Welcome to your Palm Beach County park system! We are thrilled that #pbcparks is featured in this edition of the PBC TV Channel 20 Program Guide. Our Department is celebrating 50 years of creating opportunities for healthy, happy living through award-winning parks, inclusive experiences and environmental stewardship. I hope you have a chance to tune in to Channel 20 and see some of the wonderful things happening in your PBC parks.

Everyone deserves access to a great park and the opportunity to thrive - physically, mentally, socially and emotionally. Our PBC Parks and Recreation team along with countless partners and advocates have left a legacy of excellence for us to build upon into the next 50 years. Our parks, their green and blue infrastructure, and the benefits of public outdoor spaces, safety and programming are wonderful destinations whether you live in Palm Beach County year round or are visiting.

Parks are a place where we all belong and can put aside our differences or, maybe more importantly, celebrate our uniqueness through artistic expression, athletic accomplishment, stress reduction, or fellowship over a common appreciation for each other and our environment. The economic vitality, sense of community, environmental sustainability, and mental and physical health of our community are all positively impacted by our work.

We welcome you to check out all we have to offer on Channel 20 and pbcparks.com. Palm Beach County's award-winning park system offers the widest possible range of leisure opportunities. 87 regional, district, community, beach, and neighborhood parks, spanning several thousand acres, are yours to explore. Sports, fitness, environmental, and cultural opportunities abound, as well as restful places for solitude. Low-cost, often free, Palm Beach County's park system offers an affordable getaway.

From picnicking, exercise courses, playgrounds, bicycle/walking paths, skate/bmx parks, mountain bike trails, pools, water parks, dog parks, equestrian center, nature centers, recreation centers, therapeutic recreation programming, the world-class Morikami Museum and Japanese Gardens, amphitheaters featuring live music and theater, sports fields and more - PBC Parks are for everyone.

Considering a county park location for your organization’s next special event? Contact our Special Events team for permitting assistance and requirements, 561-966-7043.

50 years ago, visionary people put into motion a park system to address and adapt to our community's needs. That is why we move forward with hope for the next 50 years, celebrating all that Palm Beach County Parks and Recreation is and envisioning all we are yet to become. Please continue to enjoy the Channel 20 programming and I hope to see you in a Palm Beach County park very soon.
