¹Based on responses by local governments to the ERA1 Quarterly Q1 2021 (through March 31), Monthly April 2021, and Monthly May 2021 reports obtained via Salesforce extract on June 30, 2021; Note: Polk County, Florida and Smith County, Texas reported anomalous values for households assisted in their April 2021 Monthly report; they have been removed from the summary data.

²The total dollar amount of ERA grant funds the ERA grantee paid to or for participating households during the reporting period, including payments for rent; rental arrears; utility and home energy costs; utility and home energy cost arrears; and other housing expenses. This does not include amounts paid for housing stability services.

³The number of unique households whose rent and/or utility/ home energy payments were fully or partially paid by the ERA grantee under the federal ERA program plus the number of households that received housing stability services administered by the ERA grantee in the reporting period.

⁴Total amount of assistance allocated, awarded, and disbursed to the grantee by US Department of Treasury under the ERA 1 program.
