# INDOORS AND OUT

Discover How to Plug Kids Into the Outdoors

June 6-9, 2016

8:30 a.m. 3:00 p.m.

- In this 4-Day professional development workshop, learn how to deliver real-world STEM connections by immersing students in fun, hands-on nature investigations.
- Travel through South Florida's beautiful ecosystems: Pan's Garden, Arthur R. Marshall Loxahatchee National Wildlife Refuge, Curry Park, Phil Foster Park, and Mounts Botanical Garden.
- Utilize science inquiry and technology to integrate your science lessons with schoolyard and natural areas.
- Receive materials, equipment, and curriculum guides filled with multi-grade level environmental science lesson plans and activities to use in your classroom.

**PBC Teachers! Elementary Fairgame Benchmarks and Middle/High Diagnostic Challenges in Earth and Life Science will be covered!**

Technology connections include Remotely Operated Vehicles/Robotics, Ship and Naval Engineering, Merlin Bird ID app and more!

This program is limited to 20 participants -  
Course fee of \$45 includes lunch all 4 days, parking, and all equipment and materials

**Deadline for registration: May 31, 2016. [Register Here!](#)**
