Policy Number: 2
Amended: June 25, 2018

Issue: **Request for Excused Absences from CARE Council Meetings**

This policy determines the process for requesting excused absences from CARE Council meetings. The policy does not apply to committee meetings.

It is the member's responsibility to request from CARE Council staff that an absence be excused.

A written request is the preferred method of notification; however, a telephone request is permissible. Advanced notice of an absence from a CARE Council meeting is preferred if practical.

All requests for excused absences will be in accordance with the CARE Council Bylaws and Palm Beach County Board of County Commissioners Resolution R-2002-1606 and per special exception approved in February 2003 pertinent to the CARE Council. No other reason will be considered by the CARE Council as an excused absence.

The only acceptable reason for an excused absence is a medical reason.

A member should be prepared to make a request for an excused absence at the next regularly scheduled CARE Council meeting unless the request has been previously given to the appropriate staff.

Failure to request excused absences within two (2) regularly scheduled meetings of the CARE Council shall result in the absences being classified as unexcused. In special circumstances, the member may request reconsideration by application to the Membership Committee, which will make a recommendation to the CARE Council.

This policy, in no case, shall conflict with the CARE Council Bylaws or related Policies and Procedures.

CARE Council Policy

Policy Number: **9**
Approved: **April 30, 2001**

Issue: **Grievance Policy**

Purpose

The purpose of this policy is to provide a mechanism for individuals and or organizations to bring forth grievances relative to the allocation or prioritization of HIV and AIDS medical and support services provided in Palm Beach County, Florida under Part A of the Ryan White Act.

Authority

This policy is required by the Ryan White CARE Act Amendments of 1996, Public Law 104-146, as amended, hereinafter referred to as the Ryan White Act.

Section A: Persons Eligible to File a Grievance

Only individuals or entities directly affected by the outcome of a decision related to the prioritization or allocating of funding under Part A of the Ryan White Act may file a grievance under this policy. Such individuals include, but are not limited to, providers eligible to receive Ryan White Part A funding and consumer groups, persons living with HIV or AIDS (PLWH/A) coalitions or caucuses.

Section B: Actions Which May Be Grievated

These procedures relate to the process of establishing priorities of service categories and allocating funds to those categories and any subsequent process to change the priorities and allocations. Persons wishing to file a grievance relating to the process of selecting contractors, making awards, and any subsequent process to change contractors or awards must follow the grievance procedures established by the Palm Beach County Board of County Commissioners.

At least one of the following basic criteria must be the form and basis of the grievance which is being filed:

1. Alleged deviations from the established, written priority setting or resource setting process (such as failure to follow established conflict-of-interest rules).
2. Alleged deviations from an established, written process for any subsequent changes to priorities or allocations.

3. Inconsistency with the findings of the locally published Needs Assessment or Comprehensive Plan for HIV/AIDS Services in Palm Beach County, Florida. Grievances filed merely on the basis of dissatisfaction with the outcome of the prioritization or allocation process will not be accepted unless one of the above deviations is alleged.

Section C: Internal Non-Binding Procedures

The grievance must be filed with the CARE Council within five (5) working days¹ of the date of action by the Planning Council which is being grieved. Grievances must be filed on the form entitled "Palm Beach County HIV CARE Council Grievance Form", a copy of which is attached hereto as Exhibit "A". All grievances will initially be handled through the internal non-binding grievance process.

The CARE Council Chair will review the grievance within five (5) working days of filing to determine if the basis for a grievance exists. If such a determination is made, the Chair will appoint a grievance committee within three (3) working days of a determination to initiate the non-binding process.

The non-binding process will be handled by the grievance committee appointed by the Council Chair. A hearing will be scheduled before the committee within five (5) working days of appointment. The committee shall have five (5) working days to render a decision on the grievance and notify the parties. The grievant shall have five (5) working days from receipt of the final decision of the grievance committee to make a request for third party mediation.

Section D: Third Party Mediation

If a grievant does not accept the decision of the grievance committee, the grievant may request that the grievance be submitted to a third party mediator. A request for third party mediation shall be made within five (5) working days from receipt of the final decision of the grievance committee as described in section C above. A request for third party mediation shall be filed with the CARE Council on a "Request for Third Party Mediation" form, a copy of which is attached as Exhibit "B".

Upon receipt of a request for third party mediation, the HIV CARE Council Chair will establish a date and time within twenty-one (21) working days of receipt of the request for mediation through the Palm Beach County Alternative Dispute Resolution Office. The Chair shall inform the grievant within five (5) working days of receipt of the request for third party mediation as to the date, time, and location of the requested mediation hearing. The grievant must agree that all mediation will be handled through the Palm Beach County Alternative Dispute Resolution Office and must agree to pay at the time of mediation one-half of the cost of all mediation which extends beyond two billable hours. The CARE Council shall be responsible for the other half of the cost of

¹ *Working days excluding holidays and weekends.*

Mediation. Mediators will be selected by mutual consent of the parties, from a list of certified mediators maintained by the Alternative Dispute Resolution Office. A copy of the current list will be made available to the parties within five (5) working days of the request for mediation. Mediators will only seek to resolve the dispute between the parties, but will not make any findings. Grievant must agree that a maximum of eight (8) hours shall be expended in attempting to resolve the dispute through the third party mediator.

Confidential information disclosed to a mediator by the parties or witnesses in the course of the mediation shall not be divulged by the mediator. All records, reports, or other documents received by a mediator while serving in that capacity shall be confidential. The mediator shall not be compelled to divulge such records or to testify in regard to mediation in any adversary proceedings or judicial forum.

If the grievance is not resolved through mediation, the grievant shall have five (5) working days from the conclusion of the mediation to make a request for binding arbitration.

Section E: Binding Arbitration

If the question is not resolved through mediation, the grievant may request binding arbitration. Such requests must be submitted to the CARE Council on "Palm Beach County HIV CARE Council Request for Binding Arbitration Form", a copy of which is attached as Exhibit "C". The hourly rate shall be determined by the Alternate Dispute Resolution Office. The check shall be made payable to the Alternate Dispute Resolution Office. Such fee shall cover one-half of two-hour arbitration. The grievant must also agree to pay one-half of the total cost of arbitration at the time of arbitration. The CARE Council will be responsible for the other half of the cost of arbitration. Grievant must identify their list of anticipated witnesses and exhibits to be admitted during arbitration. The CARE Council shall have five (5) working days from receipt of the arbitration request form to identify its anticipated witnesses and exhibits and must provide a copy to the grievant. Arbitrators will be selected by mutual consent of the parties, from an approved list maintained by the Office of Alternative Dispute Resolution, based upon availability. Hearings shall be held within ten (10) working days of the appointment of an arbitrator at the Palm Beach County Alternate Dispute Resolution Office. The arbitrator shall have fifteen (15) working days to render a decision after the hearing is concluded. Grievant shall have no further remedies after rendition of the arbitrator's order.

Section F: Remedies

It should be noted that due to the stringent time frames associated with administration of grant funds, remedies sought through this grievance procedure are limited to future actions and are not applied retroactively.

Section G: Dissemination of Grievance Procedure Process

Copies of this grievance procedure will be available at the offices of the CARE Council and the Palm Beach County Department of Community Services.

Palm Beach County HIV CARE Council

CARE Council Policy

Policy Number: **10**
Amended: **June 24, 2019**

Issue: **Nominations Process for CARE Council Membership**

This policy is adopted by the CARE Council (CARE Council), for the purpose of ensuring there is an open and fair nomination process which will provide for a CARE Council membership which is reflective of the AIDS epidemic in Palm Beach County, Florida. In addition, it is the intention of the CARE Council to maintain a nomination policy which complies with directives of the Division of HIV Services (DHS) and HRSA as those directives relate to the Ryan White Act.

I. Legislative Background

Section 2602(b) of the reauthorized Ryan White Act states: "Nominations to the planning council (CARE Council) shall be identified through an open process and candidates shall be selected based upon locally delineated and published criteria. Such criteria shall include a conflict of interest standard for each nominee."

II. Expectations

An open nominations process, in combination with other legislative requirements and existing DHS policy on PLWH participation, shall result in broad and diverse community inclusion and culturally competent deliberations in CARE Council processes. The CARE Council will only approve and/or appoint members who have gone through the nominations process and shall appoint members on a timely basis to ensure minimum disruption to CARE Council activities.

Nominations to the CARE Council shall be sought from a wide spectrum of potential members. Recruitment shall be made through existing CARE Council committees and through ongoing solicitation through existing CARE Council members, service providers, outreach through advertising, and staff working with consumers of HIV/AIDS services. Particular consideration shall be given to disproportionately affected and historically underserved groups and sub-populations.

Every member of the CARE Council is encouraged to actively recruit members to fill gaps in CARE Council membership. Recruitment is not just the Membership Committee's responsibility. CARE Council members should use their own network and seek key contacts in other communities to help identify potential members to fill gaps and to provide individuals to participate in CARE Council committee activities.

III. Steps in the Nominations Process:

1. When necessary advertising may be placed in various publications countywide notifying the public of the need for participation through membership on the CARE Council. Included in the advertising shall be notification of the need to fill membership positions based upon the demographics of the epidemic in Palm Beach County, and to ensure legislatively mandated positions are filled. A timelimit for return of applications shall be included in the notification.
2. Potential applicants shall be invited to attend membership orientation offered quarterly and provided a nominations packet containing a letter describing roles and responsibilities of the CARE Council, duties of membership, time expectations, gaps in representations, conflict of interest standards, HIV disclosure requirements, and an overview of the selection process and timeline; within three (3) business days of request. There shall also be an application form used to gather information about: relevant experience, expertise, skills, the person's interest in serving, the perspective he or she might bring to the CARE Council, how his or her peer group might relate to groups affected by HIV, and other related information.
3. Each returned application will be issued a document number, and receipt shall be logged in for tracking purposes.
4. CARE Council staff will review all application forms and will recommend a list of persons for the Membership Committee to interview per "Procedure for Applicant Interviews". Interviews shall be conducted by at least two committee members- one of which must be the Chair or Vice Chair and a staff member, according to a structured interview format. Open ended questions about past experience on boards, ideas about significant HIV/AIDS issues and professional or affected community linkages shall be incorporated into the interview.
5. After the interviews are completed, the results of each interview are discussed at the next regularly scheduled Membership Committee meeting. When reviewing candidates for membership the committee will consider the following factors: attendance at CARE Council meetings, involvement at Membership Development Sessions and involvement on committees. The Membership Committee may also consider activities as involvement in Membership Development Sessions. In addition, seat availability, the demographics of the board and candidate qualification will be taken into consideration. The final committee recommendations will be forwarded to the CARE Council. If the

Recommendation is accepted by the CARE Council, the individual's name will then be forwarded to the Palm Beach County Board of County Commissioners for appointment. The candidate must document completion of the Palm Beach County ethics training prior to submission of their name to the Palm Beach County Board of County Commissioners. In the event a recommended candidate is not acceptable to the Palm Beach County Board of County Commissioners, a request for a replacement candidate, if available, will be forwarded to the Membership Committee and the Membership Committee will provide the name of another candidate to the CARE Council. If the recommendation is accepted by the CARE Council, the individual's name will then be forwarded to the Palm Beach County Board of County Commissioners for appointment.

- A. Candidates must fulfill the following requirements prior to being forwarded for CARE Council Membership. candidates must join one (1) Committee and attend a CARE Council meeting or CARE Council sponsored training inclusive of annual retreat.
- B. Documented exceptions to these requirements may be made, based upon the need of the CARE Council or in an extenuating circumstance, at the discretion of the Membership Committee Chair with the approval of the CARE Council.
