

# HELP YOUR CHILD SUCCEED!

## Through Our FREE Parent Education

A series of ten FREE group or individual sessions based on the Systematic Training for Effective Parenting (STEP) and Adults and Children Together (ACT) Raising Safe Kids programs.

*When You Need the Best...*

*Call Us!*

### Parents Will Learn To:

- Influence children positively with effective parenting styles
- Identify children's misbehavior & behaviors that foster positive goals
- Promote healthy social & emotional development
- Discipline children with firmness and kindness
- Build self-esteem through encouragement
- Create a safe environment for children
- Communicate effectively with children
- Gain cooperation from children
