3. When to apply.

The official application launch date will be announced shortly. Ahead of the application launch and over the **next two weeks**, the SBA will establish a **seven-day pilot period** for the RRF application portal and conduct extensive outreach and training on how to apply, application requirements and where to apply. Participants in this pilot will be randomly selected from existing PPP borrowers in priority groups for RRF and will not receive funds until the application portal is open to the public.

Following the pilot, the application portal will be opened to the public. For the **first 21 days that the program is open**, the SBA will prioritize reviewing applications from small businesses owned by **women, veterans, and socially and economically disadvantaged individuals**. Following the 21-day period, all eligible applicants are encouraged to submit applications.
