

ONE-TIME COMPLIANCE REPORT FOR DENTAL AMALGAM DISCHARGERS (WUD) [Satisfies 40 CFR 441.50 (CWA), Chapter 62-625.110, FAC, and the WUD Pretreatment Program]

Instructions:

The following contains the minimum information dental facilities must submit in a one-time compliance report as required by the EPA, FDEP and PBCWUD. Some dental facilities are not required to submit a one-time compliance report. For questions about if your dental facility is required to submit a one-time compliance report please reference the FAQs at http://discover.pbcgov.org/waterutilities/Pages/Dental-Amalgam.aspx.

All dental offices must complete the General Information (page 1), Applicability (page 1) and Section E (page 4) of this report. Dental offices that place, remove or replace dental amalgam must also complete Sections A, B, C, and D. The preferred method of submitting this form is via email to sebrown@pbcwater.com. You can also US Mail the completed report to: Mr. Stephen Brown, Water Utilities Department, 8100 Forest Hill Blvd, West Palm Beach, FL 33413.

Section C

Design, Operation and Maintenance of Amalgam Separator/Equivalent Device

	YES	I certify that the amalgam separator (or equivalent device) is designed and will be operated and maintained to meet the requirements in § 441.30 or § 441.40.			
A third-party service provider is under contract with this facility to ensure proper operation and maintenance in accordance with § 441.30 or § 441.40.					
	YES	Name of third-party service provider (e.g. Company Name) that maintains the amalgam separator or equivalent device (if applicable):			
	NO	If none, provide a description of the practices employed by the facility to ensure proper operation and maintenance in accordance with § 441.30 or § 441.40.			
Describe practices:					

Section D

Best Management Practices (BMP) Certifications

The above named dental discharger is implementing the following BMPs as specified in § 441.30(b) or § 441.40 and will continue to do so.

- Waste amalgam including, but not limited to, dental amalgam from chair-side traps, screens, vacuum pump filters, dental tools, cuspidors, or collection devices, must not be discharged to a publicly owned treatment works (e.g., municipal sewage system).
- Dental unit water lines, chair-side traps, and vacuum lines that discharge amalgam process
 wastewater to a publicly owned treatment works (e.g., municipal sewage system) must not be
 cleaned with oxidizing or acidic cleaners, including but not limited to bleach, chlorine, iodine and
 peroxide that have a pH lower than 6 or greater than 8 (i.e. cleaners that may increase the
 dissolution of mercury).

Section E

Certification Statement

Per § 441.50(a)(2), the One-Time Compliance Report must be signed and certified by a responsible corporate officer, a general partner or proprietor if the dental facility is a partnership or sole proprietorship, or a duly authorized representative in accordance with the requirements of § 403.12(l).

"I am a responsible corporate officer, a general partner or proprietor (if the facility is a partnership or sole proprietorship), or a duly authorized representative in accordance with the requirements of § 403.12(I) of the above named dental facility, and certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

Authorized Representative Name (print name):	
Phone:	Email:
Authorized Representative Signature	Date

Retention Period; per § 441.50(a)(5)

As long as a Dental facility subject to this part is in operation, or until ownership is transferred, the Dental facility or an agent or representative of the dental facility must maintain this One Time Compliance Report and make it available for inspection in either physical or electronic form.

Submission One-Time Compliance Report to WUD; per § 441.50(a)(1)

For existing sources, the One-Time Compliance Report must be submitted to WUD no later than <u>October</u> <u>12, 2020</u>, or 90 days after a transfer of ownership. For new sources, a One-Time Compliance Report must be submitted to the Control Authority no later than 90 days following the introduction of wastewater into a POTW.

The preferred method of submitting this form is via email to sebrown@pbcwater.com. You can also US Mail the completed report to: Mr. Stephen Brown, Water Utilities Department, 8100 Forest Hill Blvd, West Palm Beach, FL 33413.
