1. Statement of Purpose

The Palm Beach County Board of County Commissioners (BCC), through the Department of Housing & Economic Development (HED), is soliciting applications for Impact Fee Affordable Housing Assistance Program (IFAHAP) assistance from eligible for-profit and non-profit developer entities who are seeking to build affordable rental or for-sale housing units, and individuals and households who are seeking to build owner-constructed and occupied housing units for use as their principal place of residence.

2. Background

On November 17, 2009, the BCC authorized the utilization of impact fee investment earnings on roads, parks, and public building to support the development of affordable housing in Palm Beach County. On February 11, 2020 (Item 5A-1), the BCC approved the revised IFAHAP Guidelines that govern the use of and apply to all funds made available through this Notice of Funding Availability (NOFA). Applicants are strongly encouraged to review the IFAHAP Guidelines before applying. IFAHAP Guidelines, which contain additional information and requirements, are available for review at: <https://discover.pbcgov.org/HED/PDF/SPO/APPROVED%202.11.2020%20IFAHAP%20Revised%20Guidelines.pdf>

Projects which are located outside or adjacent to the above described impact fee zone boundaries are ineligible. Should there be any ambiguity regarding the eligibility of a property's location in relation to the above described boundaries, a final determination shall be made by the County in its sole discretion.

5. Occupancy and Affordability Requirements

All affordable housing units that receive assistance under the IFAHAP must be occupied by individuals or households whose incomes do not exceed one-hundred forty percent (140%) of the Area Median Income (Exhibit B).
