CARES Mortgage Assistance Program WEBEX

The County’s Mortgage Assistance Program (program description attached) online application will open Monday, June 29th and the projected closing date is Friday, August 14th. If all funds are not expended, the online application will be reopened.

For those that do not have access to computers, the PBC Libraries are open. Those persons seeking to apply could go the County Library near them to use a computer.

To prepare all interested parties and homeowners on how to use the online application and to provide clarification on the documents that must be uploaded, we will be conducting 3 virtual training sessions. These sessions are open to the public and we will be recorded. One or more of the sessions will be placed on our website for future viewing by residents at their leisure.

The trainings will be conducted using WebEx, to join the session you will need to download the WebEx application. Each WebEx session will allow up to 200 participants. The date and time of each session is as follows:
