

Dairy Camp

June 6-10, 2022

Ages 8-16 as of Sept 1, 2021

Cost: \$375

Join an Ag Expo Milk-off Champion, Dr. Chris DeCubellis, as we explore everything related to Dairy Science.

Dr. DeCubellis is the Florida 4-H Dairy/Animal Science State Specialized Agent, so campers will be learning about showmanship, fitting, grooming, and judging. There will also be an off-site farm tour of a local dairy farm. Additionally, campers will be grabbing gloves to dissect a cow's digestive tract, and what would dairy camp be without making homemade ice-cream!

4-H CAMP CLOVERLEAF '22

Camp is Your Canvas

June 20-24, 2022 OR

July 5-8th, 2022

Cost \$375 OR \$325

Take time this week to express yourself! Tap into your creativity and apply it to all different canvases at camp. Campers will explore the fine arts by creating and dancing to music, showcasing their performing arts talents, and making awesome creations. All activities will be based upon campers having the space and time to showcase their creativity.

Teen W.O.L.F. Camp

July 11-15, 2022

Ages 13-16 as of Sept. 1, 2021

Cost: \$425

Do you like spending time in the outdoors? W.O.L.F. Camp (Wildlife Outdoor Leadership Focus) will lead you out into the great outdoors and teach you basic survival skills. During the week, campers will participate in archery, kayak on Lake Francis, learn fishing and orienteering, build animal tracks, and so much more. Daily topics include learning about wildlife and their habitats, water ecosystems in Florida, and outdoor survival skills. This is a week you will not want to miss! Will you be joining our pack?

Youth Survival Camp

June 13-17, 2022

Cost \$375

Do you have what it takes to live off the land? This summer, learn about wildlife and what it takes to survive in the wild. Campers will learn how to find water from the land, build a shelter, and even cook over a campfire. This week also includes archery, kayaking, and other camp favorites.

STEM Camp

June 27-July 1, 2022 OR July 25-29, 2022

Cost: \$375

Do you like the science behind what makes roller coasters fast, the design that lets planes fly, or even what lets you race your own car down the road? STEM Camp will have all this and more! STEM camp is a weeklong adventure where campers will be able to investigate real life programs and designs and execute prototypes to test their ideas. Campers will have an action-packed week exploring speed and energy, electricity, engineering, and so many more STEM topics.

A Trip Around the World

July 18-22, 2022

Cost: \$375

Have you dreamed of experiencing the world's cultures? Join us as we explore various cultures' meals, songs, languages, and dances. We will explore different regions each day by learning to speak common phrases, playing traditional games, cooking traditional meals, and learning to write your own name in another language. Pack your suitcases, grab your virtual passports, and join us for an unforgettable 4-H international adventure!
