**County Connection**

You or someone you know might benefit from information in this month’s “County Connection” program. Did you know 1 in 4 adults and 1 in 5 teens, ages 13 to 18 years old, experience serious mental health concerns? In recognition of May as Mental Health Awareness Month, Palm Beach County is raising awareness of this county-wide “Get Your Green On Campaign.” Find out how it started, how to get involved with upcoming activities and how the campaign contributes to a healthier community.

Airs Mondays at 6:00pm, Tuesdays at 2:00pm Wednesdays and Thursdays at 1:30pm, Fridays at 7:30am, Saturdays at 9:00am and Sundays at 11:30am.
