**SUBJECT: HURRICANE ISAIAS-CANCELLATION OF
EVACUATION ORDER**

In order to reduce the vulnerability of the population in the affected area which included Evacuation Zone A and any areas or properties with manufactured/mobile homes, homes with substandard construction and homes in flood-prone areas, to damage, injury, and loss of life or property resulting from imminent threat, and in order to prepare and allow for prompt and efficient restoration of order, assessment and response to damage and injuries to persons and property, I ordered a voluntary evacuation of the affected area effective at 12:45 P.M. on August 1, 2020.

At this time, I have determined that the evacuation order is no longer needed for these purposes. Therefore, pursuant to Chapter 252, Florida Statutes, Attorney General Opinion 95-24 and Palm Beach County Code Article II, Section 9-35, the voluntary evacuation order for Hurricane Isaias is hereby cancelled effective at 2:00 P.M. on this date, August 3, 2020.
