A SUBCOMMITTEE OF THE LAND DEVELOPMENT REGULATION ADVISORY BOARD (LDRAB)**

MINUTES OF THE JUNE 2, 2009 SUBCOMMITTEE MEETING

PREPARED BY BARBARA PINKSTON-NAU, PRINCIPAL SITE PLANNER

On Tuesday June 2, 2009, the Agricultural Uses Subcommittee met at the Vista Center, Room VC-2E-17, at 2300 North Jog Road, West Palm Beach, Florida.

Attendance

LDRAB Members:

Interested Parties:

County Staff: Barbara P. Nau, Alan Seaman, Wanda Sanders, Lauren Benjamin, Arthur Kirstein (Coop Extension Service)

Barbara P. Nau began the meeting at 10:00 a.m. and summarized the discussion from the last meeting related to nurseries.

LDRAB Members and Interested parties were not available to attend this meeting. Instead of cancelling the meeting staff conducted a cursory review of the bonafide ag uses and hi-lighted items that should be deleted or changed to be reviewed at the next meeting. Those items included: deleting the reference to retail and wholesale related to nurseries; and deleting all language covered by or in conflict with state statutes.

The group discussed whether or not exotic animals should be included under bonafide ag and initially agreed that it should be relocated. However, upon further examination of state regulations it was decided that the use should remain.

The group also discussed whether or not the definitions and supplementary standards for nurseries should be amended. Alan Seaman suggested that the definition be expanded to include the sale of items such as mulch and hardscape materials.

Goals for Next Meeting

Finalize proposed changes and recommendations
