Task Team	Meeting Date by Meeting Number	Meeting Date	Staff Attending	Minutes	Goals for Next Meeting	Staff Initials Entering Info
		<u>9/27/02</u>	Beau, David K, Charlie, Staff	<p>Marcie, Bruce, excused absence Meeting began at 1:15 David K arrived at 1:35 Jon indicated Kathy Spain resigned stating she was interested in invasive species and not so much landscape code changes.</p> <p>1. First item on Agenda was developing recommend Street Tree List. Beau recommended creating list based on Large and Small trees. Charlie provided the Committee an adopted Tree for planting in swales from the Village of North Palm Beach (Ord. 08-2000). He stated this list was adopted in March of 2000 and was reviewed by Engineer, Landscape Architect and Nursery person. The list had plants taken from the FPL recommended list.</p> <p>3. The Committee reviewed list and generally agreed the list was good as a general guideline for street trees. Beau and David K, recommended Needle Palm be deleted. Also, Beau recommended adding Pond Cypress and DG recommended Oleander and Ligustrum be added to small trees.</p> <p>4. Jon indicated this list would be converted to a dbase look similar to our other Lists developed at last meeting and would be circulated to Utilities and Engineering for comments. Also, this list could be used for later Committee discussion to R/W cross sections and trees.</p> <p>5. Second item on Agenda was Buffer Layering Concept. Jon went over history behind where staff came up with the layering concept. Committee went over the handouts and discussed the concept as being a good idea but were concerned with way plants would be calculated. Staff to take recommendations on calculation and revise them and bring back to committee. Meeting adjourned at 2:35</p>	<p>1. Staff is making final changes to JPM Recommend Plant list from last weeks meeting.</p> <p>2. Staff will create Street Tree List based on Village of North Palm Beach list and comments from Committee members. Staff will bring this back to Committee for final comments.</p> <p>3. Staff to revise the Buffering Layering Concept in terms of calculating plant material required. Also, modify graphics per Committee member comments.</p>	JPM
