Dear Palm Beach County Resident,

A Message from the Director...
Welcome to the never-boring world of Palm Beach County Animal Care and Control, a Division of the Department of Public Safety.

Palm Beach County operates one of the largest governmental animal shelters in the state on our 14-acre campus on Belvedere Road. Our agency consists of more than 110 employees who are uniquely skilled to handle the vast array of animals coming through our doors. Can you say, “dogs, cats, horses, pigs, goats, chickens, birds, snakes, and turtles? Oh my!”

We take great satisfaction in the fact that we are not “dog-catchers.” We are animal welfare professionals dedicated to protecting both animals and the public in this 2,300 square-mile county that we call home. Our area of jurisdiction consists of unincorporated Palm Beach County and 39 municipalities! I feel another “Oh my!” coming...

Animal Care and Control serves the public through adoptions and sheltering of stray and unwanted animals. We specialize in Animal Cruelty Investigations and have an outstanding track-record for winning custody cases through the County Attorney’s Office and prosecuting cases through the State Attorney’s Office.

In addition to sheltering and preventing animal cruelty, the Division is responsible for Bite Investigations, Commercial Licensing for animal establishments, Dangerous Dog Investigations, Field Operations and Enforcement, surveillance of rabies and public health issues, and disaster planning and response.

Palm Beach County Animal Care and Control is well known throughout the United States as a progressive leader in the humane treatment of animals, excellence in shelter medicine, and compassionate veterinary care. Palm Beach County’s motto is “The Best of Everything” and our agency strives to give the best to those creatures for whom we are responsible.

It is evident that I take great pride in our shelter and programs, our staff, volunteers, and management, our services to the community, and most important – our humane and compassionate approach to animals.

Sincerely,
Dianne M. Sauve, Director
Palm Beach County Animal Care and Control

“Protecting the animals and people of Palm Beach County through education, enforcement, and community collaboration”
It’s Kitten Season! We are in desperate need of the following supplies to help us care for the orphaned kittens in our community:

- **Towels, Small Blankets, and Newspaper**
- **Cat Litter (7lb bag)**: Kitty Diggins Brand
- **Kitten Food - Canned (pâté)**: Royal Canin Babycat, Fancy Feast (chicken or turkey)
- **Kitten Food - Dry**: Royal Canin Babycat
- **Kitten Toys**
- **Cat Litter (7lb bag)**
- **Plush Cat Beds**
- **Wish List**

**Pokemon GO**

**Peggy Adams Animal Rescue League & PBC Animal Care and Control**

Looking for Foster Parents to Help with Animals in Need

June is National Foster a Pet Month! What a perfect time to give back to those in need! Peggy Adams Animal Rescue League and Palm Beach County Animal Care and Control (PBCACC) are in desperate need of more foster parents. Foster parents provide temporary housing, care, and love for a dog, cat, puppy, or kitten until they are ready for a home.

Currently, Peggy Adams has 936 animals in its care, and Palm Beach County Animal Care and Control has 300+ animals. To save more lives of animals in need, both organizations are looking to add roughly 100 additional foster homes to their individual programs. Both organizations have seen an approximate 40% increase in kitten intake in 2021.

“For those who want to make a difference and save the lives of animals right here in Palm Beach County, becoming a foster volunteer is truly one of the best things you can do,” said Rich Anderson, Executive Director/CEO of Peggy Adams Animal Rescue League. “There’s a great need for foster homes, especially with kitten season here in South Florida. Peggy Adams’ neonatal Kitten Nursery, which provides round-the-clock care for kitten newborns, has been a tremendous success. This also means we need more temporary foster homes for the kittens before they are ready to go to their forever home”, Rich Anderson adds.

The Foster Program aims to help as many animals as possible by providing temporary homes. Some animals are newborns, pregnant or nursing, sick, injured, under-socialized, or animals that do poorly in a shelter environment. Both organizations simply don’t have enough space to house them; however, they can help hundreds of animals who need extra care or special attention with the help of dedicated Foster Volunteers.

For those interested in becoming a Foster Volunteer, below is a list of vital information to consider:

- A Foster Volunteer provides a temporary home for dogs (primarily large breeds), cats, puppies, or kittens until they are ready for adoption. Although fostering requires dedication and commitment, a Foster Volunteer can help Peggy Adams and PBCACC by providing a loving home to an animal in need for a short-term period of time. Both shelters always have a demand for foster homes throughout the year.
  - Peggy Adams and PBCACC will provide all of the supplies you will need to care for the foster animal. This includes medications, follow-up veterinary visits, food, litter, bedding, bowls, crates, collars, and leashes. Foster Volunteers are responsible for transportation to and from the shelter for check-ups and medical care.
  - Foster Volunteers must be at least 18 years old OR have an adult in the household who will be the primary caregiver. Caregivers must be able to separate the foster animal(s) from their own animal(s) for 14 days since many foster pets have limited immunity. All dogs must be kept on a leash or supervised in an enclosed area when outside. Cats and kittens must be kept inside at all times.
  - Peggy Adams Animal Rescue League and Palm Beach County Animal Care and Control give student community service hours for fostering, but must buddy up with a parent as the primary caregiver.

**NOTES:**

1. The Foster Program and other animal-facing services are NOT available to those seeking to fulfill court-appointed hours. No exceptions. (2) PBCACC requires that if fosters have other pets in the household, they must be up-to-date with rabies vaccines and county tags.

2. All cats are required to be microchipped per County Ordinance 98-122.

3. If your pet has a known reaction to vaccines, please take them to a private veterinarian.

For more information on how you can help, please visit PeggyAdams.org/Foster and PalmBeachCounty.org/Foster.

To learn more about Peggy Adams Animal Rescue League’s Foster Program, please visit: PeggyAdams.org/Foster

To learn more about Palm Beach County Animal Care and Control’s Foster Program, please visit: https://discover.pbc.gov/publicsafety/animalcare/pages/foster.aspx

  - Non-Spayed/Neutered: $20

**UPDATE:**

- **Effective June 1, 2021:** All dogs and cats require a current rabies vaccine, and all cats are required to be microchipped per County Ordinance 98-22.

Please note: If you have a known reaction to vaccines, please take them to a private veterinarian.
15 Palm Beach County Library locations serve as meal distribution sites for the Palm Beach County Youth Services Department’s Summer Food Service Program (SFSP).

The SFSP provides meals to eligible children age 18 and under during the summer months (June through August) and in times of emergency. Meals are also available to persons with disabilities, over age 18, who participate in school programs for people who are mentally or physically disabled.

Parents picking up kits without their child present must bring identification for the child. Acceptable forms of identification include student ID, child’s passport or other government-issued ID, birth certificate, adoption decree, immunization records, and school demographics. Meal kits will not be provided to parents who do not bring their child or do not provide proper identification.

Families without transportation may walk up to collect meal kits.
Poetry Deep Dive

Ahoy mateys! The Solid Waste Authority of Palm Beach County is hosting a month-long scavenger hunt throughout July! This family-friendly outdoor event takes place on the SWA Greenway Trail System and around Palm Beach County. This pirate-themed hunt will encourage residents to explore ways to Reduce, Reuse, Recycle and Rethink waste in our community!

Adventurers will need to download the free GooseChase app on their mobile device and upload photos and videos or answer trivia questions to complete missions and earn points. Prizes will be awarded to the top three crews, as well as to the crew with the most creative submissions. All crews who earn at least 5,000 points will be entered into a random prize drawing for valuable loot.

Cost to participate is $50 for a crew of 4 ($10 for each additional Adult Buccaneer).

Proceeds benefit Resource Depot, a not-for-profit creative reuse center in Palm Beach County that collects and distributes unwanted reusable materials to the arts and education communities.

Visit SWA.org/ScavengerHunt to register your crew today!
