Dear Palm Beach County Residents,

I’m Michael J. Blaylock, the Interim Executive Director of Palm Tran, Palm Beach County’s public transit provider. There’s so much to do in Palm Beach County. From beautiful beaches and top-rated restaurants to vibrant cultural and sporting events, we have a slice of paradise around every corner. However, getting to where you need to go can be a challenge with increased traffic and rising gas prices. Riding Palm Tran takes the stress out of your commute, avoids the hassle of finding parking and makes getting around easy!

Palm Tran has provided transit service to residents and visitors of Palm Beach County since 1971. Though we started as a small organization with only 20 buses, we have grown to more than 450 buses and three transit modes to meet the mobility needs of our community. Palm Tran offers fixed-route service on 31 different routes with nearly 3,000 stops throughout the county. We also offer paratransit service for our elderly and disabled community. Go Glades, our third mode of service, takes you door to door in the Glades region.

Palm Tran is also affordable, with $2 fares per ride. Our philosophy is to let customer pay with whatever they have, including the Paradise Pass app or smartcard, debit/credit card with the tap payment feature, digital wallets like Apple Pay and Google Pay, and cash with exact change. We offer reduced rates for seniors, students under 21 years old with a valid school ID, disabled persons, Medicare recipients, veterans and individuals with low-income.

While riding to your destination, we encourage riders to take advantage of the amenities that are standard on all buses. Our riders have access to free Wi-Fi and onboard USB charging ports as well as infotainment TV screens to tell them next stop information. Our buses have ramps and a contactless wheelchair securement system to make riding easily accessible to those with mobility devices.

At Palm Tran, our mission is “to provide access to opportunity for everyone safely, efficiently and courteously.” Transit is not only about the people we serve and about the places we go. Transit is also about the possibilities that are accessed through our services. Palm Tran is a lifeline that provides access to jobs, education and loved ones. No matter where you plan to go in Palm Beach County, let Palm Tran take you there.

Plan your trip today by going to palmtran.org!
