- Multi-Site Leadership & Team Development

## **WORK EXPERIENCE**

### **Chief Operating Officer**

**Total Pediatric Care | Fort Lauderdale, FL | August 2024 – Present**

Direct all clinical, financial, and operational functions, ensuring regulatory compliance and quality care.

Oversee process improvements, cost control strategies, and contract negotiations to enhance revenue.

Implement data-driven decision-making through KPIs, increasing operational efficiency by 38%.

### **Healthcare Consultant (Remote)**

**Jamil Ventures | Michigan | November 2023 – August 2024**

Provided strategic consulting to optimize healthcare operations and managed care strategies. Conducted financial modeling and market analysis, helping organizations achieve 15% cost reduction.

### **Chief Executive Officer**

**North Florida Pediatrics | Lake City, FL | December 2022 – September 2023**

Led nine multi-site clinics, overseeing operations, marketing, compliance, and expansion. Negotiated value-based and capitation contracts, increasing revenue by 27%.

Developed KPIs for clinical and administrative teams, improving performance and patient satisfaction.

Established a Managed Care Department, leading to #1 ranking with United Healthcare in North Florida.

### **Director of Business Intelligence**

**Florida Community Health Centers | West Palm Beach, FL | June 2020 – August 2022**

Managed an 8-member analytics team, optimizing payer contracts and performance metrics.

Designed custom BI dashboards, improving financial reporting and revenue cycle outcomes.

Led HRSA, Joint Commission, and 340B audits, ensuring 100% compliance and accreditation.

### **Managed Care & Quality Performance Manager**

**Borinquen Health Care Centers | Miami, FL | August 2014 – March 2020**

Directed quality initiatives (HEDIS, UDS, CAHPS) to improve patient care and maximize reimbursements.

Developed and implemented provider training programs, increasing compliance and operational efficiency.
