

RESOLUTION NO. R-83-1429

RESOLUTION APPROVING ZONING PETITION 83-116, Rezoning

WHEREAS, the Board of County Commissioners, as the governing body, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, is authorized and empowered to consider petitions relating to zoning; and

WHEREAS, the notice and hearing requirements as provided for in Chapter 402.5 of the Palm Beach County Zoning Code Ordinance No. 73-2 have been satisfied; and

WHEREAS, Petition No. 83-116 was presented to the Board of County Commissioners of Palm Beach County at its public hearing conducted on 25th August 1983; and

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the applicant and other interested parties and the recommendations of the various county review agencies and the recommendations of the Planning Commission; and

WHEREAS, the Board of County Commissioners made the following findings of fact;

1. The proposed rezoning and special exception are consistent with the requirements of the Comprehensive Plan and Zoning Code.
2. Recognizing that a Mobile Home Rental Park is only a temporary use that could be discontinued if noise levels from the airport exceed acceptable levels at some time in the future, the proposed use would be acceptable at this location, at this time.
3. Provided that this development is connected to the Dohoke Sewage System and that the package plant is removed as soon as service is available, the proposal would be consistent with the Mandatory Performance Standards.
