

RESOLUTION NO. R-2016- 0832

RESOLUTION APPROVING ZONING APPLICATION DOA-2015-01719
(CONTROL NO. 1973-00036)
a Development Order Amendment
APPLICATION OF Boca Lago Country Club, Inc
BY Wantman Group Inc., AGENT
(Boca Lago PUD)

WHEREAS, the Board of County Commissioners, as the governing body of Palm Beach County, Florida, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, is authorized and empowered to consider applications relating to zoning;

WHEREAS, the notice and public hearing requirements pursuant to Article 2 (Development Review Procedures) of the Palm Beach County Unified Land Development Code, Ordinance 2003-067 as amended (ULDC), have been satisfied;

WHEREAS, Zoning Application DOA-2015-01719 was presented to the Board of County Commissioners at a public hearing conducted on June 23, 2016;

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the Applicant and other interested parties, the recommendations of the various County Review Agencies, and the recommendation of the Zoning Commission;

WHEREAS, the, Board of County Commissioners pursuant to Article 2 (Development Review Procedures) of the ULDC is authorized and empowered to consider, approve, approve with conditions or deny the request;

WHEREAS, THE Board of County Commissioners hereby incorporates by reference the Findings in the staff report addressing the Standards contained in Article 2.B (Public Hearing Process) for a Development Order Amendment;

WHEREAS, this approval is subject to Article 2.E (Monitoring) of the ULDC and other provisions requiring that development commence in a timely manner;

WHEREAS, the issuance of this Development Permit does not in any way create any rights on the part of the Applicant and/or Property Owner to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the Applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law;

WHEREAS, the Palm Beach County Survey Section may administratively correct any scrivener's errors that will not significantly impact the overall boundary of the adopted legal description; and,

WHEREAS, Article 2.A.1.K.3.b (Action by BCC) of the ULDC requires that the action of the Board of County Commissioners be adopted by resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, that Zoning Application DOA-2015-01719, the Application of Boca Lago Country Club, Inc, by Wantman Group Inc., Agent, for a Development Order Amendment to reconfigure the Master Plan, and modify and delete Conditions of Approval (Planned Unit Development and Planning), on a parcel of land generally described as shown on the legal description in EXHIBIT A, attached hereto and made a part hereof, and generally located as shown on a vicinity sketch as indicated in EXHIBIT B, attached hereto and made a part hereof, was approved on June 23, 2016, subject to the Conditions of Approval described in EXHIBIT C, attached hereto and made a part hereof.

2. Previous ENGINEERING Condition 2 of Resolution R-2006-2334, Control No.1973-00036, which currently states:

The property owner shall provide to the Palm Beach County Land Development Division a road right of way warranty deed and all associated documents as required by the County Engineer for Lyons Road, 55 feet from centerline. This right of way deed shall be provided on or before June 1, 2007, or prior to the issuance of the first Building Permit whichever shall first occur. Right of way conveyance shall be along this additional POD's frontage of Lyons Road and shall be free of all encumbrances and encroachments. Property owner shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments. Thoroughfare Plan Road right-of-way conveyances shall be consistent with Palm Beach County's Thoroughfare Right of Way Identification Map and shall include where appropriate as determined by the County Engineer provisions for Expanded Intersection Details and "Corner Clips.". The Property Owner shall not record these required deeds or related documents. After final acceptance, Palm Beach County shall record all appropriate deeds and documents.

Is hereby amended to read:

The Property Owner shall provide to the Palm Beach County Right of Way Acquisition Section of Roadway Production Division a road right of way deed and all associated documents as required by the County Engineer for:

Lyons Road, 55 feet, measured from centerline of the proposed right of way, on an alignment approved by the County Engineer.

All right of way deed(s) and associated documents shall be provided and approved prior to the issuance of the first building permit or within ninety (90) days of a request by the County Engineer, whichever shall occur first. Right of way conveyance shall be along the entire frontage and shall be free and clear of all encroachments and encumbrances. Property Owner shall provide Palm Beach County with sufficient documentation acceptable to the Right of Way Acquisition Section to ensure that the property is free of all encumbrances and encroachments, including a topographic survey. The Property Owner must further warrant that the property being conveyed to Palm Beach County meets all appropriate and applicable environmental agency requirements. In the event of a determination of contamination which requires remediation or clean up on the property now owned by the Property Owner, the Property Owner agrees to hold the County harmless and shall be responsible for all costs of such clean up, including but not limited to, all applicable permit fees, engineering or other expert witness fees including attorney's fees as well as the actual cost of the clean up. Thoroughfare Plan Road right of way conveyances

Landscape Within the Median of Lyons Road

A. The petitioner shall design, install and perpetually maintain the median landscaping

within the median for this additional POD's frontage of Lyons Road . This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires Board of County Commissioners approval. Median landscaping installed by petitioner shall be perpetually maintained by the petitioner, his successors and assigns, without recourse to Palm Beach County, unless petitioner provides payment for maintenance as set forth in Paragraph d below.

B. The necessary permit(s) for this landscaping and irrigation shall be applied for prior to the issuance of the first building permit. (BLDG PERMIT: MONITORING-Eng)

C. All installation of the landscaping and irrigation shall be completed prior to the issuance of the first certificate of occupancy. (CO: MONITORING -Eng)

D. At petitioner's option, when and if the County is ready to install OTIS on the surrounding medians of this roadway adjacent to the petitioner installed landscaping, payment for the maintenance may be provided to the County. The payment shall be in the amount and manner that complies with the schedule for such payments that exists on the date payment is made. Once payment has been provided, Palm Beach County shall assume the maintenance responsibility for the OTIS landscaping and irrigation that has been installed by the petitioner. The petitioner shall first be required to correct any deficiencies in the landscaping and irrigation. This option is not available to medians with additional landscaping beyond OTIS standards, unless those medians are first brought into conformance with OTIS standards by the Petitioner.

E. Alternately, at the option of the petitioner, and prior to the issuance of a Building Permit, the petitioner may make a contribution to the County's Only Trees Irrigation and Sod, OTIS program, unincorporated thoroughfare beautification program. This payment, for the County's installation of landscaping and irrigation on qualifying thoroughfares shall be based on the project's front footage along Lyons Road. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended.

Is hereby amended to read:

Landscape Within the Median of Lyons Road.

The Property Owner shall design, install and perpetually maintain median landscape within the median of all abutting right of way of Lyons Road. This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires Board of County Commissioner's approval. Median landscaping installed by Property Owner shall be perpetually maintained by the Property Owner, his successors and assigns, without recourse to Palm Beach County, unless the Property Owner provides payment for maintenance as set forth in Paragraph c and d below.

a. The necessary permit(s) for this landscaping and irrigation shall be applied for from Palm Beach County Land Development prior to the issuance of the first building permit. (BLDGPMT: MONITORING - Engineering)

b. All installation of the landscaping and irrigation shall be completed prior to the issuance of the first certificate of occupancy. (BLDGPMT/CO: MONITORING - Engineering)

c. At Property Owner's option, when and if the County is ready to install OTIS on the surrounding medians of this roadway adjacent to the Property Owner installed landscaping, payment for the maintenance may be provided to the County. The payment shall be in the amount and manner that complies with the schedule for such payments that exists on the date payment is made. Once payment has been provided, Palm Beach County shall assume the maintenance responsibility for the OTIS landscaping and irrigation that has been installed by the Property Owner. The Property Owner shall first be required to correct any deficiencies in the landscaping and irrigation. This option is not available to medians with additional landscaping beyond OTIS standards, unless those medians are first brought into conformance with OTIS standards by the Property Owner. (ONGOING:

ENGINEERING - Engineering)

d. Alternately, at the option of the Property Owner or if the construction of the required landscape and irrigation is not possible due to physical constraints, the Property Owner may make a contribution to the County's Only Trees Irrigation and Sod, OTIS program, unincorporated thoroughfare beautification program prior to the issuance of the first Building Permit. This payment option is only available if the roadway segment is included in the County's current OTIS Master Plan and shall be based on the project's front footage along Lyons Road. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended. (BLDGPM: MONITORING - Engineering)

14. Prior to final approval by the Development Review Officer (DRO), the Property Owner shall indicate a temporary construction access on the site plan.
