Description:

This beginner-level presentation will expose attendees to the basics of what sexual assault encompasses and how sexual assault impact adults and youth. Attendees will review criteria of PTSD (both for adults and youth) and discuss the possible trauma reactions these clients may experience. Treatment modalities will be explored in addition to how to provide assistance to secondary victims.

Learning Objectives:

1) Identify trauma reactions in adults and children.
2) Explain the impact that childhood sexual abuse has on an individual.
3) Discuss “do’s and don’ts” when working with victims.

Presenter:

Danniella Jones, Psy.D. earned her bachelor’s degree at Berry College in Rome, Georgia and her doctorate degree at Spalding University in Louisville, Kentucky. She completed her doctoral internship at Cherokee Health Systems, an integrated primary care and community mental health center in Knoxville, Tennessee and her post-doctoral fellowship with Palm Beach County Youth Services Department at Highridge Family Center. Dr. Jones is currently a psychologist at the Education and Training Center where she provides clinical supervision to doctoral trainees, conducts family therapy and psychological evaluations, and offers trainings and outreach to the community. She has conducted research related to race-based stereotypes and evidenced-based practices for treating complex trauma. She has experience working as a victim advocate in a sexual assault/domestic violence shelter and as a therapist at a center that provides services for survivors of interpersonal trauma. Her professional interests include working with high risk, underserved, and diverse youth as well as with survivors of interpersonal trauma and common comorbidities such as self-harm, substance misuse, etc.
