I. **GENERAL INFORMATION**

The purpose of this Request for Proposals (RFP) is for the Palm Beach County Board of County Commissioners’ (BCC) Youth Services Department (YSD) to solicit proposals from qualifying non-profit agencies to provide services related to certain Action Areas identified in the Youth Master Plan.

YSD, along with the other youth-serving partner agencies of *Birth to 22: United for Brighter Futures* (Birth to 22), participated in a collaborative process employing a collective impact framework to develop a Youth Master Plan (YMP) for Palm Beach County. This YMP is entitled "Strengthening the Steps to Success." The YMP and all its appendices are available for review at [www.pcbirthto22.com](http://www.pcbirthto22.com) and [www.pcbirthto22.com/communitydata.htm](http://www.pcbirthto22.com/communitydata.htm), respectively. YSD encourages all those interested in submitting proposals to familiarize themselves with the YMP.

- Proposers seeking County assistance must be chartered or registered with the Florida Department of State, have been incorporated for at least one (1) agency fiscal year, and have provided services for at least six (6) months.
- All Proposers must hold current and valid 501(c)(3) status as determined by the Internal Revenue Service or be public entities.
- All Proposers must demonstrate accountability through the submission of acceptable financial audits performed by an independent auditor.

**Amendments to RFP**

No oral interpretation of this RFP shall be considered binding. The County will be bound by the information and statements only when such statements are written and executed under the authority of the YSD. Any interpretation, clarification, correction or change to this RFP will be made only by Amendment. As they are issued, all Amendments to this RFP will be posted under the applicable solicitation on the County’s on-line...
Vendor Self Service (VSS) system at https://pbcvssp.co.palm-beach.fl.us/webapp/vssp/AltSelfService. Interpretations, corrections or changes made in any other manner will not be binding, and Proposers shall not rely upon such interpretations, corrections or changes. It is the sole responsibility of the Proposer to routinely check VSS for any Amendments that may have been issued prior to the Electronic Submission Deadline Date for receipt of proposals. The Proposer should verify with the designated Contact Person prior to entering a proposal that all Amendments have been received. The County shall not be responsible for the completeness of any RFP package not downloaded from VSS or picked up from the YSD.

Changes to this RFP, when deemed necessary by the County, will be completed only by written Amendment(s) issued prior to the Electronic Submission Deadline Date for receipt of proposals. Proposers should not rely on any representations, statements or explanations other than those made in the RFP or in any Amendment to this RFP. Where there appears to be a conflict between the RFP and any Amendment issued, the last Amendment issued shall prevail.

**Review of Proposals**
Each Proposal will be reviewed to determine if the Proposal is responsive to the RFP. Proposals deemed to be non-responsive will be rejected without being evaluated. A responsive Proposal is one which has been signed, has been uploaded by the specific electronic submission date and time, and has provided the information required to be submitted with the Proposal. While poor formatting, poor documentation, and/or incomplete or unclear information may not be cause to reject a Proposal without evaluation, such substandard submissions may adversely impact the evaluation of your Proposal, especially information relating to establishing financial/business stability. Proposers who fail to comply with all required and/or desired elements of this RFP, do so at their own risk.

**Selection Process**
All responsive proposals will be reviewed first by the Director, Youth Services Department, or designee, to determine if each Proposer has submitted the required information and meets all Proposal Guidelines (as stated in Section VI). Those proposals fulfilling the Proposal Guidelines shall be referred to the Review Panel for review and further consideration.

The Review Panel will evaluate all responses to this RFP that meet the Proposal Guidelines and are deemed responsive. The Review Panel will evaluate all proposals based on the information submitted with the Proposal. Accordingly, Proposers are urged to ensure that their Proposal contains all the necessary information for the Review Panel to fairly and accurately evaluate each of the criteria listed in Section VI-3.

The Review Panel shall meet in a public session to score each Proposal by reviewing each Proposal against the evaluation criteria listed in Section VI-3. Upon completion of the Review Panel’s review and discussion of all the responsive proposals submitted, each Review Panel member shall score each Proposal and total the scores for each Proposal. Score Cards will be reviewed for completion and accuracy prior to the end of the Review Panel meeting.

After the Review Panel has scored each Proposal, the Review Panel will then assign the Priority Area Score for each Proposal. The Review Panel’s evaluations will then be submitted to the Director, YSD for consideration and selection.
The Recommended Contract Awards will be posted on the YSD website at: www.pbcgov.com/youthservices.

**Right of Appeal/Protest**
Any Proposer may protest a recommendation for contract award by submitting a written protest to the Director, Youth Services Department within five (5) business days of the posting of the Recommended Contract Awards. The protest shall be submitted in writing, shall identify the protestor and the solicitation, shall include a factual summary of the basis for the protest, and shall be addressed to the Director, Youth Services Department, via hand-delivery or mail to 50 S. Military Trail, Suite 203, West Palm Beach, FL 33415, or via email to tfields@pbcgov.org and reference in the subject line: RFP FY 2020 Protest. A protest is considered filed when it is received by the Director, Youth Services Department. Failure to file a protest within five (5) business days of the posting of the Recommended Contract Awards shall constitute a waiver of the Proposer’s right to protest.

**Contractual insurance requirements, if a Proposal is selected**
The following language in this Article is the language/provisions as would be required in the contract, should a proposal be selected for approval for funding by the BCC.

“The AGENCY shall, at its sole expense maintain in full force and effect at all times during the term of this Contract, at least the insurance coverage and minimum limits (including endorsements), as described herein. The AGENCY shall agree to provide the COUNTY with at least ten (10) days’ prior notice of any cancellation, non-renewal or material change to the insurance coverage. Failure to maintain the required insurance shall be the basis for termination of this Contract. The requirements contained herein, as well as the COUNTY’S review or acceptance of insurance maintained by the AGENCY are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the AGENCY under this Contract. Where applicable, coverage shall apply on a primary basis.

A. **Commercial General Liability** – The AGENCY shall maintain, on a primary basis, Commercial General Liability insurance at a limit of not less than $500,000 each occurrence. Policy shall not contain any endorsement(s) limiting or excluding coverage for Contractual Liability, or Cross Liability. Should policy limit or exclude coverage for Sexual Abuse/Molestation to less than $250,000 per occurrence, a separate policy for such coverage shall be obtained so that a minimum of $250,000 coverage per occurrence is provided.

B. **Business Automobile Liability** – The AGENCY shall maintain Business Automobile Liability at a limit of liability not less than $500,000 each accident for all owned, non-owned and hired automobiles. In the event the AGENCY doesn’t own any automobiles, the Business Auto Liability requirement shall be amended allowing the AGENCY to agree to maintain only Hired & Non-Owned Auto Liability. This amended requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto coverage form.

C. **Worker’s Compensation Insurance & Employers Liability** – The AGENCY shall maintain Worker’s Compensation & Employers Liability in accordance with Chapter 440, Florida Statutes.
D. **Professional Liability** – The AGENCY shall maintain Professional Liability or equivalent Errors & Omissions Liability at a limit of liability not less than $1,000,000 Each Claim. When a self-insured retention (SIR) or deductible exceeds $10,000, the COUNTY reserves the right, but not the obligation, to review and request a copy of the AGENCY’S most recent annual report or audited financial statement. For policies written on a “Claims-Made” basis, the AGENCY shall maintain a Retroactive Date prior to or equal to the effective date of this Contract. The Certificate of Insurance providing evidence of the purchase of this coverage shall clearly indicate whether coverage is provided on an “occurrence” or “claims-made” form. If coverage is provided on a “claims-made” form the Certificate of Insurance must also clearly indicate the “retroactive date” of coverage. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the life of this Contract, the AGENCY shall purchase a SERP with a minimum reporting period not less than three (3) years.

E. **Additional Insured** – The AGENCY shall endorse the COUNTY as an Additional Insured with a CG 2026 Additional Insured - Designated Person or Organization endorsement, or its equivalent, to the Commercial General Liability. The Additional Insured endorsement shall read “Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents.”

F. **Waiver of Subrogation** – The AGENCY hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement to the policy, then the AGENCY shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which specifically prohibits such an endorsement, or which voids coverage should the AGENCY enter into such an agreement on a pre-loss basis.

G. **Certificates of Insurance** - Prior to execution of this Contract, within forty-eight (48) hours of a request by the COUNTY, and at least five (5) days prior to the expiration of any required coverage, the AGENCY shall provide a signed Certificate(s) of Insurance evidencing that all of the insurance coverage required by this Contract are in full force and effect to the COUNTY through the COUNTY’S representative, JDi Data Corporation using the CTrax Portal, unless otherwise directed by the COUNTY. The Umbrella or Excess Liability shall have an Aggregate limit not less than the highest “each occurrence” limit for either Commercial General Liability, Business Auto Liability, or Employer’s Liability. The COUNTY shall be specifically endorsed as an “Additional Insured” on the Umbrella or Excess Liability, unless the Certificate of Insurance notes the Umbrella or Excess Liability provides coverage on a “Follow-Form” basis.

I. **Right to Review** – The COUNTY, by and through its Risk Management Department, in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject or accept any required policies of insurance, including limits, coverage, or endorsements, herein from time to time throughout the term of this Contract. Action Area Eligible Activities
Ensure Safety and Justice: A) Providing intervention and alternatives to crime; and B) Strengthen prevention efforts to deter entry into the delinquency system

Evidence-based or promising practice programs and services in this category should address outcomes and performance measures that result in:

1. Increase in the number of youth who receive the opportunity for juvenile first offender programs; decrease number of youth who fail to appear.
2. Increase number of youth receiving prevention and intervention services as part of diversion.
3. Increase prevention services targeting youth with enhanced risk for juvenile justice involvement.
4. Decrease number of new arrest and/or recidivism.
5. Decrease in Disproportionate Minority Contact (Birth to 22 Equity Agenda)*.

Evidence-based or promising practice programs and services in this category should address the following goals and objectives:

1. Providing safe environments through prevention of youth violence and/or delinquent behaviors by targeting youth who are at enhanced risk for violence/delinquent behaviors;
2. Changing the life-trajectory for those youth who have already demonstrated violent or serious delinquent behaviors by addressing a set of risk factors and providing comprehensive, multi-component intensive support and interventions aimed at reducing the impact of their current status;
3. Providing safe, accessible and engaging place to go during out-of-school time to prevent risky behaviors and promote health and wellness;
4. Development of youth leadership groups and linkage to Birth to 22 - Future Leaders United for Change, focused on promoting equity, inclusion, violence prevention, anti-bullying and social justice efforts;
5. Positive family support to foster a sense of belonging and trust; and
6. Compliance with Court orders; Reduction of recidivism through program alignment with Department of Juvenile Justice (DJJ) Supervised Release Continuum of Care**.

Rationale:
Issues involving safety and justice continue to be an area of concern for youth throughout Palm Beach County. Many of the youth who are involved in the child welfare system have lower academic achievement and higher involvement with the criminal justice system as teenagers and adults. Below is a compilation of the many recommendations for services:

Suggested Uses of Available Funds (based on recommendations included in the Youth Master Plan):

- Programs proposing to provide services aligned to DJJ’s Supervised Release Continuum of Care** for Alternative to Secure Detention Programming aka supervised release. Program must maintain minimum contact requirement and supervision as determined by Detention Risk Assessment Instrument (DRAI) score/supervised release requirement from DJJ or per court-order.
- Address family violence issues, including domestic violence, as well as gang education/awareness training and community intervention.
Provide highly structured out-of-school pro-social activities for middle and high school students with a strong focus on crime prevention, youth violence prevention and intervention with youth involved or with an enhanced risk of being involved in the juvenile justice system.

Increase quality mentoring programs, including peer mentoring and promote opportunities for mentors and coaches to support social emotional learning for court involved youth (delinquency and dependency), and enable mentors and coaches to support and build relationships with law enforcement.

Provide opportunities for young people to get involved in their community and assume leadership roles. Development of youth leadership groups and linkage to Birth to 22 - Future Leaders United for Change, focused on promoting youth voice, equity, inclusion, violence prevention, anti-bullying and social justice efforts.

Deploy prevention programs, which provide early identification and prevention activities that educate parents and youth and provide alternatives to violent behaviors such as pro-social activities, tutoring, community service and other healthy options.

Provide support and services to meet the mental health and behavioral health needs of youth and families for court-involved youth or youth at risk of becoming court-involved.

Navigation services/community liaison connecting youth and families to all justice/DJJ resources; utilizing a system of care model.

Job training and internships for court-involved youth or youth at risk of court involvement.

Programs that incorporate innovative opportunities to access transportation.

Community-wide initiatives addressing crime and gang prevention.

Increase training and professional learning opportunities for all frontline professionals working with youth to promote equitable practices, including:
- Cultural competency training with a focus on understanding homelessness, depression, and gender identity among LGBTQ youth
- Racial and gender equity training
- Special needs awareness and inclusivity training
- DJJ Circuit Training and communication plan for any program working with juvenile justice population

SCOPE OF WORK

Contract Period: October 1, 2019 – September 30, 2022

Agency Name: XYZ Agency, Inc.

Program Name: Leadership & Academic Program (LAP)

Target Population: Middle and high school youth ages 12-18

Geographic area(s) served: West Palm Beach and Riviera Beach

Commission Districts: Districts 2 and 7

Overview:
XYZ Agency, Inc. has over 20 years of experience in loving, equipping, and empowering youth ages 5-13 residing in low-income areas of Palm Beach County, including West Palm Beach and Riviera Beach, through the development of programs and activities that build trusting and loving relationships with youth.

Evidence-based model or promising practice:
The Reading Plus Insight computer based literacy program paired with See Reader portion of the program will be used. The Reading Plus adaptive assessment, Insight, is a valid and reliable assessment; it goes beyond typical measures of comprehension and vocabulary by measuring comprehension-based silent reading rate and motivation. See Reader is an intelligent web based eReader that dynamically responds and adjusts to student performance. Students read literary and informational texts, and then answer questions about each text to assess comprehension.

Observed Need/Risk Factor(s) that will be addressed:
Youth not performing to their highest potential academically.

Services:
The Leadership & Academic Program (LAP) operates 2.75 hours a day, 5 days a week serving youth grades K-8. LAP is a multi approach after school program that features a structured educational component with tutoring, academic enrichment and computer based reading software, a behavior/emotional social component with life skills lessons in character development, guest speakers and field trips, a physical component with sports, team building games, and healthy snacks. Participating youth receive:

- One-on-one tutoring, academic enrichment, computer-based reading instruction, life skills lessons, recreation time, snacks, field trips, arts (including such things as dance, drama, drawing, crafts, violin, and drum lessons) and techniques to work on behavior management.
- Enrichment activities that tie in with school based learning, reading and English improvement through Reading Plus online education software. The Reading Plus system allows XYZ Agency, Inc. to track the progress of each child and identify the specific areas which need improvement.
- Behavior improvement support using tools developed to be utilized in the discipline system. These tools will allow LAP to track the frequency and type of poor behavior choices, create a plan to improve these areas in...
each child, and track changes using a progressive zone discipline system whereas green is a disciplinary
warner; yellow comes with a consequence and red is a suspension.
• Life skills component designed to help students improve their decision-making ability. Whether that decision
is not to join a gang, or engage in risky behaviors, or which college to attend, LAP will encourage them to
think about the reasons behind the choices they make. The life skills revolve around monthly themes such as
games, arts and crafts, etc., that tie in directly with the theme. Recently, due to an increase in the rise of
childhood obesity and early onset of chronic disease, XYZ Agency, Inc. has begun to implement more
physical activity into LAP.

XYZ Agency, Inc. staff will:
• Record referral source for each youth;
• Assess the needs of each youth and develop an individual action plan;
• Collect Lexile scores in Insight assessment and See Reader per trimester.
• Record progress notes with time frames for each contact made with youth.
• Track the frequency and type of poor behavior choice, create a plan to improve these areas in each child, and
track changes.

Outcomes:
The following outcomes will be tracked:
• 18 of 30 (60%) program participants will show improvement in reading score;
• 18 of 30 (60%) program participants reading 50 points below grade level will achieve reading at grade level;
• 18 of 30 (60%) program participants will have fewer behavior referrals.

Reports Submission:
The AGENCY shall provide monthly, quarterly and annual data for all program participants funded in this Contract.
The reports shall be presented in a format acceptable to COUNTY:
• Monthly Report format, Exhibit A, Form 1
• Quarterly Report format, Exhibit A, Form 2
• Logic Model, Exhibit A, Form 3
• Annual Report format, Exhibit A, Form 4

No part of the funding is intended to benefit any specific individual or recipient. All funding is intended for the overall benefit of all recipients of the services provided by the programs being funded herein.

The COUNTY’S representative/liaison during the performance of this Contract shall be Geeta Loach-Jacobson, Director of Outreach & Community Programming (telephone no. 561-242-5702).

The AGENCY’S representative/liaison during the performance of this Contract shall be ________________________________, (telephone no. ____________________).

ARTICLE 2 - SCHEDULE

A. The AGENCY shall commence services on ________________, and complete all services by ________________.

B. Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Article 13.
ARTICLE 3 - PAYMENTS TO THE AGENCY

A. The COUNTY shall pay to the AGENCY for services rendered under this Contract not to exceed a total amount of _______________ DOLLARS ($______). The AGENCY will bill the COUNTY on a monthly basis, or as otherwise provided, at the amounts set forth in the attached Exhibit B (Unit Cost of Service Rate and Definition) for services rendered toward the completion of the attached Scope of Work. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date.

B. The program and unit cost of service rate and definition for this Contract are set forth in the attached Exhibit B. All requests for payments of this Contract shall include an original cover memo on the AGENCY’S letterhead signed by the Chief Executive Officer, or Designee, which cover memo, in a format acceptable to COUNTY, shall include, but not be limited to, the following language, marked appropriately and if applicable, justification provided.

“All expenses included in this claim [  ] were [  ] were not incurred in accordance with the provisions of the Agreement/Contract; and total administrative expenses did not exceed fifteen percent (15%).” [If not, please provide justification].

Any annual amounts not requested by October 15th of each fiscal year, shall remain the COUNTY’S and the COUNTY shall have no further obligation with respect to such amounts.

D. Payment of invoices shall be contingent on timely receipt of all required reports. Invoices received from the AGENCY pursuant to this Contract will be submitted through the Services and Activities Management Information System (SAMIS) website, no later than the 15th of each month, separately for each corresponding program, as well as being shown as a separate expense for any evidence-based/promising programming expenditure, reviewed and approved by the COUNTY’S representative, to verify that services have been rendered in conformity with this Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative’s approval. Any payment due by the COUNTY under the terms of this Contract shall be withheld until all reports due from the AGENCY and necessary adjustments have been approved by the COUNTY. In the event that the AGENCY has drawn down all possible funds prior to the end of each fiscal year and does not comply with all reporting requirements, the COUNTY will take this into consideration during the next funding year.

E. COUNTY funding can be used to match grants from non-COUNTY sources; however, the AGENCY cannot submit reimbursement requests for the same expenses to more than one funding source or under more than one COUNTY funded program.
ARTICLE 4 - AVAILABILITY OF FUNDS

The COUNTY'S performance and obligation to pay under this Contract for subsequent fiscal years are contingent upon annual appropriations for its purpose by the Board of County Commissioners.

ARTICLE 5 - TRUTH-IN-NEGO T IAT ION CERTIFICATE

Signature of this Contract by the AGENCY shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the AGENCY'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside consultants. The COUNTY shall exercise its rights under this Article within three (3) years following final payment.

ARTICLE 6 – AMENDMENTS TO FUNDING LEVELS

This Contract may be amended to decrease and/or increase funds for the delivery of services depending upon the utilization and rate of expenditure of funds.

The AGENCY shall be subject to decrease of funds if funds are not utilized at the anticipated rate of expenditures. The anticipated rate of expenditures is determined by dividing the Contract service amount by the months in the Contract, unless another method for determining anticipated rate of expenditures is provided for in this Contract. A 10% increase over the monthly expenditure rate must be pre-approved by the COUNTY. The anticipated rate of expenditure will be determined on a per service basis. The formula for reduction of funds shall be as follows:

- At one quarter of the service period the AGENCY shall have provided at a minimum twenty percent (20%) of their anticipated services. If the minimum has not been reached, funding may be reduced by ten percent (10%) of the unspent funds allocated for that service period.

- At one half of the service period the AGENCY shall have provided at a minimum forty percent (40%) of their anticipated services. If the minimum has not been reached, funding may be reduced by fifty percent (50%) of the unspent funds allocated for that service period.

- At three quarters of the service period the AGENCY shall have provided at a minimum seventy-five percent (75%) of their anticipated services. If the minimum has not been reached, funding may be reduced by one hundred percent (100%) of the unspent funds allocated for that service period.
In the event that funds become available due to other agencies’ budgets being decreased, a currently funded agency may apply for those funds. The AGENCY may become eligible for an increase in funding if they have spent their funds at the anticipated rate and can present a proposal for the utilization of additional funds by delivering additional units of service.

Any increase or decrease of funding for any of the AGENCY’S contracted programs of up to 10% may be approved by the DEPARTMENT’S Director. Any increase or decrease of funding over 10% must be approved by the Board of County Commissioners.

ARTICLE 7 - INSURANCE

The AGENCY shall, at its sole expense maintain in full force and effect at all times during the term of this Contract, at least the insurance coverage and minimum limits (including endorsements), as described herein. The AGENCY shall agree to provide the COUNTY with at least ten (10) days’ prior notice of any cancellation, non-renewal or material change to the insurance coverage. Failure to maintain the required insurance shall be the basis for termination of this Contract. The requirements contained herein, as well as the COUNTY’S review or acceptance of insurance maintained by the AGENCY are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the AGENCY under this Contract. Where applicable, coverage shall apply on a primary basis.

A. **Commercial General Liability** – The AGENCY shall maintain, on a primary basis, Commercial General Liability insurance at a limit of not less than $500,000 each occurrence. Policy shall not contain any endorsement(s) limiting or excluding coverage for Contractual Liability, or Cross Liability. Should policy limit or exclude coverage for Sexual Abuse/Molestation to less than $250,000 per occurrence, a separate policy for such coverage shall be obtained so that a minimum of $250,000 coverage per occurrence is provided.

B. **Business Automobile Liability** – The AGENCY shall maintain Business Automobile Liability at a limit of liability not less than $500,000 each accident for all owned, non-owned and hired automobiles. In the event the AGENCY doesn’t own any automobiles, the Business Auto Liability requirement shall be amended allowing the AGENCY to agree to maintain only Hired & Non-Owned Auto Liability. This amended requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto coverage form.

C. **Worker’s Compensation Insurance & Employers Liability** – The AGENCY shall maintain Worker’s Compensation & Employers Liability in accordance with Chapter 440, Florida Statutes.

D. **Professional Liability** – The AGENCY shall maintain Professional Liability or equivalent Errors & Omissions Liability at a limit of liability not less than $1,000,000 Each Claim. When a self-insured retention (SIR) or deductible exceeds $10,000, the COUNTY reserves the right, but not the obligation, to review and request a copy of the AGENCY’S most recent annual report or audited financial statement. For policies written on a “Claims-
Made” basis, the AGENCY shall maintain a Retroactive Date prior to or equal to the effective date of this Contract. The Certificate of Insurance providing evidence of the purchase of this coverage shall clearly indicate whether coverage is provided on an “occurrence” or “claims-made” form. If coverage is provided on a “claims-made” form the Certificate of Insurance must also clearly indicate the “retroactive date” of coverage. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the life of this Contract, the AGENCY shall purchase a SERP with a minimum reporting period not less than three (3) years.

E. **Additional Insured** – The AGENCY shall endorse the COUNTY as an Additional Insured with a CG 2026 Additional Insured - Designated Person or Organization endorsement, or its equivalent, to the Commercial General Liability. The Additional Insured endorsement shall read “Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents.”

F. **Waiver of Subrogation** – The AGENCY hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement to the policy, then the AGENCY shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which specifically prohibits such an endorsement, or which voids coverage should the AGENCY enter into such an agreement on a pre-loss basis.

G. **Certificates of Insurance** - Prior to execution of this Contract, within forty-eight (48) hours of a request by the COUNTY, and at least five (5) days prior to the expiration of any required coverage, the AGENCY shall provide a signed Certificate(s) of Insurance evidencing that all of the insurance coverage required by this Contract are in full force and effect to the COUNTY through the COUNTY’S representative, JDi Data Corporation using the CTrax Portal, unless otherwise directed by the COUNTY. Said Certificate(s) of Insurance shall include a project description, and, to the extent allowable by the insurer, include a minimum thirty (30) day endeavor to notify due to cancellation ten (10) days for non-payment of premium) or non-renewal of coverage.

The Certificate Holder shall read:

Palm Beach County Board of County Commissioners  
c/o JDi Data Corporation  
100 W. Cypress Creek Road, Suite 1052  
Ft Lauderdale, FL 33309

H. **Umbrella or Excess Liability** - If necessary, the AGENCY may satisfy the minimum limits required above for Commercial General Liability, Business Auto Liability, and Employer’s Liability coverage under Umbrella or Excess Liability. The Umbrella or
Excess Liability shall have an Aggregate limit not less than the highest “each occurrence” limit for either Commercial General Liability, Business Auto Liability, or Employer’s Liability. The COUNTY shall be specifically endorsed as an “Additional Insured” on the Umbrella or Excess Liability, unless the Certificate of Insurance notes the Umbrella or Excess Liability provides coverage on a “Follow-Form” basis.

I. **Right to Review** – The COUNTY, by and through its Risk Management Department, in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject or accept any required policies of insurance, including limits, coverage, or endorsements, herein from time to time throughout the term of this Contract. The COUNTY reserves the right, but not the obligation, to review and reject any insurer providing coverage because of its poor financial condition or failure to operate legally.

**ARTICLE 8 - INDEMNIFICATION**

The AGENCY shall protect, defend, reimburse, indemnify and hold the COUNTY, its agents, employees and elected officers harmless from and against all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney’s fees and costs, whether at trial or appellate levels or otherwise, arising during and as a result of their performance of the terms of this Contract or due to the acts or omissions of the AGENCY. The AGENCY also shall not use funds made available pursuant to this Contract for the purpose of initiating or pursuing litigation against the COUNTY.

**ARTICLE 9 - SUCCESSORS AND ASSIGNS**

The COUNTY and the AGENCY each binds itself and its partners, successors, executors, administrators and assigns to the other party and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Contract. Except as above, neither the COUNTY nor the AGENCY shall assign, sublet, convey or transfer its interest in this Contract without the prior written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the COUNTY, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the COUNTY and the AGENCY.

**ARTICLE 10 – WARRANTIES AND LICENSING REQUIREMENTS**

The AGENCY hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the COUNTY’S representative upon request.

The AGENCY shall comply with all laws, ordinances and regulations applicable to the services contemplated herein, to include those applicable to conflict of interest and collusion. ARTICLE 29 - STANDARDS OF CONDUCT FOR EMPLOYEES

The AGENCY must establish safeguards to prevent employees, consultants, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private financial gain for themselves or others such as those with whom they have family, business, or other ties. Therefore, each institution receiving financial support must have written policy guidelines on conflict of interest and the avoidance thereof. These guidelines should reflect State and local laws and must cover financial interests, gifts, gratuities and favors, nepotism, and other areas such as political participation and bribery. These rules must also indicate the conditions under which outside activities, relationships, or financial interest are proper or improper, and provide for notification of these kinds of activities, relationships, or financial interests to a responsible and objective institution official. For the requirements of code of conduct applicable to procurement under grants, see the procurement standards prescribed by 45 CFR Part 74, Subpart P and 45 CFR Part 92.36.

The rules of conduct must contain a provision for prompt notification of violations to a responsible and objective grantee official and must specify the type of administrative action that may be taken against an individual for violations. Administrative actions, which would be in addition to any legal penalty(ies), may include oral admonishment, written reprimand, reassignment, demotion, suspension, or separation. Suspension or separation of a key official must be reported promptly to the COUNTY.

A copy of the rules of conduct must be given to each officer, employee, board member, and consultant of the recipient organization who is working on the grant supported project or activity and the rules must be enforced to the extent permissible under State and local law or to the extent to which the grantee determines it has legal and practical enforcement capacity.

The rules need not be formally submitted to and approved by the COUNTY; however, they must be made available for a review upon request, for example, during a site visit.

ARTICLE 30 - FEDERAL AND STATE TAX

The COUNTY is exempt from payment of Florida State Sales and Use Taxes. The AGENCY shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the COUNTY, nor is the AGENCY authorized to use the COUNTY’S Tax Exemption Number in securing such materials.

The AGENCY shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract.

ARTICLE 31 - ENTIRETY OF CONTRACTUAL AGREEMENT

The AGENCY agrees that the Scope of Work has been developed from the AGENCY’S service proposal and that the COUNTY expects performance by the AGENCY in accordance with such application. In the event of a conflict between the proposal and this Contract, this Contract shall control.
The COUNTY and the AGENCY agree that this Contract sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. B. Upon request from the County’s Custodian of Public Records, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119 or as otherwise provided by law. The AGENCY further agrees that all fees, charges and expenses shall be determined in accordance with Palm Beach County PPM CW-F-002, Fees Associated with Public Records Requests, as it may be amended or replaced from time to time.

C. Ensure that public records that are exempt, or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of this Contract, if the AGENCY does not transfer the records to the public agency.

D. Upon completion of this Contract, the AGENCY shall transfer, at no cost to the COUNTY, all public records in possession of the AGENCY unless notified by COUNTY’S representative/liaison, on behalf of the County’s Custodian of Public Records, to keep and maintain public records required by the COUNTY to perform the service. If the AGENCY transfers all public records to the COUNTY upon completion of this Contract, the AGENCY shall destroy any duplicate public records that are exempt, or confidential and exempt from public records disclosure requirements. If the AGENCY keeps and maintains public records upon completion of this Contract, the AGENCY shall meet all applicable requirements for retaining public records. All records stored electronically by the AGENCY must be provided to COUNTY, upon request of the County’s Custodian of Public Records, in a format that is compatible with the information technology systems of COUNTY, at no cost to COUNTY.

Failure of the AGENCY to comply with the requirements of this article shall be a material breach of this Contract. COUNTY shall have the right to exercise any and all remedies available to it,
including but not limited to, the right to terminate for cause. AGENCY acknowledges that it has familiarized itself with the requirements of Chapter 119, Florida Statutes, and other requirements of state law applicable to public records not specifically set forth herein.

IF THE AGENCY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE AGENCY’S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, PLEASE CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT RECORDS REQUEST, PALM BEACH COUNTY PUBLIC AFFAIRS DEPARTMENT, 301 N. SCOPE OF WORK

Contract Period: October 1, 2019 – September 30, 2022

Agency Name: XYZ Agency, Inc.

Program Name: Leadership & Academic Program (LAP)

Target Population: Middle and high school youth ages 12-18

Geographic area(s) served: West Palm Beach and Riviera Beach

Commission Districts: Districts 2 and 7

Overview:
XYZ Agency, Inc. has over 20 years of experience in loving, equipping, and empowering youth ages 5-13 residing in low-income areas of Palm Beach County, including West Palm Beach and Riviera Beach through the development of programs and activities that build trusting and loving relationships with youth.

Evidence-based model or promising practice:
The Reading Plus Insight computer based literacy program paired with the See Reader portion of the program will be used. The Reading Plus adaptive assessment, Insight, is a valid and reliable assessment; it goes beyond typical measures of comprehension and vocabulary by also measuring comprehension-based silent reading rate and motivation. See Reader is an intelligent web-based eReader that dynamically responds and adapts to student performance. Students read literary and informational texts, and then answer questions about what they read to assess comprehension.

Observed Need/Risk Factor(s) that will be addressed:
Youth not performing to their highest potential academically.

Services:
The Leadership & Academic Program (LAP) operates 2.75 hours a day, 5 days a week serving youth grades K-8. LAP is a multi-component afterschool program that features a structured educational component with tutoring, academic enrichment and computer based reading software, a behavior/emotional social component with life skills lessons in character development, guest speakers and field trips, a physical component with sports, team building games, and healthy snacks.

Participating youth will receive:
- One-on-one tutoring, academic enrichment, computer-based reading instruction, life skills lessons, recreation time, snacks, field trips, arts (including such things as dance, drama,
drawing, crafts, violin, and drum lessons) and techniques to work on behavior management.

- Enrichment activities that tie in with school based learning, reading and English improvement through Reading Plus online education software. The Reading Plus system allows XYZ Agency, Inc. to track the progress of each child and identify the specific areas which need improvement.

- Behavior improvement support using tools developed to be utilized in the discipline system. These tools will allow LAP to track the frequency and type of poor behavior choices, create a plan to improve these areas in each child, and track changes using a progressive zone discipline system whereas green is a disciplinary Warner; yellow comes with a consequence and red is a suspension.

- Life skills component designed to help students improve their decision-making ability. Whether that decision is not to join a gang, or engage in risky behaviors, or which college to attend, LAP will encourage them to think about the reasons behind the choices they make. The life skills revolve around monthly themes such as games, arts and crafts, etc., that tie in directly with the theme. Recently, due to an increase in the rise of childhood obesity and early onset of chronic disease, XYZ Agency, Inc. has begun implementing physical activity into LAP.

XYZ Agency, Inc. staff will:

- Record referral source for each youth;
- Assess the needs of each youth and develop an individual action plan;
- Collect Lexile scores in Insight assessment and See Reader per trimester.
- Record progress notes with time frames for each contact made with youth.
- Track the frequency and type of poor behavior choice, create a plan to improve these areas in each child, and track changes.

Outcomes:
The following outcomes will be tracked:

- 18 of 30 (60%) program participants will show improvement in reading scores;
- 18 of 30 (60%) program participants reading 50 points below grade level will achieve reading at grade level;
- 18 of 30 (60%) program participants will have fewer behavior referrals.

Reports Submission:
The AGENCY shall provide monthly, quarterly and annual data for all program participants funded in this Contract. The reports shall be presented in a format acceptable to COUNTY.
