establishing an amended Program; providing for title; purpose; adoption of revised Program and revised list of projects contained in Exhibit -A-; implementation of the plan; modification of plan; funding of other roadway improvements, interpretation of exhibit; repeal of Laws in conflict; severability; inclusion in the Code of Laws and Ordinances; and effective date.
