

## Palm Beach County COVID-19 Testing Site – FITTEAM Ballpark of the Palm Beaches

- What:** A Palm Beach County COVID-19 drive thru testing site in collaboration with the Board of County Commissioners, the Health Care District of Palm Beach County, the Florida National Guard, and the Florida Division of Emergency Management.
- Where:** FITTEAM Ballpark of the Palm Beaches  
5444 Haverhill Road  
West Palm Beach, Florida. *Entry on Haverhill Road.*
- When:** Telephone registration and appointment scheduling will begin on Monday, March 30, 2020 from 8:00 am to 5:00 pm. On-site testing (swab sample collection only) will begin on Tuesday, March 31, 2020.  
*Preapproval and appointments are required.*
- Who:** Individuals requesting testing will be approved through telephone screening conducted by the Health Care District of Palm Beach County. Screening criteria will include presence of symptoms, exposures, and risk factors.
- How:** Call Health Care District of Palm Beach County testing line: (561) 642-1000. A brief telephone interview will be conducted to determine eligibility for COVID-19 testing. Callers approved for testing will be given an appointment date and time slot for arrival at the testing site. Upon arrival at the site, a rapid check-in procedure will be conducted that will include verification of appointment time. Individuals without appointments will be turned away and directed to call the Health Care District of Palm Beach County to schedule an appointment. The check-in procedures and the testing (swab sample collection) will be conducted through an open window of the vehicle. No one will be permitted to leave their vehicles.
- Results:** Testing results will be reported to the Health Care District of Palm Beach County who will notify the patient and the Palm Beach County Health Department. Results can be expected within 2-3 days, however, it may take longer. Individuals testing positive will be advised of isolation and quarantine protocols and referred for medical care if necessary.
- Cost:** Free
