

Emergency Order 2020-011 – Additional Directive on Recreational Facilities

Summary of Changes from Previous Order (2020-007)

Boating and Marine Activity Requirements

- Allows dive boats to operate at same capacities as other commercial recreational vessels.
- Removes restriction on dive shop retail operations and tank filling.
- Establishes a 6' physical distancing separation requirement for fisherman on piers.

Golf Requirements

- Adjusts golf course rules to allow shared cart use where a physical divider is in place between the driver and passenger or where players are wearing masks.
- Allows golf instruction for more than one individual if strict social distancing is followed.
- Removes arrival time limitation on tee times.
- Allows clubhouses to operate at similar maximum capacities as restaurant capacities identified in prevailing Executive Orders of the Governor.
- Allows league, clinic, youth and organized activities to operate with strict social distancing guidelines.
- Allows caddy services to be provided with strict social distancing measures in place.

Public Parks, Private Parks, and Natural Areas Requirements

- Authorizes organized youth activities including youth sports teams and leagues, youth clubs and programs, child care, summer camps and youth recreation leagues in accordance with the Governor's Executive Order 20-131.
- Allows supervised sports facilities with lights to operate after sunset.
- Allow picnic pavilions serving up to 10 persons to open.
- Allows field and lawn sports with no more than 50 persons per field including spectators. All players and spectators must maintain 6' physical distancing.
- Requires hygiene promotion for field sports. Hand slaps, huddles, shared water bottles and food sharing are not permitted.
