RE: Classification of Pet Grooming

The Zoning Director has interpreted that **Pet Grooming**, for the sole purpose of grooming pets, be classified as Personal Services in the Use Matrix. This classification shall be based on a minimum of 70% of the total receipts associated with the grooming services only, while the remaining 30% or less allowable for limited accessory retail sales of goods, items or products associated with pet grooming services.

Pet grooming is also allowed under Kennel, Type II or Type III (Commercial), pursuant to the requirements in the ULDC.
