- C. If the Developer does not enter into an agreement with Palm Beach County to assume the maintenance responsibility, then appropriate property owner's documents or other restrictive covenant documents, evidencing the maintenance obligation shall be established or amended as required and shall be approved and recorded prior to the issuance of a Building Permit. (Previous condition E9 of Zoning Resolution R-2001-0445, Zoning Petition Number, PDD2000-099 ) (BLDG PERMIT: MONITORING-Eng) NOTE:COMPLETE
10. Condition E.10 of Resolution R-2001-0445, Petition PDD2000-099, which currently states:

LANDSCAPE WITHIN THE LANDSCAPE ISLAND OF HAGEN RANCH ROAD

- A. Prior to issuance of a building permit, the property owner shall apply to the Palm Beach County Engineering and Public Works Department Permit Section for a permit to landscape the Landscape Island of Hagen Ranch Road right-of-way. This permit shall comply with all permit requirements, including but not limited to indemnifying Palm Beach County. When permitted by the Land Development Division of the Palm Beach County Department of Engineering and Public Works, landscaping shall, at a minimum, consist of the "Low Cost Planting Concept" outlined in the latest revision to the Palm Beach County Engineering and Public Works Department Streetscape Standards. The property owner shall also be responsible for supplementing any existing landscape material previously planted in this Landscape Island and all new landscape material shall be consistent with the landscaping theme adopted for this roadway. All landscaping installation and maintenance requirements shall be subject to the standards as set forth by the Streetscape Standards. If all xeriscape material is utilized, the watering of the plant material during the initial heal-in period shall be the responsibility of the property owner. Alternative species other than those listed in the County standards may be allowed subject to approval by the County Engineer. (BLDG PERMIT: MONITORING- Eng)
- B. All required median landscaping, including an irrigation system if required, shall be installed at the property owners expense. All landscaping, paver block or similar materials shall be the perpetual maintenance obligation of the petitioner and its successors, or assigns or duly established Property Owner's Association or

maintenance may be assumed by the County upon payment equal to the long term maintenance cost, in accordance with the adopted policy approved by the Board of County Commissioners. All existing landscape material shall also be the perpetual maintenance obligation of the petitioner and its successors, heirs or assignees or duly established Property Owner's Association and/or Homeowners's Association. Perpetual maintenance includes, but is not limited to, pruning, fertilizing, irrigation, and alternate watering of Xeriscape material during periods of drought in order to maintain healthy plant material. All landscape material shall be installed prior to the issuance of the first certificate of occupancy. (CO: MONITORING-Eng)

- C. If the Developer does not enter into an agreement with Palm Beach County to assume the maintenance responsibility, then appropriate property owner's documents or other restrictive covenant documents, evidencing the maintenance obligation shall be established or amended as required and shall be approved and recorded prior to the issuance of a Building Permit. (BLDG PERMIT: MONITORING-Eng)

Is hereby amended to read:

#### LANDSCAPE WITHIN THE MEDIAN OF HAGEN RANCH ROAD

The petitioner shall design, install and perpetually maintain the median landscaping within the median of all abutting right of way of Hagen Ranch Road. This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires Board of County Commissioners approval. Median landscaping installed by petitioner shall be perpetually maintained by the petitioner, his successors and assigns, without recourse to Palm Beach County, unless petitioner provides payment for maintenance as set forth in Paragraph d below.

- a) The necessary permit(s) for this landscaping and irrigation shall be applied for prior to the issuance of the first building permit. (BLDG PERMIT: MONITORING-Eng)
- b) All installation of the landscaping and irrigation shall be completed prior to the issuance of the first certificate of occupancy. (CO: MONITORING -Eng)
- c) At petitioner's option, when and if the County is ready to install OTIS on the surrounding medians of this roadway adjacent to the petitioner installed landscaping, payment for the maintenance may be provided to the County. The payment shall be in the amount and manner that complies with the schedule for such payments that exists on the date payment is made. Once payment has been provided, Palm Beach County shall assume the maintenance responsibility for the OTIS landscaping and irrigation that has been installed by the petitioner. The petitioner shall first be required to correct any deficiencies in the landscaping and irrigation. This option is not available to medians with additional landscaping beyond OTIS standards, unless those medians are first brought into conformance with OTIS standards by the Petitioner. (ONGOING-ENG-Eng)
- d) Also, prior to the issuance of a Building Permit, and at the option of the petitioner, the petitioner may make a contribution to the County's Only Trees Irrigation and Sod, OTIS program, unincorporated thoroughfare beautification program. This payment, for the County's installation of landscaping and irrigation on qualifying thoroughfares shall be based on the project's front footage along Hagen Ranch

Road. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended. (ONGOING-ENG-Eng)

11. Condition E.11 of Resolution R-2001-0445, Petition PDD2000-099, which currently states:

The Property Owner shall fund the cost of signal installation if warranted as determined by the County Engineer at Flavor Pict Road and Hagen Ranch Road. Signalization shall be a mast arm structure installation. Should signalization not be warranted after 5 years of the final Certificate of Occupancy this property owner shall be relieved from this condition. Acceptable surety for this signalization shall be provided prior to the issuance of the first certificate of occupancy. The cost of signalization shall also include any required utility relocation. If the Board of County Commissioners establishes a policy requiring surety or length of the Developer ' s obligation which is different than this condition, the Developer shall be required to conform the adopted policy (CO: MONITORING-Eng).

Is hereby amended to read:

#### SIGNALIZATION FUNDING

- a) The Property Owner shall fund the cost of signal installation if warranted as determined by the County Engineer at Flavor Pict Road and Hagen Ranch Road. Signalization shall be a mast arm structure installation. The cost of signalization shall also include all design costs and any required utility relocation. No Certification of Completion shall be issued until the developer provides acceptable surety in the form of a cash bond or escrow agreement to the Traffic Division in an amount as determined by the Director of the Traffic Division. (CC:MONITORING-Eng).
- b) In order to request release of the surety for the traffic signal at Flavor Pict Road and Hagen Ranch Road, the Property Owner shall provide written notice to the Traffic Division stating that the final certificate of occupancy has been issued for this development and requesting that a signal warrant study be conducted at this intersection. The Traffic Division shall have 5 years after the final certificate of occupancy to release the monies. (ONGOING: ENG-Eng)

#### ENVIRONMENTAL RESOURCES MANAGEMENT

1. Excavation of a mined lake (water mangement tract) shall not be constructed within Zone 1 or 300 feet of a proposed or existing potable water supply. Separations shall be measured from the top of bank. No exfiltration trench is permitted in Wellfield Protection Zones 1 or 2. Regulated substances are prohibited in a Wellfield Zone 1. (ONGOING: ERM- ERM)
2. Condition F.1 of Resolution R-2001-0445, Petition PDD2000-099, which currently states:

A Wellfield Affidavit of Notification shall be submitted to ERM prior to DRC site plan certification. (DRC: ERM)

Is hereby amended to read:

The applicant shall meet with Wellfield staff to discuss site development prior to final site plan approval. The site plan shall be in compliance with Article 14.B. (DRO: ERM- ERM)

## HEALTH

1. Property owners and operators of facilities generating industrial, hazardous or toxic waste shall not deposit or cause to be deposited any such waste into the sanitary sewer system unless adequate pretreatment facilities approved by the Florida Department of Environmental Protection, the Palm Beach County Health Department, and the agency responsible for sewage works are provided and used. (ONGOING: HEALTH-CODE ENF)
